ULRICH 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

NOTE A - DESCRIPTION OF PLAN

The following brief description of the Ulrich 401(k) Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Ulrich Barn Builders, LLC, ("the Company") upon completing three consecutive months of service. The Plan was adopted effective January 1, 2016, and most recently amended on September 13, 2018. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In March 2020, the World Health Organization declared the novel coronavirus (COVID-19) outbreak a global pandemic. The impact of the COVID-19 global pandemic continues to evolve, and its future effects on the Plan's statements of net assets available for plan benefits and statements of changes in net assets available for plan benefits remain uncertain.

In March 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law. The Plan elected to implement certain provisions of the CARES Act that are available to tax qualified retirement plans and their participants. These provisions include, among other things, permitting special COVID-19 related distributions of up to $100,000, increasing the maximum amount of Plan loans to participants to $100,000 for loans made prior to September 23, 2020, deferring payments on certain Plan loans through December 31, 2020, and suspending required minimum distributions for the year ended December 31, 2020.

Contributions

Each year, participants may voluntarily contribute a percentage or a flat dollar amount of their annual compensation up to the maximum allowable by the Internal Revenue Code regulations. Participants may also contribute amounts representing distributions from other qualified employee benefit plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes a "safe harbor" contribution equal to 100% of employee deferrals, up to 4% of eligible compensation. In addition, the Company may make an additional discretionary employer contribution to the Plan in such amounts as determined by management. Participants must generally be employed for the entire Plan year, including the last day of the Plan year, to be eligible for the discretionary employer contribution. There were no additional discretionary employer contributions for the years ended December 31, 2020 and 2019.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, and (b) Plan earnings. Allocations are based upon participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Page 8 of 16 received on 9/28/2021 8:19:34 AM [Eastern Daylight Time]

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions and the employer "safe harbor" contributions, plus actual earnings thereon. Vesting in the discretionary employer contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or termination of employment, a participant or designated beneficiary is entitled to receive, in a lump sum, the value of the participant's vested interest in his/her account as defined by the Plan. Payment shall be made as soon as practicable following the participant's normal retirement date, disability, termination of employment, or death, as the case may be. Payment of benefits to participants with balances less than $5,000 will be made in a mandatory lump-sum distribution.

Upon certain conditions, participants, while still employed by the Company, are permitted to withdraw, in a single sum, a portion of their vested account as a result of an immediate and heavy financial need. These conditions include unreimbursed medical expenses, the purchase of the participant's principal residence, the payment of post-secondary education tuition, the payment of burial or funeral costs of immediate family members, the payment of natural disaster clean-up on the participant's principal residence or to prevent eviction or foreclosure from the participant's principal residence.

Forfeited Accounts

Forfeited balances of participants' non-vested accounts are used to offset Company "safe harbor" and/or discretionary contributions. During the years ended December 31, 2020 and 2019, there were no forfeitures used to offset "safe harbor" and/or discretionary employer contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

The Plan has evaluated subsequent events through September 15, 2021, the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Page 9 of 16 received on 9/28/2021 8:19:34 AM [Eastern Daylight Time]

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from the participants and the Company are accrued in the period in which they are earned in accordance with salary deferral agreements and become obligations of the Company, as determined by the Plan Administrator.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, the Company pays substantially all costs relating to asset charges and recordkeeping. All significant administrative expenses are paid by the Company and are not reflected in the accompanying financial statements.

NOTE C – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they

Page 10 of 16 received on 9/28/2021 8:19:34 AM [Eastern Daylight Time]

NOTE C – FAIR VALUE MEASUREMENT (CONTINUED)

generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

The money market fund is the Vanguard Federal Money Market Investor. Valuation of this fund's units occur daily. Unit values are determined by dividing the value of the fund's net assets by the total number of participants' units outstanding on the valuation date. The Vanguard Federal Money Market Investor seeks to maintain a constant net asset value of $1 per unit; however, there can be no guarantee that this fund will meet this goal.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019:

	Quoted Prices in Active Markets For Identical Assets (Level 1)	Total
December 31, 2020		
Investment type		
Mutual funds	$ 1,316,819	$ 1,316,819

NOTE D – INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to the investment information certified by Ascensus Trust Company, the trustee, which includes the following information:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

	December 31,	
	2020	2019
Mutual funds	$ 1,316,819	$ 780,863
Money market funds	$ 16,083	$
Interest and dividends	$ 18,891	$ 13,802
Net appreciation on investments	$ 164,108	$ 125,977

NOTE E – RELATED PARTY TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in shares of publicly traded investment funds managed by Vanguard Fiduciary Trust Company, which acts as the custodian for investments of the Plan. Transactions in such investments qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Trustee has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G - INTERNAL REVENUE SERVICE STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently

NOTE G - INTERNAL REVENUE SERVICE STATUS (CONTINUED)

designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market rate, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There are no reconciling items between the financial statements and the Form 5500 for 2020 or 2019, therefore no reconciliation has been prepared.

NOTE J – PROHIBITED TRANSACTIONS

During 2020, the Company inadvertently failed to remit participant contributions within the required timeframe as stated by the DOL. The Company identified 5 instances for a total of $10,999 in which participant contributions were remitted to the Plan in violation of Department of Labor (DOL) regulations. The DOL considers late deposits to be nonexempt prohibited transactions. In 2021, the Company will calculate and remit lost earnings related to these late remittances to the Plan.

During 2019, the Company inadvertently failed to remit participant contributions within the required timeframe as stated by the DOL. The Company identified 8 instances for a total of $2,226 in which participant contributions were remitted to the Plan in violation of Department of Labor (DOL) regulations. The DOL considers late deposits to be nonexempt prohibited transactions. During the year ending December 31, 2019, the Company calculated and remitted lost earnings related to these late remittances to the Plan.
