Fee and Compensation Disclosure Report

Please refer to the plan's ERISA Section 408(b)(2) Disclosure materials, including the 408(b)(2) Disclosure Statement(s), Investment Option Disclosure(s), Service Agreement and Contract Amendments and 408(b)(2) Disclosure Statement Change Notices (the "408(b)(2) Disclosure Materials") previously delivered to you. You can also access copies of your 408(b)(2) Disclosure Materials through your MassMutual plan sponsor portal or you can contact your account manager for assistance.

The 408(b)(2) Disclosure Materials and this document, together, can assist a plan administrator ("you") in completing the Form 5500 Schedule C[1] by identifying different types of services and the different types of compensation paid with respect to the product utilized by your plan.

As permitted under the Schedule C rules, compensation is disclosed in the attached report as an actual dollar amount, an estimate or a formula or rate.

- Where an actual dollar amount of compensation is disclosed, no further notation regarding compensation calculations is generally provided.
- Where an estimate of the compensation amount is disclosed, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount.
- Where a formula or rate is provided to report compensation, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount. This formula or rate may be disclosed to describe the compensation to which it applies under the Schedule C rules. Alternatively, for purposes of Schedule C disclosure or in connection with your fiduciary review of the compensation paid with respect to the services, products and investment options utilized by the plan, you may calculate and disclose an actual or estimated dollar amount by multiplying the rate by the total assets to which it applies.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2020 - 12/31/2020 and indirect compensation is presented on a calendar year basis ending 12/31/2020.

This report includes compensation actually paid to or by MassMutual within the indicated plan year as part of your MassMutual-serviced product. *(Note: If the plan year period or plan year end indicated in this Schedule C reporting package is incorrect, please notify your MassMutual customer service representative immediately).* This report does not include amounts deducted from plan assets and paid to third parties (other than MassMutual). In addition, the report does not include compensation related to investments held by the plan that are not serviced on our recordkeeping system. You should contact your other service providers for reportable compensation information. You may also receive information on the compensation reported here from other service providers as is described below.

Please note that we have provided suggested service codes (based on the information in our records) with respect to services provided through our product. Please review all Schedule C and other Form 5500 materials with your experienced benefits counsel and other professionals to determine the most appropriate codes for your plan. In addition, please note that because plans with fewer than 100 participants (as of the beginning of the plan year) are generally not required to file Schedule C, you should refer to the instructions provided by the IRS for Schedule C and/or review the applicability of Schedule C to your plan with your experienced tax/benefits counsel, to determine whether it is necessary for the plan to report the information contemplated by this report.

Please contact your MassMutual Service Team should you require additional information regarding the compensation paid to or by MassMutual with respect to your plan.

*****

Information provided in this document and related materials we provide are not intended to be and shall not be deemed tax advice, tax form preparation services, legal advice, advice to plans regarding compliance with ERISA reporting compliance, or accounting or other professional services. As described above, the information contained in this report may not cover all of the compensation received by the plan's service providers. We strongly encourage you to review all Schedule C and other Form 5500 materials with experienced benefits counsel and other professionals.

[1]Please refer to the Schedule C of the Form 5500 and its instructions (available at: http://www.dol.gov/ebsa/5500main.html), and please confer with experienced benefits counsel and other professionals, to determine the applicability of Schedule C to your plan.

Indirect Compensation

Float compensation **$0.47**

Bank accounts and investments associated with short-term investment pool

This is an estimate based on the annual average rate of float (0.114% for 2020) earned on the bank accounts and investments associated with the short-term investment pool for the 2020 calendar year multiplied by an estimate of the assets related to uncashed checks.* This estimate does not include float earned for any other reason (e.g., if amounts remitted cannot be immediately invested because they are not in good order). Please review or request a copy of the current float disclosure for more information about the other circumstances in which float is earned.

* A complete listing of distribution checks that remain outstanding for your plan is available on the Retirement Plan Access web site under the Standard Reports section (Report R03998-Outstanding Distribution Checks). Uncashed check assets will continue to remain in a float-earning bank account until such time direction is received from the Plan Sponsor, subject to applicable regulation. The Plan Sponsor should consult with the Plan's/Plan Sponsor's tax advisor or benefits counsel to determine if assets attributable to uncashed checks should be included on the Form 5500 filing.

Non Monetary Compensation

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. Transactions generating nonmonetary compensation may include gifts, gratuities, or certain types of in-kind benefits. In addition, if applicable to the plan, MassMutual agents may qualify for certain forms of non-monetary compensation as a result of the sale of MassMutual contracts. These forms of non-monetary compensation include health, vision, life and disability coverage; matching contributions to 401(k) plans; cash balance and nonqualified pension plan contributions; participation at MassMutual-sponsored conferences based on recognition; and other non-monetary compensation (meals, entertainment, prizes, awards, gifts). If applicable, each plan in the agent's book of business is allocated compensation based on a pro rata basis using the number of plans representing the agent's book of business as of 12/31/2020.Information concerning reportable transactions undertaken between or among non-MassMutual parties may not be available to MassMutual. Please consult with your legal or tax advisors if you have any questions.

Under the variable investment options available through your plan's group annuity contract or funding agreement, contract values are invested in insurance company separate accounts that, in turn, invest in underlying registered investment companies (i.e., mutual funds) and collective investment funds.

The above list includes any investment option held by the plan on at least one month end during the 2020 calendar year. To arrive at an estimate of the dollar amount that MassMutual received from each investment option, multiply the rate of fees received from each investment option by your plan's year-end balance (or if the investment option was liquidated prior to year end, the balance on the liquidation date) and, if applicable, the per participant fee by the number of participants in the investment option at year end (or the liquidation date if earlier). This will be an estimate because your plan's balance and number of participants will vary over the course of the year, so the year-end balance and number of participants may be higher or lower than the daily balance. In addition, these fees are calculated on a daily basis.

Dear Plan Administrator:

INFORMATION AND SUGGESTIONS FOR COMPLETING SCHEDULE C OF YOUR ANNUAL FORM 5500 REPORT FILING

John Hancock Life Insurance Company (U.S.A.) ("John Hancock") is pleased to supply you with information that will assist you in completing Form 5500 Schedule C.

Who must file?

Schedule C information must generally be filed by large plans to report certain persons who received direct or indirect compensation in connection with services rendered to the plan or to report the person's position with the plan during the plan year.

Some plans may be exempt from completing or filing Schedule C information. To determine if this applies to your plan, please refer to the IRS Instructions for Form 5500, which can be accessed at www.dol.gov/ebsa.

If you have determined that you must file, we recommend that you seek professional assistance with your Annual Form 5500 Reporting.

When to file?

If you determine that you are required to file, the Schedule C Information must be filed with the Employee Benefits Security Administration (EBSA) as part of your Form 5500 Package.

What information is in the attached report?

The attached report (Section 1), in conjunction with the Schedule A report, reflects:

- **All reportable fees and compensation received by John Hancock in relation to your plan's John Hancock group annuity contract during the contract reporting year. If the activity reflected on this statement is for a period other then your plan year, the attached information must be retained and reflected on the Schedule C Form filed for the plan year in which the contract reporting year ended. This Schedule C information is reported on a Cash Basis.**

  Please note that amounts that had been paid from the contract directly to the plan trustee and which were subsequently used by the trustee to pay another service provider are not included in the report. In addition, if other payments were made to these providers from assets not held in your group annuity contract, you will have to obtain supplementary information from these providers to complete your Schedule C reporting.

- **Direct compensation received by John Hancock, listed using a dollar value.**

- **Eligible indirect compensation received by John Hancock is listed using a service code. As the DOL allows financial institutions to utilize the alternative reporting method when disclosing indirect compensation on the Schedule C report, John Hancock has elected to reflect eligible indirect compensation on a service code basis rather than a dollar amount.**

  IMPORTANT:
  Even though service codes, and not dollar amounts, are used to report eligible indirect compensation, a plan that is required to file a Schedule C should still complete the Service provider Information section of this schedule. John Hancock must always be reported on the plan's Schedule C as it is considered a 'key service provider'.

The attached report (Section 2) also reflects:

- **Fees Earned by Registered Investment Advisor, listed using a dollar value.**

As you are aware, John Hancock provides a Schedule A report that discloses, among other things, the fees or compensation paid to other service providers excluding RIA Fees under the John Hancock group annuity contract reported such compensation on Schedule A, you are not required to report it again on Schedule C.

This report has been produced to the best of our knowledge from records maintained by John Hancock, based on information provided by or on behalf of the plan sponsor. While every effort has been made to ensure its accuracy, we ask you to review it carefully upon receipt. If you find any discrepancy, please contact your Client Account Representative immediately.

For further assistance, including additional information on the services or codes listed and disclosures related to indirect compensation (including eligible indirect compensation) reported herein, please see the Frequently Asked Questions booklet of our annual Audit Package, posted under Your Resources-Fiduciary Resources at www.jhpensions.com/er.

If you have any questions, please contact your Client Account Representative at 1-800-333-0963.
