The Plan is a defined-contribution plan sponsored by Baker Construction Enterprises Inc. (Company) for the benefit of its employees who have met certain age and service requirements and are not represented by a collective bargaining agreement. Related employers who also participate in the Plan include Baker Concrete Construction, Inc., Baker DC, LLC, Baker Group Enterprises, LLC, Baker Equipment and Materials, LTD (BEAM), Baker International GP, Inc., Baker Pacific, LLC, Baker Construction International L.P., Baker Canada Holdings ULC, DL Baker Construction Canada ULC, Dugan and Meyers, LLC, Baker Concrete Structures, LLC, Briegan Concrete, LLC, Miller Builders, LLC, Lithko Restoration Technologies, LLC, Baker Gulf Coast Industrial, LLC, Dugan & Meyers Industrial, LLC, TWC Concrete, LLC, and BCE Deep Foundations, LLC. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). BMO Harris Bank, N.A. is the trustee of the Plan, and OneAmerica Financial Partners, Inc. is the recordkeeper of the Plan.

Effective June 2020, the Plan was amended to include BCE Deep Foundations, LLC.

During 2020, the Company purchased substantially all of the assets of TWC Concrete, LLC. As part of this acquisition, employees of TWC Concrete, LLC were considered eligible employees on the date of acquisition. These employees were permitted to roll their existing balances into the Baker Companies 401(k) Plan.

During 2020, BEAM purchased substantially all of the assets of Cherokee Pumping of Florida, LLC and Ramcrete, Inc. Employees of these two companies became employees of BEAM and were eligible to participate in the Plan as of the acquisition date.

Contributions

The Plan permits eligible employees, through a salary deferral election, to have the Company make annual contributions of up to the maximum permitted by law. Employee rollover contributions are also permitted. The Company made matching contributions of 100% of employees' salary deferral amounts of the first 3%, plus 50% of the next 2% in 2020 and 2019. Company profit-sharing contributions are discretionary as determined by the Company's Board of Directors. No such discretionary contributions were made for the years ended December 31, 2020 and 2019. Contributions are subject to certain limitations.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing his or her contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution and Plan earnings and is charged with an allocation of administrative expenses.

Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and in the Company's matching contributions plus earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested in the Company's discretionary contributions after five years of continuous service. The nonvested balance is forfeited upon termination of service. The Company will designate how forfeitures occurring during a Plan year will be treated (either reducing employer contribution or offsetting Plan expenses).

Payment of Benefits

Upon termination of service due to death, disability or retirement, an employee may elect to receive either a lump-sum amount equal to the value of his or her account or annual installments over a 5 to 15 year period. For termination of services for other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum.

In March 2020, the Company implemented *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for coronavirus-related distributions (CRD). Through December 30, 2020, qualified participants are permitted to take a CRD of up to $100,000 from the Plan. Participants who take a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Notes Receivable From Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant demonstrating a qualifying need. The minimum amount of a loan shall be $1,000. The maximum amount of a participant's loans is determined by the available loan balance restricted to the lesser of $50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on local prevailing rates as determined by the Plan Administrator.

In March 2020, the Company adopted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of $100,000 or 100 percent of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued from March 27, 2020 through September 22, 2020. The one-year suspension of loan repayments applies to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans will be re-amortized over the remaining period of the loans, plus the suspension period.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end.

The Stable Value Fund is solely invested in the Wells Fargo Stable Return Fund J. This fund is a commingled pool of the Wells Fargo Trust for Employee Benefit Plans. The fund may invest in fixed-interest insurance investment contracts, money market funds, corporate and government bonds, mortgage-backed securities, bond funds and other fixed-income securities.

The Plan's interests in this fund is valued based on information reported by the investment advisor using the audited financial statements of the stable value fund at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Plan Tax Status

The Plan was created and operates in connection with a volume submitter 401(k) profit-sharing plan and trust sponsored by OneAmerica Financial Partners, Inc. This volume submitter plan document has been filed with the appropriate agency and obtained a determination letter dated September 24, 2015 from the Internal Revenue Service stating that the volume submitter plan constituted a qualified plan under Section 401 of the Internal Revenue Code. The Plan Document has been amended since the volume submitter plan received the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3: Certification of Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, BMO Harris Bank N.A., the trustee of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown in the statement of net assets available for benefits as of December 31, 2020 and 2019
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2020 and 2019
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at year end) as of December 31, 2020

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

Note 4: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Plan invests in certain funds of the Plan trustee and affiliated companies and at times maintains a cash reserve account with this trustee. These transactions qualify as party-in-interest transactions. The Plan paid $200,026 and $238,886 to BMO Retirement Services, trustee's affiliate, during 2020 and 2019, respectively. The Company provides certain administrative services at no cost to the Plan.

Note 5: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2020 and 2019:

		December 31, 2020 Fair Value Measurements Using		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Money market fund	$ 134,137	$ 134,137	$ -	$ -
Mutual funds	106,841,289	106,841,289	-	-
Stable value fund	14,041,036	-	14,041,036	-
	$ 121,016,462	$ 106,975,426	$ 14,041,036	$ -

	December 31, 2019 Fair Value Measurements Using			
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Money market fund	$ 46,459	$ 46,459	$ -	$ -
Mutual funds	87,102,750	87,102,750	-	-
Stable value fund	13,591,325	-	13,591,325	-
	$ 100,740,534	$ 87,149,209	$ 13,591,325	$ -

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2020 and 2019. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include mutual funds and a money market fund. If quoted market prices are not available, then fair values are estimated by using pricing models, quoted prices of securities with similar characteristics or discounted cash flows. Level 2 securities include the stable value fund, which is valued based upon the quoted market prices of the underlying investments.

Money market fund: Valued at quoted market prices in active markets.

Mutual funds: Valued at quoted market prices in active markets.

Stable value fund: Valued at the net asset value (NAV) as reported by the fund daily. The NAV is based on the value of the underlying assets owned by the trust, minus its liabilities and then divided by the number of shares outstanding. The NAV is classified within Level 2 of the valuation hierarchy because the NAV's unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market.

Note 6: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2020 and 2019, to Form 5500:

	2020	2019
Net assets available for benefits per the financial statements	$ 123,540,661	$ 103,177,660
Deemed distributions of participant loans	(44,634)	(44,634)
Net assets available for benefits per Form 5500	$ 123,496,027	$ 103,133,026

Note 7: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

The outbreak of the novel coronavirus COVID-19, which was declared a pandemic by the World Health Organization on March 11, 2020, has led to adverse impacts on the U.S. and global economies. Economic uncertainties have arisen, which have resulted in significant volatility in the investment markets and may continue to impact the value of Plan assets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Note 8: Nonexempt Transactions

Defined-contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. While the Company remitted all employee contributions to the Plan, contributions of $743 were not remitted within the required time period for the year ended December 31, 2019.

Note 9: Subsequent Events

Effective August 2021, Fidelity Management Trust Company became the trustee of the Plan.

Subsequent events have been evaluated through September 28, 2021, which is the date the financial statements were available to be issued.
