INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees
BrainPOP 401(k) Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of BrainPOP 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year then ended December 31, 2020, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of BrainPOP 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document or Summary Plan Description ("SPD") for a more complete description of the Plan's provisions.

Effective January 1, 2020, the Plan adopted an amendment to change its name from FWD Media Inc 401(k) Profit Sharing Plan and Trust to BrainPOP 401(k) Plan.

General

The Plan, as amended and restated effective January 1, 2020, is a defined-contribution plan established on January 1, 2008, covering all eligible employees of FWD Media, Inc and affiliates (collectively, the "Plan Sponsor").

John Hancock Life Insurance Company of New York ("John Hancock" or the "Custodian") serves as the custodian of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code ("IRC"), as amended. The Board of Trustees is responsible for oversight of the Plan.

Effective January 12, 2021, the Plan Sponsor engaged Great-West Life & Annuity Insurance Company as the custodian of the Plan, and transferred all assets held by the Plan from John Hancock to Great-West Life & Annuity Insurance Company.

Eligibility

All full-time employees, excluding union employees, leased employees and nonresident aliens, are eligible to participate in the Plan upon the attainment of age 21 and the completion of three months of eligibility service. An eligible employee becomes a participant on the entry date coincident with or following the satisfaction of the eligibility requirements, provided that he or she is still an eligible employee as of such date. The Plan entry dates are the first day of each calendar month after the eligibility requirements have been met. A participant who resumes employment after termination of service with the Plan Sponsor shall become a participant immediately upon rehire.

The Plan does not include an auto-enrollment provision.

Contributions

Participants may contribute up to the maximum percentage or dollar amount of compensation permissible under Section 402(g) of the IRC, not to exceed limits of IRC Sections 401(k) and 415. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions are invested in various investment options as directed by the participants.

The Plan provides for a discretionary matching contributions for eligible participants. For the year ended December 31, 2020, the Plan Sponsor elected to match 25% of the first 8% of the employee's contributions, which amounted to $231,163.

The Plan Sponsor, at its sole discretion, may also make a profit-sharing contribution for employees who have completed 1,000 hours of service during the Plan year and are employed on the last day of the Plan year. For the year ended December 31, 2020, there were no profit-sharing contributions.

1. DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with their elective contributions, the Plan Sponsor's matching, and discretionary profit-sharing contributions, and Plan earnings on such contributions and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled to is represented by the vested balance in the participant's account.

Upon enrollment in the Plan, and anytime thereafter, a participant may elect from among several investment vehicles offered by the Plan to which contributions on their behalf shall be directed.

Administrative Expenses

The Plan is responsible for the payment of administrative expenses and advisory fees. Certain Plan expenses are paid by the Plan Sponsor. Participant's specific transaction fees are paid by the participants by reducing the account balances of those participants initiating the transactions. Investment-related expenses are included in "Net appreciation in fair value of investments" in the accompanying statement of changes in net assets available for benefits.

Vesting

Participants are immediately vested in their voluntary contributions, including any income or loss thereon. Based on the Plan as amended and restated January 1, 2020, the Plan Sponsor's discretionary matching and profit-sharing contributions are based on updated years of service as follows:

Years of Service	Vested Percentage
0 - 1	33%
2	66%
3+	100%

Participants also become 100% vested upon retirement, death or permanent disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of a) $50,000 or b) 47.5% of the participant's vested account balance, except as discussed in Note 3 related to the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"). The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with market rates for similar loans. Participant loans generally must be fully repaid within five years. Loans for a primary residence may be repaid within a reasonable time based on the discretion of the loan administrator, but no longer than 30 years. Participants can have no more than one loan outstanding at any given time. At December 31, 2020, interest rates ranged from 4.25% to 6.50% maturing on various dates through July 2025.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or a participant's beneficiary may elect to receive 100% of the participant's vested interest in his or her account balance in either a lump-sum amount or in annual installments over a period of years in accordance with the Plan document. For termination of service due to other reasons, a participant may choose to have all or any part of their vested account balance distributed to them or leave their account under the Plan if their vested account is more than $5,000.

1. DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

The portion of a participant's account balance which is not vested upon termination of employment is forfeited at the time of distribution. Forfeitures of nonvested accounts are available to pay for the Plan's administrative expenses or reduce future employer contributions.

At December 31, 2020 and 2019, there were forfeitures from nonvested accounts amounting to $36,848 and $27,063, respectively. For the year ended December 31, 2020, no amounts from forfeited nonvested accounts were utilized to pay for Plan expenses or reduce employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan were prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Benefits Paid to Participants

Benefits are recorded when paid to Plan participants.

Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, the Plan has evaluated subsequent events through September 22, 2021, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements, except as disclosed in Note 1.

3. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

During 2020, the World Health Organization declared COVID-19 to constitute a "Public Health Emergency of International Concern." The pandemic has disrupted economic markets and the financial impact, duration and spread of COVID-19 virus are uncertain at this time. The financial performance of the Plan's investments may be impacted by the market's response to the uncertainty of the situation, however, the duration of disruption and related financial impact cannot be reasonably estimated at this time.

3. RISKS AND UNCERTAINTIES (CONTINUED)

In response to the COVID-19 pandemic, on March 27, 2020, the CARES Act was passed by Congress. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions and participant loans. Plan management has implemented certain provisions of the CARES Act, including Coronavirus Relief Distributions and Coronavirus Loan Provisions during the plan year ended December 31, 2020. The Plan has not yet been formally amended for the adoption of these provisions.

4. INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

The following is a summary of the investment information regarding the Plan as of December 31, 2020 and 2019, and for the year ended December 31, 2020, included in the Plan's financial statements and supplemental schedule, that was prepared by, or derived from, information prepared by the Custodian, and furnished to the Plan administrator. The Plan administrator has obtained a certification from the Custodian that such information is complete and accurate.

	2020	2019
Investments:		
Pooled separate accounts	$ 12,306,562	$ 9,822,909
Cash	36,848	27,063
Notes receivable from participants	43,635	45,736
Total certified assets	$ 12,387,045	$ 9,895,708

	2020
Net appreciation in fair value of investments	$ 1,708,500
Interest on notes receivable from participants	$ 2,691

5. FAIR VALUE MEASUREMENTS

The following tables summarize the Plan's investments measured at fair value on a recurring basis, categorized by U.S. GAAP's valuation hierarchy as of December 31, 2020 and 2019:

Description	Total at December 31, 2020	Level 1	Level 2	Level 3
Investments in fair value hierarchy	$ -	$ -	$ -	$ -
Investments measured at NAV [1]	12,306,562			
Investments at fair value	$ 12,306,562			

Description	Total at December 31, 2019	Level 1	Level 2	Level 3
Investments in fair value hierarchy	$ -	$ -	$ -	$ -
Investments measured at NAV [1]	9,822,909			
Investments at fair value	$ 9,822,909			

5. FAIR VALUE MEASUREMENTS (CONTINUED)

(1) Includes pooled separate accounts which are measured at net asset value ("NAV") as a practical expedient and are not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the statements of net assets available for benefits. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

There has been no change in the methodology used at December 31, 2020 and 2019. The following is a description of the valuation methodology used for assets measured at fair value.

Pooled separate accounts are valued at the NAV per unit as reported by the sponsor of the collective trust funds and are derived from the exchange where the underlying securities are generally traded and redeemable daily. The units of the pooled separate accounts are determined at the close of each business day and are adjusted for dividends or distributions received by the Custodian and the daily equivalent of any fees charged.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

6. NET ASSET VALUE PER SHARE

The following tables set forth a summary of the Plan's investments with a reported NAV per share at December 31, 2020 and 2019:

	Fair Value Estimated Using Net Asset Value per Share at December 31, 2020

7. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Additionally, certain administrative expenses are paid directly by the Plan Sponsor.

Plan investments are invested in pooled separate accounts managed by the Custodian. Accordingly, these transactions qualify as party-in-interest transactions.

8. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer discretionary contributions and would be entitled to the entire amount of their account balance.

9. TAX STATUS

The Plan uses a prototype non-standardized 401(k) profit-sharing plan document sponsored by its third-party administrator, which received an opinion letter from the Internal Revenue Service ("IRS"), dated April 10, 2014, and states that the non-standardized 401(k) profit-sharing plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.
