PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Largo Concrete, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

ELIGIBILITY AND COVERAGE

The Plan was established on January 1, 1998 and amended and restated provisions of the Plan became effective on January 1, 2019. The Plan is a defined contribution plan established under Section 401(k) of the Internal Revenue Code. The Plan covers substantially all full-time employees of Largo Concrete, Inc. ("the Plan Sponsor") who have completed three months of service from the date of hire, are credited with eighty-three (83) hours of service in each month, are age twenty-one (21) or older, and are not covered by collective bargaining agreements. Participants enter the Plan on the date they have met the eligibility requirements. Participants must complete 1,000 hours of service during the plan year and be employed on the last day of the plan year to receive employer matching and profit sharing contributions.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(a) of the Internal Revenue Code (IRC).

CONTRIBUTIONS

Participants

Participants may elect to defer a percentage of their compensation up to the maximum allowed by law. The percentage deferred is subject to an annual limit of the lessor of 100% of eligible compensation or $19,500 in 2020. Catch up contributions for participants at least 50 years of age of $6,500 per year are also allowed. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans or individual retirement accounts. Effective January 1, 2015, the Plan began allowing Roth 401(k) contributions. Total Roth contributions for the year ended December 31, 2020 was $127,960. In addition, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans ("rollover contributions").

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions in a designated balanced fund until changed by the participant.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Employer

The Plan also allows for discretionary employer matching and profit sharing contributions. The profit sharing contributions are allocated to each participant's account based on each participant's compensation and compensation in excess of the Social Security wage base (Plan is integrated with Social Security). During the year ended December 31, 2020, the Plan Sponsor made matching contributions amounting to a total of $666,244.

All contributions made on a participant's behalf are deposited in the trust and allocated among the investment funds in accordance with the participant's investment elections. A participant may elect to transfer investments from any investment fund to any other investment fund on a daily basis.

Rollovers

With the consent of the plan administrator, participants are permitted to deposit distributions received from other qualified plans ("rollovers") without incurring federal or state income taxes and penalties. Rollover contributions totaled $222,391 for the year ended December 31, 2020.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and an allocation of (i) employer contributions, if any, (ii) Plan earnings and (iii) administrative expenses. All allocations are based on participant earnings or account balances to various investment options offered by the Plan. Administrative expenses that are paid by the Plan are charged to the participants' accounts on a pro-rata basis. Administrative expenses that are attributable to a participant are charged to the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Certain fees are charged to the funds and are offset against plan investment income and losses as presented on the statement of changes in net assets available for benefits.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

VESTING

Plan participants are immediately 100% vested in salary reduction contributions, rollover contributions and actual earnings or losses thereon. Employer contributions are vested based on years of service according to the following schedule:

Years of Service	Vesting Percentage
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

FORFEITURES

Forfeitures are created when participants terminate employment before they become 100% vested in the employer contribution portion of their account balance. Forfeitures are held in a money market fund until they are used to offset employer contributions and/or plan expenses. For the years ended December 31, 2020 and 2019, there were $8,056 and $0, respectively, of forfeitures allocated to offset the employer contribution. There were no unallocated forfeitures as of December 31, 2020 and 2019.

PAYMENT OF BENEFITS

The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, disability, death, financial hardship, or termination of employment. In-service distributions are also available to those participants who are age 59 ½ or older. Participants who qualify for retirement benefits and withdrawals will receive their benefits as a lump sum in cash. The benefit to which a participant is entitled is the benefit that can be provided solely from the participant's vested account balance. Participants who separate from service and have vested account balances of $5,000 or less are subject to an administrative lump sum distribution.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $1,000 to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account, are repaid by payroll deductions in equal installments, and bear interest at rates determined when the loan is disbursed. The interest rate on loans outstanding as of December 31, 2020 range from 5.25% to 7.50% per annum. Loan terms range from approximately 9 months to 360 months. As of December 31, 2020, loan maturity dates range from January 2021 to June 2046.

CARES ACT

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted, which included provisions, which among other, provide temporary relief for those retirement plan participants affected by the coronavirus disease (COVID-19). Participants who met certain criteria could take a penalty-free hardship withdrawal, borrow from their accounts at higher limits and suspend making payment on their participant loans until 2021. During the period between March 27, 2020 and September 22, 2020, participants impacted by COVID-19 (as defined in the Plan Document) could borrow from their account up to the lesser of $100,000 or the vested account balance and could suspend loan repayment due during that period until January 2021.

The CARES Act also removed the 10% early withdrawal penalty for a coronavirus-related distribution up to $100,000 made during 2020. Participants who took a coronavirus-related distribution could spread the income over a three-year period for income tax purposes or avoid income taxes if the distribution is repaid within the three-year period following the distribution. The voluntary adoption of this provision by the Plan was effective March 27, 2020. As of December 31, 2020, the Plan had not been formally amended, as a formal amendment is not required until the plan year ended December 31, 2022. The Plan intends to formally adopt the amendment upon a future restatement of the Plan, prior to this date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

USE OF ESTIMATES

The preparation of financial statements in conformity with US GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results may differ from those estimates.

RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks, such as variable interest rates and market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENTS OF BENEFITS

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants in March 2021. Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan may be paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Investment information in the financial statements and supplementary schedule was certified to be complete and accurate by Charles Schwab Bank, the custodian of the Plan, within the meaning of 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan administrator instructed the Plan's independent auditors not to perform auditing procedures with respect to the information certified by the custodian.

The following investment information certified by the custodian is unaudited:

- All amounts included as investments in the statements of net assets available for benefits as of December 31, 2020 and 2019.

- Investment income and net depreciation in fair value of investment amounts included in the statement of changes in net assets available for benefits for the year ended December 31, 2020.

- All amounts included as notes receivable from participants in the statements of net assets available for benefits as of December 31, 2020 and 2019.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN (CONTINUED)

- Interest income from notes receivable from participants amounts included in the statement of changes in net assets available for benefits for the year ended December 31, 2020.

- All amounts included as investments and notes receivable from participants in the supplementary schedule of assets (held at end of year) as of December 31, 2020.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs and use of judgment.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

MUTUAL FUNDS (LEVEL 1) – These investments are public investment vehicles valued using the Net Asset Value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

INTEREST-BEARING CASH: Valued based on yield currently available on comparable accounts.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

	Fair Value Measurements as of December 31 , 2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 13,919,456	$ --	$ --	$ 13,919,456
Interest-Bearing Cash	127,513	--	--	127,513
Investments at Fair Value	$ 14,046,969	$ --	$ --	$ 14,046,969

	Fair Value Measurements as of December 31 , 2019			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 9,248,354	$ --	$ --	$ 9,248,354
Interest-Bearing Cash	334,802	--	--	334,802
Investments at Fair Value	$ 9,583,156	$ --	$ --	$ 9,583,156

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

For the year ended December 31, 2020, there were no significant transfers between levels 1 and 2, and no transfers in or out of Level 3.

NOTE 5 - RELATED PARTY TRANSACTIONS

Certain plan investments are managed by Charles Schwab Bank, the custodian of the Plan. Transactions relating to these investments qualify as party-in-interest transactions. Transactions involving participant loans also qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments, as they are paid through revenue sharing, rather than direct payment. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants' rights to their accrued benefits are non-forfeitable.

NOTE 7 - INCOME TAX STATUS

The Plan has adopted the provisions of a volume submitter 401(k) Plan. The Plan obtained its latest opinion letter from the Internal Revenue Service dated March 31, 2014, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2020. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan administrator and the custodian intend to amend the Plan on a timely basis to comply with all applicable, recently adopted tax laws and regulations.

NOTE 7 - INCOME TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of American require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 4, 2021, the date the financial statements were available to be issued. Other than events disclosed below, the Plan did not identify any subsequent events that require recognition or disclosure in these financial statements.
