Note 1 – Description of the Plan

The Veritas Management Group 401(k) Plan (the "Plan") was established March 1, 2016. The following is a brief general description of the Plan. Participants and all others should refer to the Plan document for a complete description of the Plan's provisions.

General. The Plan is a defined contribution plan established by Veritas Management Group, LLC (the "Company," "Employer" or "Plan Sponsor") under the provisions of 401(a) of the Internal Revenue Code ("IRC"). The Plan is generally available to all the employees of the Company and Adopting Employers (collectively, the "Employer"). The Plan's Adopting Employers are The Center at Centennial, LLC; The Center at Cordera, LLC; The Center at Lincoln, LLC; The Center at Arrowhead, LLC; The Center at Northridge, LLC; The Center at Lowery, LLC; The Center at Val Vista, LLC; The Center at Foresight, LLC; The Center at Park West, LLC; The Center at Grande, LLC; The Center at Eden Hill, LLC; The Center at Tucson, LLC, The Center at Waterfront, The Center at Centerplace, The Center at Parmer, LLC, The Center at Rock Creek, LLC and CenterCare Hospice. In order to be eligible to participate in the Plan an employee must be age 21 years or older and complete two months of service. Employees may enter the Plan the first of the month coincident with or after meeting the Plan's eligibility requirements. The Plan excludes employees who are residents of Puerto Rico and nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Benefits under the Plan are not guaranteed by the Pension Benefit Guaranty Corporation.

Change in Plan Service Providers. Effective April 1, 2020 AdvisorTrust, Inc. and PCS were removed as the Plan's trustee and recordkeeper and Reliance Trust Company and Standard Retirement Services were appointed the Plan's new custodian and recordkeeper. In connection with this change in the Plan's service providers, the following:

- The Plan document was amended and restated;
- The Plan's investments were liquidated and transferred from AdvisorTrust, Inc. to Reliance Trust Company; and
- A blackout period commenced on April 15, 2020 and ended the week of May 11, 2020.

Plan Amendments. Effective January 1, 2020, the Plan document was amended to adopt the new 401(k) hardship withdrawal rules based on the Bipartisan Budget Act of 2018 and the IRS's proposed regulations.

Effective February 1, 2020, the Plan document was amended and restated to add The Center at Parmer, LLC and The Center at Rock Creek, LLC as Adopting Employers.

Effective September 1, 2020, the Plan document was amended to add Center Care Hospice as an Adopting Employer.

During 2020, the Plan's distribution and loan provisions were amended in accordance with the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") as follows:

- A CARES Act distribution allows the Plan's eligible participants to take a Coronavirus-related distribution ("CRD") up to $100,000 from the Plan through December 31, 2020.

Note 1 – Description of the Plan (continued)

- The maximum dollar amount available for participant loans is the lesser of $100,000 or 100% of a participant's vested account balance for eligible individuals, as defined, who meet the requirements for CRDs. Such increase in the maximum loan amount will remain in effect through September 22, 2020.
- Any loan repayments due between March 27, 2020 and December 31, 2020 may be suspended for up to one year for eligible individuals, as defined, who meet the requirements for CRDs.
- The payment of 2020 and certain 2019 required minimum distributions ("RMDs") were suspended.

Contributions. The following types of contributions are allowable under the Plan:

- Salary Deferral Contributions – Participants may contribute a percentage of their pre-tax compensation, as defined in the Plan document, subject to limitations. Additionally, participants may contribute a percentage of their after-tax compensation and designate it as a Roth deferral contribution. A participant's total salary deferral contribution cannot exceed $19,500 ($26,000 if age 50 or older) in 2020.

- Employer Matching Contributions – The Employer makes matching contributions each payroll period to eligible participants equal to 100% of salary deferral contributions up to the first 3% of compensation, plus 50% of salary deferral contributions up to the next 2% of compensation.

- Rollover Contributions - Amounts distributed to participants from other qualified employee benefit plans may be rolled into the Plan.

All contributions are allocated to the Plan's investment funds at the direction of the participants.

The total annual additions to a participant's account may not exceed the lesser of $57,000 in calendar year 2020, or 100% of the participant's compensation, as defined.

Participant Accounts. Each participant's account is credited with the participant's contributions (salary deferral and rollovers, if any) and an allocation of (a) the Employer's matching contribution, (b) fund earnings or losses, and (c) administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting. Participants are vested immediately in their salary deferral contributions, rollover contributions, and related earnings thereon. Vesting in Employer matching contributions occurs according to the following schedule:

Years of Service	Vested Percentage
Less than 1 year	0%
1 year but less than 2 years	20%
2 years but less than 3 years	40%
3 years but less than 4 years	60%
4 years but less than 5 years	80%
5 or more years	100%

Note 1 – Description of the Plan (continued)

Furthermore, employed participants become 100% vested in their Employer contribution portion of their accounts upon the following events:

- Participant's death
- Participant's total and permanent disability

Forfeitures and Unallocated Asset Accounts. When certain terminations of participation in the Plan occur, the non-vested portion represents a forfeiture. Forfeitures are used to reinstate participant's accounts, used to pay administrative expenses of the Plan, or used to reduce Employer matching contributions. The Plan also maintains an unallocated asset account. During 2020, forfeitures of $43,116 were used to pay administrative expenses of the Plan. As of December 31, 2020 and 2019, the balance in the unutilized forfeited non-vested accounts and unallocated asset accounts totaled $60,012 and $45,652, respectively.

Investments. Participants may direct their investments into various mutual funds, common collective trusts, and an unallocated insurance contract.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of $1,000. The maximum loan is the lesser of (i) $50,000 minus the highest loan balance in the previous 12-month period, or (ii) 50% of their vested account balance. Loan terms range up to a maximum of 5 years (a longer term, up to 10 years, is available if used for the purchase of a principal residence). The loans are secured by the balance in the participant's account and bear interest at a reasonable rate commensurate with local prevailing rates as determined by the Plan administrator at the date the loan is granted. Principal and interest payments are paid ratably through payroll deductions.

Payment of Benefits. Benefits to participants or beneficiaries generally are payable as a lump sum, substantially equal installments, or partial withdrawals equal to the value of their vested account balance upon retirement, disability, death or termination of the participant. Participants may also elect to rollover their account balance into another qualified retirement plan or Individual Retirement Account. Additionally, participants may request in-service withdrawals of their rollover contributions account, upon attainment of age 59½, and in the event of a financial hardship, as defined in the Plan document, if certain criteria are met.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting. The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2 – Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition . The Plan's investments are stated at fair value, except for the Plan's investment in an unallocated insurance contract which is stated at contract value (see Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Administrative expenses paid by the Plan also include fees paid for accounting, contract administrator, recordkeeping, consulting, investment advisory, investment management, distribution, and other fees. Certain investment related expenses are included in net appreciation in fair value of investments.

Benefit Payments. Benefits are recorded when paid.

Excess Contributions Payable. Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Code ("IRC") are recorded as a liability and corresponding expense. The Plan distributes the excess contributions to applicable participants after the Plan's year end.

New Accounting Pronouncement. In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*, which amends Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures* to add, remove, and modify fair value measurement disclosure requirements. The amendments in ASU 2018-13 are effective for fiscal years beginning after December 15, 2019. Certain amendments in ASU 2018-13 are applied prospectively and all others are applied retrospectively. During 2020, Plan management adopted ASU 2018-13.

Note 3 – Fair Value Measurements

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2020 and 2019. The following is a description of the valuation methodologies used for assets measured at fair value:

- Mutual funds are valued at the quoted net asset value (“NAV”) of shares held by the Plan at year end;

- The common collective trusts ("CCTs") are valued at the NAV of units held by the Plan at year end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less their liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

- Money market deposit accounts are valued at amortized cost;

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3 – Fair Value Measurements (continued)

The following tables set forth by level, within the fair value hierarchy ("FV Hierarchy"), the Plan's assets at fair value as of December 31, 2020 and 2019:

	Fair Value Measurements at December 31, 2020			
	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total

(a) Various target date retirement investment strategies for participants who have already retired or expect to retire in years 2015-2060.

Note 4 – Investment Contract with Insurance Company

In 2020, the Plan entered into a traditional benefit-responsive investment contract, the Standard Stable Asset C, with the Standard Insurance Company ("Standard"). Standard maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive criteria and, therefore, is reported at contract value. Contract value is the relevant measurement attribute for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Standard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2020 and 2019, was $89,571 and $0, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply.

The Standard may terminate the contract with 30 days advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least $25,000, plan disqualification, and failure to adopt the plan in a reasonable period of time. Upon termination by the Standard, a market value adjustment or other withdrawal restrictions may apply.

The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Note 5 – Certified Information

The Plan Administrator has elected the method of annual reporting and compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee and custodian of the Plan have certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments and non-interest bearing cash, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2020 and 2019;

Note 5 – Certified Information (continued)

- Notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2020 and 2019;
- Investment amounts, as shown in Notes 3 and 4;
- Investment income, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2020;
- Interest income on notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2020; and
- The asset information presented in the Schedule of Assets (Held at End of Year) as of December 31, 2020, as shown in the supplemental schedules.

The Plan's independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedules.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination or partial termination, affected participants will become 100% vested in their accounts.

Note 7 – Tax Status

The Plan sponsor has adopted a Standard Retirement Services, Inc. Volume Submitter Profit Sharing Plan Document ("volume submitter plan"). The volume submitter plan received an advisory letter from the IRS on March 31, 2014, which stated that the volume submitter plan is qualified under the applicable sections of the Internal Revenue Code ("IRC"). Although the volume submitter plan and the Plan have been amended since receiving the IRS advisory letter, the Plan sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan sponsor believes that the Plan is qualified under Section 401(a) of the IRC and the related Trust is tax exempt as of December 31, 2020 and 2019. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Party-In-Interest Transactions

The Company provides to the Plan certain accounting and administrative services for which no fees are charged.

Note 8 – Party-In-Interest Transactions (continued)

The Plan's trustee, AdvisorTrust, Inc.; the Plan's custodian, Reliance Trust Company; the Plan's recordkeepers, PCS and the Standard; the Plan's investment advisor; the Plan's auditors; the Plan's external legal counsel; the Company; and Plan participants are all parties-in-interest to the Plan. Additionally, the Plan maintains notes receivable from participants. Fees paid for services rendered by parties-in-interest were based on customary and reasonable rates for such services.

Note 9 – Nonexempt Prohibited Transactions

During 2019 and 2020, the Company had nonexempt prohibited transactions related to participant contributions and loan repayments not remitted to the trust in a timely manner as listed in the aggregate on Schedule H, Line 4a: Schedule of Delinquent Participant Contributions. The principal amount of the late contributions and loan repayments have been remitted to the Plan's trust. The Company corrected the 2019 late contributions and a portion of the 2020 late contributions by remitting lost earnings into the Plan's trust in September 2020. The Company intends to correct the remaining 2020 late contributions by remitting lost earnings into the Plan's trust as soon as administratively feasible.

Note 10 – Concentrations, Risks, and Uncertainties

The Plan currently provides for various investment options in mutual funds, common collective trusts, and an unallocated insurance contract. Investment securities, in general, are exposed to various risks, such as significant world events, interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts presented in the statements of net assets available for benefits. As of December 31, 2020 and 2019, there were five and two investments, respectively, which individually represented more than 10% of net assets available for Plan benefits. See supplemental Schedule of Assets (Held at End of Year) for a complete listing of investments held at December 31, 2020.

Additionally, some investments held by the Plan are invested in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

Note 11 – Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 21, 2021, which is the date the financial statements were available to be issued.

Note 11 – Subsequent Events (continued)

Effective June 1, 2021, the Plan document was amended to change the Plan's name to the Center 401(k) Plan. Additionally, Coach Home Health Agency LLC and The Center at Zaragoza were added as Adopting Employers.
