BRENNAN INDUSTRIES, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Brennan Industries, Inc. 401(k) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

GENERAL

The Plan is a defined contribution plan covering all eligible employees of Brennan Industries, Inc. and Brennan Industries Cleveland Manufacturing Group (collectively, the Company). Each employee of the Company becomes a participant in the Plan on the first entry date following the date the employee attains the age of 21 and six months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The plan sponsor is responsible for oversight of the Plan, determining appropriateness of the Plan's investment offerings and monitoring investment performance.

CONTRIBUTIONS

Each year eligible participants may elect to contribute up to 100% of their compensation to the Plan on a pre-tax basis or after-tax basis, as defined by the Plan, up to the maximum dollar amount allowed by law. Participants may also contribute amounts representing distributions from other qualified plans. The Plan was amended effective August 1, 2019 to provide for an Automatic Contribution Arrangement (ACA). Under the ACA provisions of the Plan, the Company will automatically withhold a deferral amount of 3% of compensation for each pay period for eligible participants unless participants elect different deferral rates or elect not to participate in the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes a matching contribution for those participants that are employed at year end, have been employed for six months, and earned a minimum of 1,000 hours of service during the Plan year. The matching contribution is a discretionary percentage determined by the Company on an annual basis. The Company's matching contributions were \$114,617 and \$118,849 for the years ended December 31, 2020 and 2019, respectively. The Company may also make additional discretionary profit sharing contributions for those participants that are employed at year end, have been employed for twelve months, and earned a minimum of 1,000 hours of service during the Plan year. No additional discretionary profit sharing contributions were made for the years ended December 31, 2020 and 2019. Total annual contributions made to the Plan on behalf of any participant are subject to limitations imposed under the Internal Revenue Code (IRC).

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

INVESTMENT OPTIONS

Upon enrollment in the Plan, participants may direct contributions to their accounts into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's elective deferral, the Company's matching contributions and an allocation of discretionary profit sharing contributions, if any, and Plan earnings thereon, are charged with an allocation of administrative expenses. Allocations are based on participant's eligible compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FORFEITURES

Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. At December 31, 2020 and 2019, forfeited, nonvested accounts totaled \$7,737 and \$2,822, respectively. Forfeitures are used to reduce Company matching or discretionary profit sharing contributions. During the years ended December 31, 2020 and 2019, the Plan used forfeitures of \$3,942 and \$5,115, respectively, to reduce the Company's matching contributions.

VESTING

Participants are immediately vested in their elective deferrals, rollover contributions, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
At least 2 years but less than 3	20%
At least 3 years but less than 4	40%
At least 4 years but less than 5	60%
At least 5 years but less than 6	80%
At least 6 years or more	100%

Prior to December 28, 2020, years of service was defined as each twelve-month period from the date of hire until the date of termination. After December 28, 2020, a year of service is defined as being credited with at least 1,000 hours of service during a Plan year. Participants who are still employed by the Company become 100% vested upon attainment of normal retirement age, or termination due to death or disability.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, or retirement, or due to separation of service from the Company, a participant is entitled to receive a distribution of his or her vested account balance in the form of a lump-sum payment or in installments. The Plan will automatically make a lump-sum distribution to participants who are separated from service and have an account balance less than \$1,000. Participants terminated are entitled to receive their benefits as soon as administratively feasible. A participant may also receive an in-service distribution if he or she experiences undue financial hardship or upon attainment of age requirements, as defined by the Plan document.

In December 2019, the Setting Every Community Up for Retirement Enhancement Act ("SECURE Act") was signed into law. The SECURE Act increased the age for required minimum distributions from 70 ½ to 72. This change is effective for participants who turn 70 ½ after December 31, 2019, and does not apply to participants already receiving required minimum distributions.

In March 2020, the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was signed into law. The CARES Act is designed to provide fast and direct economic assistance for workers in the midst of the COVID-19 pandemic. The CARES Act suspends required minimum distribution provisions for the year ending December 31, 2020. In addition, the required minimum distribution requirement is waived for participants who turned 70 ½ in 2019 and postponed their first required minimum distribution until April 1, 2020. Also, as a result of the CARES Act, generally, participants may take a coronavirus-related distribution up to \$100,000 from their retirement plan without a 10% early withdrawal penalty. Eligible distributions can be taken up to December 31, 2020. Generally, coronavirus-related distributions may be repaid to the Plan within three years.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's total vested account balance. Note receivable terms are not to exceed five years unless borrowed for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's vested account and bear interest at a rate commensurate with prevailing interest rates. Principal and interest are paid ratably through payroll deductions.

NOTES RECEIVABLE FROM PARTICIPANTS (CONTINUED)

The CARES Act allows participants who are Qualified Individuals to borrow up to the lesser of \$100,000 or 100% of the participants' vested balances from March, 27, 2020 through September 22, 2020. The first payment date on a new loan is deferred up to one year. Participants with outstanding loans (meaning loans taken before the CARES Act was enacted) for which a repayment is due between March 27, 2020 and December 31, 2020, can delay their loan repayments up to one year. Interest will continue to accrue on these deferred payments. The term of the loan will be extended by the length of the deferment period.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting (GAAP).

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and the changes therein. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for the fully benefit responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. In management's opinion, all notes receivable are fully collectible; accordingly, no allowance for credit losses was recorded as of December 31, 2020 and 2019.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions revenue. The Plan distributed the excess contributions to the applicable participants within the statutory time limit.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain administrative expenses are paid by the Company. All other administrative expenses are paid by the Plan. Expenses paid by the Company are excluded from these financial statements.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events through October 5, 2021, the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIANS

The investments, investment activity, notes receivable from participants and interest income on notes receivable from participants have been certified as complete and accurate by Great West Life & Annuity Insurance Company and Great West Trust Company LLC, the custodians of the Plan, as of and for the years ended December 31, 2020 and 2019 and have not been audited by the independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. It applies to fair value measurements already required or permitted by existing standards. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

BRENNAN INDUSTRIES, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets. Level 2 includes those inputs other than quoted prices that are observable for the asset or liability. Level 2 inputs are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Registered investment companies - Investments in registered investment companies are stated at the respective fund's net asset value (NAV), which is determined based on quoted market prices on the last business day of the plan year. The NAV is a quoted price on an active market.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

<u>Assets at Fair Value as of December 31, 2020</u>		
	Level 1	Total
Registered investment companies	<u>\$8,694,237</u>	<u>\$8,694,237</u>

Total assets at fair value	<u>\$7,535,545</u>	<u>\$7,535,545</u>

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has entered into a fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Great-West Life & Annuity Insurance Company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or the Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. The Plan Administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation of the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

NOTE 6 - TAX STATUS

The Company adopted a prototype non-standardized volume submitter profit sharing plan with a cash or deferral arrangement, which received an opinion letter from the IRS on March 31, 2014, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended and restated since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2020 and 2019, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their account balances.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies and a guaranteed portfolio fund managed by Great West Life & Annuity Insurance Company and Great West Trust Company LLC. Great West Life & Annuity Insurance Company and Great West Trust Company LLC are the custodians, and therefore, these transactions are considered party-in-interest transactions. The Plan also makes loans to Plan participants who are also considered to be parties-in-interest.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

NOTE 9 - EXCESS CONTRIBUTIONS PAYABLE

In order to pass the 2020 and 2019 Actual Deferral Percentage (ADP) Test, the Plan administrator elected to refund excess elective deferrals and earnings thereon to highly-compensated employees. For the Plan years ended December 31, 2020 and 2019, participants' contributions were reduced by \$10,691 and \$7,694, respectively.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus ("COVID-19") as a pandemic. The Company is monitoring this, but is unable to predict the impact that COVID-19 will have on the Plan, its participants and the Company.
