MUNICH RE U.S. SAVINGS PLAN

Notes to Financial Statements

December 31, 2020 and 2019

(1) Description of Plan

The following description of the Munich Re U.S. Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a participant directed, defined contribution plan for which Munich Reinsurance America, Inc. is the plan sponsor and plan administrator, as those terms are defined in the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is available to all eligible employees of Munich Reinsurance America, Inc. (the Company), and participating affiliated companies who have one month of service, as defined, and are age 18 or older. The Plan is subject to the provisions of ERISA. The Plan's assets are administered by the Company and the trustee, Vanguard Fiduciary Trust Company (Vanguard).

(b) Contributions

Plan participants may elect to make pre-tax and/or Roth (after-tax) contributions of up to 50% of annual base salary, as defined in the Plan's provisions. Effective January 2020, if an active election is not made to either participate in the Plan or opt out, newly eligible employees are automatically enrolled into the Plan at a pre-tax deferral rate of 3%. The maximum amount of deferral contributions that may be made each plan year is set by the Internal Revenue Service (IRS) and was \$19,500 for 2020 and \$19,000 for 2019.

The Company and affiliated companies (the Employer(s)) make matching contributions of up to 100% of the participant's contributions, up to 5% of compensation for each pay period, as defined in the Plan's provisions. The Employers make additional contributions based on age and eligible compensation. The amount of the contribution is based on a percentage of an eligible employee's base pay and eligible bonuses. These additional employer contributions begin once an eligible employee has attained one year of service.

All employees who are otherwise eligible to make deferral contributions, and who have attained age 50 before the close of the Plan year, are eligible to make catch-up contributions as defined by the Plan and certain IRS regulations.

Participants may elect to have contributions invested in any of the investment options offered by the Plan. Participants may change their investment selections and the investment of current contributions at any time.

The Employers may on occasion make additional contributions to the Plan in order to pass non-discrimination or other testing of the Plan or any other permissively aggregated plan.

(c) Participants' Accounts

The participant record keeping services are provided by Vanguard. Each participant's account is credited with the participant's contributions, the Employer's contributions, and an allocation of investment fund earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

MUNICH RE U.S. SAVINGS PLAN

Notes to Financial Statements

December 31, 2020 and 2019

(d) *Vesting*

Participants are immediately 100% vested in their contributions and the Employer's matching contributions and earnings or losses thereon. Participants are vested in the additional age-weighted contributions made after having three years of service.

Any Employer contributions forfeited may be used to reduce future Employer contributions after meeting break-in-service requirements. The amount of forfeitures used to reduce employer contributions in 2020 and 2019 were \$1,085,233 and \$366,907 respectively. The amount of unused forfeitures available to offset future contributions were \$77,208 and \$586,303 at December 31, 2020 and 2019, respectively.

(e) *Notes Receivable from Participants*

Plan participants may borrow from their fund accounts up to the lesser of 50% of their vested account balance, excluding employer age-weighted contributions, or \$50,000, reduced by the highest outstanding balance of the participant's loans, as calculated per the Plan. Loan terms range from one to five years for general-purpose loans or up to 20 years for the purchase of a primary residence. Certain home loans of up to 30 years were rolled over from one Employer's previous plan. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime interest rate on the last business day of the month prior to the month in which the loan is taken. Principal and interest are paid ratably through payroll deductions. Defaulted loans are charged against the participant's account as a taxable withdrawal. The interest rates on the participant loans at December 31, 2020 and 2019 ranged from 3.25% to 10.0%. Participants may have up to one general-purpose loan outstanding and one primary residence loan outstanding at any time. Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest, which approximates fair value.

(f) *Payment of Benefits*

Upon termination of service due to retirement, disability, or other severance of employment, participants receive a lump sum amount equal to the value of their account. Participants whose total account value exceeds \$1,000 may elect to defer distribution as permitted by regulations.

A participant may also take a withdrawal due to a hardship. Amounts available for a hardship withdrawal consist of all or part of the participants deferral contributions (excluding earnings) made to the Plan. Hardship generally means the participant has no other sources of funds available.

(g) *Administrative Expenses*

Plan participants pay a fee of \$56 per annum for recordkeeping and information management services. Participants may also receive investment management or advisory services from Vanguard for which an additional fee is paid.

Fund management and operating expenses are paid from mutual fund and trust investments and are included in the funds' expense ratios and reflected in investment income. Other expenses of administering the Plan are paid by the Company.

MUNICH RE U.S. SAVINGS PLAN

Notes to Financial Statements

December 31, 2020 and 2019

(h) COVID-19

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act). The CARES Act provides a waiver with regards to required minimum distributions that otherwise would have been required to be paid in 2020. The CARES Act also allows the Plan the option to permit certain eligible individuals to receive coronavirus-related relief for certain scheduled loan repayments. The Plan has elected to provide this option to such eligible individuals. There are other optional features within the CARES Act that the Plan does not currently intend to implement. Of note, the SECURE Act changed, effective in year 2020, the age used in determining when required minimum distributions must commence from 70 ½ years of age to 72 years of age. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

(i) Subsequent Events

There were no subsequent events requiring adjustment to the financial statements or disclosure through September 27, 2021, the date that the Plan's financial statements were available to be issued.

(2) Summary of Accounting Policies

(a) Basis of Presentation

The accompanying financial statements have been prepared on an accrual basis of accounting in conformity with U.S. generally accepted accounting principles (U.S. GAAP).

(b) Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates and assumptions.

(c) Payment of Benefits

Benefit payments are recorded upon distribution.

(d) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. All shares of registered investment companies (mutual funds) are valued at quoted market prices. Shares of a common and collective trust are stated at fair value, which represents the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan and are valued at quoted market price. Cash equivalents are recorded at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

MUNICH RE U.S. SAVINGS PLAN

Notes to Financial Statements

December 31, 2020 and 2019

(3) Fair Value Measurements

The fair value hierarchy established by, U.S. GAAP, prioritizes valuation technique inputs to measure fair value into three levels. The level in the fair value hierarchy within which the fair value measurement falls is determined based on the lowest level input that is significant to the fair value measurement. Investments recorded at fair value are categorized as follows:

Level 1 – Unadjusted quoted prices accessible in active markets for identical assets or liabilities at the measurement date. A market is considered active if: (i) pricing information is obtained from exchange traded securities, (ii) the securities are actively traded, and (iii) current pricing is available. The Plan's investments in actively traded mutual funds are measured using Level 1 valuations.

Level 2 - Unadjusted quoted prices for similar assets or liabilities in active markets or inputs, other than quoted prices, that are observable or that are derived principally from, or corroborated by, observable market data through correlation or other means. The Plan holds no investments measured using Level 2 valuations.

Level 3 - Prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. The Plan holds no investments measured using Level 3 valuations.

See note 2(d) for further information regarding the Plan's investment valuations. The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019, and there were no transfers between levels during the periods then ended.

(5) Risks and Uncertainties

The Plan invests in a number of investment securities consisting of a variety of mutual funds and common and collective trusts. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonable to expect that changes in the values of investment securities will occur in the near term and that such changes could materially affect the statements of net assets available for plan benefits and participant account balances.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across 27 participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

(6) Tax Status

The Plan has received a determination letter from the IRS dated March 15, 2017, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualified status. The Company believes the Plan is being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes the Plan, is qualified and the related trust and Master Trust are tax-exempt.

MUNICH RE U.S. SAVINGS PLAN

Notes to Financial Statements

December 31, 2020 and 2019

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Related Party Transactions (Parties in Interest)

Certain Plan investments including cash equivalents, common and collective trusts and shares of mutual funds were managed by the trustee during 2020 and 2019. Transactions of these investments qualify as party in interest transactions as defined by ERISA.

(8) Plan Termination

Although the Company has not expressed any intention to terminate the Plan, the Company has the right under the Plan to do so subject to the provisions of ERISA. In the event of Plan termination, or partial termination, benefits would be payable under the terms of the Plan to all participants based on their fully vested account balances.
