New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed an audit of the financial statements of the Phillips Auctioneers LLC 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2020 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 3 to the 2020 financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the certified investment information in the accompanying 2020 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2020 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2020 Supplemental Schedule Required by ERISA

The 2020 supplemental schedule (Schedule of Assets (Held at End of Year)) as of December 31, 2020 is presented for purposes of additional analysis and are not a required part of the 2020 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 financial statements or to the 2020 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2019 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 8, 2020, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2019 financial statements, and (b) the form and content of the information included in the 2019 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of the Plan

The following description of the Phillips Auctioneers LLC 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to qualifying employees of Phillips Auctioneers LLC (the "Plan Sponsor" or "the Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Prior to January 1, 2019, all employees who had attained the age of 21 were eligible to participate in the Plan and to receive the Company's matching contributions. Effective January 1, 2019, an exclusion of part time, temporary, contractual or seasonal employees who have not worked at least 1,000 hours during the 12 month eligibility computation period, were excluded from the plan. Entry into the Plan is the first day of the month coinciding with or next following the date the employee has met the eligibility requirements.

Contributions

Prior to January 1, 2019, employees could elect to defer, through payroll deductions, a portion of their compensation up to the maximum allowable by the law. These deferrals may be made as either pretax or Roth contributions. Effective January 1, 2019, eligible employees are automatically enrolled in the plan as a pretax deferral of 1%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations as defined by the Internal Revenue Code ("IRC").

The Company may make a discretionary matching contribution equal to the percentage of each qualifying contributing participant's elective deferral which the Company, in its sole discretion, determines from year to year. The amount, the allocation formula, and the percentage or dollar amount limit applicable to such match, if any, is at the complete and sole discretion of the Company and may vary from year to year. Due to the ongoing COVID-19 pandemic, as discussed in footnote 9, the Company suspended the discretionary matching contribution from June to October 2020. For the years ended December 31, 2020 and 2019, there was an employer matching contribution of $400,840 and $407,594, respectively.

The Company may make a discretionary profit-sharing contribution. The profit-sharing contribution would be allocated to each eligible participant's account in the proportion of the individual participant's compensation to total participants' compensation. A participant must be employed at the end of the year or terminated during the Plan year due to death, disability or retirement. There were no employer profit sharing contributions made in 2020 or 2019.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and Plan earnings and administrative expenses. Allocations are based on participant earnings, deferrals or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts is based on the following schedule:

Years of Service	Vesting Percentage
Less than 2	0%
At least 2, but less than 3	50%
At least 3, but less than 4	75%
4 years or more	100%

Payment of Benefits

A participant's vested interest in the Plan's assets is distributable generally upon termination of service due to death, disability, or retirement. Withdrawals from the Plan may also be made upon attainment of age 59 ½ or circumstances of financial hardship in accordance with Plan provisions.

Participants may elect to receive distributions as either a lump-sum amount equal to the value of the participant's vested interest in her or her account, annual installments over a period not exceeding the life expectancy of the participant or elected beneficiary, or through the purchase of an annuity contract.

Forfeitures

Forfeitures resulting from the non-vested portions of accounts of participants who terminate prior to being fully vested are generally used to reduce future Company contributions or to pay administrative expenses. Forfeited amounts at December 31, 2020 and 2019 were $10 and $13,100, respectively. During the plan years ended December 31, 2020 and 2019, forfeitures of $35,470 and $83, respectively, were used to reduce Company contributions. Additionally, $0 and $3,424 were used to reduce Plan expenses during the years ended December 31, 2020 and 2019, respectively.

Notes Receivable from Participants

Participants may borrow from their pretax account balance a minimum of $1,000. The maximum amount of an outstanding loan cannot exceed the lesser of 95% of one-half of the vested account balance or 50% of the total vested account balance excluding the Roth contribution balance. Under no event will the loan amount exceed $50,000. The $50,000 is reduced by the loan balance during the 1 year period ending on the day before the date of the loan agreement becomes effective. A participant may have one loan outstanding at any time. The loans are secured by the vested account balance in the participant's account and bear interest at 2% over the prime interest rate that ranged from 4.25% to 7.50% at December 31, 2020 and 2019. The loans are repaid ratably through payroll deductions over a period of 4.5 years or less with the exception of loans used to acquire a primary residence.

Administrative Expenses

Expenses associated with the administration of the Plan may be paid by forfeitures (if any) of the Plan or by the Plan Sponsor. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

Payment of Benefits

Benefits are recorded when paid except for refunds of any employee contributions in excess of IRC limitations discussed in Note 1 are accrued.

Recently Adopted Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standard Update (ASU) 2018-13, *Fair Value Measurements Topic (820), Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. ASU 2018-13 eliminates certain disclosures, including the disclosure related to transfers between Level 1 and 2 investments, the valuation policies for Level 3 measurements and, for nonpublic entities, the change in the Level 3 investments' unrealized gains and losses included in earnings. This ASU also amends certain disclosures, including disclosing purchases, sales and transfers for Level 3 investments instead of the Level 3 roll-forward. This ASU requires that nonpublic entity's disclose additional supporting information used to derive significant unobservable inputs for Level 3, such as the range and weighted average of the significant unobservable inputs. For certain unobservable inputs, an entity may disclose other quantitative information (such as the median or arithmetic average) instead of the weighted average if the entity determines that other quantitative information would be a more reasonable and rational method to reflect the distribution of unobservable inputs used to develop Level 3 fair value measurements. For investments in certain entities that calculated net asset value, or NAV, an entity is required to disclose the timing of liquidation of an investee's assets and the date when restrictions from redemption might lapse only if the investee has communicated the timing to the reporting entity or announced the timing publicly. If the timing is unknown, the reporting entity shall disclose that fact. The amendments clarify that the measurement uncertainty disclosure is to communicate information about the uncertainty in measurement as of the reporting date. ASU 2018-13 is effective for periods beginning after December 15, 2019. Effective January 1, 2020 management adopted the ASU which had no material impact on the financial statements.

Evaluation of Subsequent Events

The Plan and Management have evaluated events and transactions that occurred through October 4, 2021, which is the date that the financial statements were available to be issued. There were no subsequent events to be reported.

3. Information Certified by Trustee

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2020 and 2019.
- Investment and dividend income and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2020 and 2019.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2020, as shown on the ERISA required supplemental schedule.

4. Fair Value Measurements

FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 – Quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by unobservable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following summarizes the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2020 and 2019.

Registered Investment Companies (Mutual Funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual fund that are registered with the SEC. These funds are required to publish their NAV and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

The valuation method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy, the Plan's investment assets at fair value:

	Investment Assets at Fair Value at December 31, 2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Registered investment companies	**$ 11,938,095**	**$ -**	**$ -**	**$ 11,938,095**
Total	**$ 11,938,095**	**$ -**	**$ -**	**$ 11,938,095**

	Investment Assets at Fair Value at December 31, 2019			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 9,060,275	$ -	$ -	$ 9,060,275
Total	$ 9,060,275	$ -	$ -	$ 9,060,275

5. Party In Interest Transactions

Certain Plan investments were held by Reliance Trust Company, the trustee, and therefore, these transactions qualify as exempt party in interest transactions and are exempt from the prohibited transaction rules of ERISA. The Trustee is paid through the ADP trust account. If funds are not available, the Company pays the related fees. The Plan made direct payments to the parties in interest for the years ended December 31, 2020 and 2019 in the amount of $49,342 and $24,833, respectively.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants' accounts will become 100% vested in the Company's contributions.

7. Tax Status

The Plan is based on the Prototype Non-standardized Profit Sharing Plan With CODA sponsored by ADP ("ADP Plan"). The IRS ruled on July 8, 2014 that the ADP Plan qualifies under Section 401(a) of the IRC and the related trust is, therefore, not subject to tax under the present income tax law. The Plan is required to operate in conformity with the IRC to maintain its qualification. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan sponsor is responsible for reviewing the annual Required Amendments List ("RAL") issued by the IRS for individually designed plans to retain qualified tax status. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination

letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal, state and/or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Reconciliation of Plan Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the Form 5500 at December 31, 2020 and 2019 to the financial statements:

December 31,	**2020**	2019
Net assets available, per the Form 5500	**$ 11,989,330**	$ 9,119,268
Add: Employer contributions receivable	**131,159**	44,174
Net assets available for benefits, per the financial statements	**$ 12,120,489**	$ 9,163,442

The following is a reconciliation of the net increase in net assets available for benefits per the Form 5500 for the years ended December 31, 2020 and 2019 to the financial statements:

December 31,	**2020**	2019
Net increase in net assets, per the Form 5500	**$ 2,870,062**	$ 3,834,108
Add: Employer contributions receivable	**131,159**	44,174
Less: Prior year employer contributions receivable	**(44,174)**	(46,769)
Net increase in net assets, per the financial statements	**$ 2,957,047**	$ 3,831,513

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Current Vulnerability

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the COVID-19 outbreak) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve. This pandemic has adversely affected global economic activity and contributed to volatility in financial markets. Since the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of gains or losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

CARES Act

On March 27, 2020, former President Trump signed into law the "Coronavirus Aid, Relief, and Economic Security ("CARES") Act." The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to Plan participants under the CARES Act and implemented the following provisions:

- Allow special coronavirus distributions up to $100,000
- Extend the period for loan repayments, if applicable, up to one year
- Suspend required minimum distributions for 2020
