Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Precision Practice Management 401(k) Plan (the "Plan"), which comprise the statements of net assets available for plan benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of Precision Practice Management 401(k) Plan as of December 31, 2020 and 2019, and the changes in net assets available for plan benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedules of assets held for investment purposes as of December 31, 2020 is presented for the purpose of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

1. DESCRIPTION OF THE PLAN

The following brief description of the Precision Practice Management 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Description for more complete information.

General

The Plan is a defined contribution plan covering substantially all employees of Precision Practice Management 401(k) Plan (the "Company"). To be eligible to enroll in the salary reduction portion of the Plan, employees must have attained age of 18, and have completed one month of service. Participation commences at the beginning of the first quarterly period following the date in which the employee attains eligibility. For matching contributions, employees must be making 401(k) contributions to the Plan, attained the age of 18 and completed one month of service. To be eligible for the discretionary employer contributions, employees must be over the age of 18 and have completed one month of service and be employed on the last day of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may make basic pre-tax and post-tax contributions, as defined in the Plan up to the lesser of the maximum amount permitted under Section 402(g) of the Internal Revenue Code of 1986 ($19,500 and $19,000 for the years ended December 31, 2020 and 2019, respectively) as adjusted by a cost of living factor each year or 100 percent of their annual compensation. In addition, certain participants are allowed to contribute an additional amount ($6,500 and $6,000 for the years ended December 31, 2020 and 2019, respectively) to the Plan as allowed by the catch-up rules. Contributions are subject to certain limitations.

The Company made non-elective discretionary matching contributions of up to 60% of the participants' first 6% contributions made through salary deferral for the years ended December 31, 2020 and 2019. In addition, the Company may make a non-elective discretionary profit sharing contribution at the end of the Plan year. No discretionary profit-sharing contribution was made for the years ending December 31, 2020 and 2019. Participants direct the investment of both their contributions and the Company's contributions into various investment options offered by the Plan.

1. DESCRIPTION OF THE PLAN - CONTINUED

Participant accounts

Each participant's account is credited with (a) the participant's contributions, (b) the Company's contributions, and (c) Plan earnings and appreciation. Each participant's account is charged with (a) any withdrawals or distributions, (b) Plan losses and depreciation, and (c) an allocation of administrative and mutual fund expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options

Participants were able to allocate their contributions among a variety of managed funds available through Fidelity Investments.

Vesting

Participants are always 100 percent vested in their deferred contribution.

Participants' vested interest in employer contributions is determined under the following schedule and is based on vesting years of service:

Years of service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants are also fully vested in employer contributions upon the attainment of normal retirement age, retirement due to disability, death, or the termination of the Plan.

Forfeited accounts

If a participant forfeits any unvested balances in their account, the forfeited amount is used to reduce future employer contributions or pay administrative expenses. Forfeited, non-vested accounts, totaled $7,776 and $13,221 for the years ended December 31, 2020 and 2019, respectively.

Forfeited, non-vested accounts, used to reduce administrative expenses was $15,426 for the year ended December 31, 2020.

1. DESCRIPTION OF THE PLAN - CONTINUED

Participant loans

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of 4.25 to 6.5 percent, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of benefits

On termination of service due to death, disability, early retirement, normal retirement or other termination of employment a participant may elect to receive a lump-sum amount equal to the value of the participant's account. The Plan allows for hardship withdrawals, as defined.

Payment of administrative expenses

Administrative expenses pertaining to the Plan are paid by the Plan. Distribution processing charges are paid by the respective participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments valuation and recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Participant loans are valued at their outstanding balances, which approximate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Net appreciation or depreciation in the fair value of investments includes both realized and unrealized appreciation, including those investments bought and sold during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Payment of benefits

Benefits are recorded when paid.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

		Fair Value Measurement Using:		
	Fair Value	**Level 1**	**Level 2**	**Level 3**

Collective investment trust	1,310,029	-	1,310,029	-

FASB ASC 820-10, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements

Level 1 inputs are quoted prices in active markets on the actual asset being valued. An active market has sufficient transaction activity to provide pricing information on an ongoing basis.

3. FAIR VALUE MEASUREMENTS - CONTINUED

Level 2 Fair Value Measurements

Level 2 inputs are those other than quoted prices in Level 1 that are observable and include the following: quoted prices on similar assets in active markets; quoted prices for identical or similar assets in markets that are not active; observable inputs other than quoted prices such as yield curves, volatilities, prepayment speeds, or inputs derived principally or corroborated by observable market data by correlation or other means.

Level 3 Fair Value Measurements

Level 3 inputs are unobservable inputs for the asset reflecting internal assumptions used to arrive at an estimate or exit price. Those inputs are based on the best information available in the circumstances.

4. TAX STATUS

The Internal Revenue Service has determined that the Plan meets the requirements of Section 401(a) of the Internal Revenue Code and is exempt from federal tax under Section 501(a) of the Code.

The Plan continually evaluates expiring statutes of limitations, audits, changes in tax laws and new authoritative rulings. The Plan files an annual return in the U.S. federal jurisdiction. U.S. federal returns prior to 2017 are closed.

5. RELATED-PARTY TRANSACTIONS

Certain Plan investments are sponsored by Fidelity Investments. Fidelity Investments is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Account fees were paid by the Plan for services provided by Newport Group, the third party administrator as defined by the Plan. Diversified Financial Advisors, LLC provided services such as participant enrollment and financial advisor for the Plan.

Attestation services were provided to the Plan by Conner Ash, P.C., and is therefore considered a party-in-interest.

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

7. PLAN TERMINATION

While it is the Company's intention to continue the Plan indefinitely, it has the right to terminate or amend the Plan at any time. No amendment, however, may permit any part of the assets of the Plan, other than those required to pay taxes and administrative expenses, to be used for any purpose other than for the exclusive benefit of the participants.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

9. RISK AND UNCERTANTIES

In March 2020, the World Health Organization declared the global novel coronavirus disease 2019 (COVID-19) outbreak a pandemic, which is impacting businesses as well as financial markets. As of the date the financial statements were available to be issued, the Plan's operations have not been significantly impacted by the COVID-19 outbreak, however, the Plan continues to experience fluctuations in the fair value of its investments which has affected net assets available for plan benefits subsequent to year-end. The Plan's operations and the fair value of its investments could be adversely affected as a result of COVID-19, but the ultimate impact is not known as of the date the financial statements were available to be issued as the scale and severity of the outbreak, and resulting economic impact, is still largely unknown

10. SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 30, 2021, the date on which the financial statements were available to be issued.
