Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 9, which was certified by Ascensus Trust Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2020 and December 31, 2019, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. As discussed in Note 10 to the financial statements, the Board of Directors of Tri-State Urologic Services, P.S.C., Inc., the Plan sponsor, voted in March 2021 to terminate the Plan, which indicates that the Plan is not a going concern. The financial statements do not include any adjustments that might be necessary upon termination. Our opinion is not modified with respect to that matter.

Other Matter

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

Other Matter

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. TRI-STATE UROLOGIC SERVICES, P.S.C., INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and December 31, 2019

NOTE 1 - PLAN DESCRIPTION

The following description of the Tri-State Urologic Services, P.S.C., Inc., Retirement Savings Plan (the "Plan") provides only general information. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1996 and was amended and restated on January 1, 2015. All employees of Tri-State Urologic Services, P.S.C., Inc. (the "Company") who have reached age 21 and have completed at least one year of service are eligible to participate in the Plan.

Contributions

The Plan provides for the employees of the Company to participate in a 401(k) savings plan, whereby the employees may elect to make contributions pursuant to a salary reduction agreement. Participants may contribute up to the annual maximum amount of their annual compensation not to exceed a dollar limit established by law. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may contribute to the Plan a discretionary profit sharing amount determined each year that is invested in the portfolio of investments in the same manner as the participant directed contributions.

Participant Accounts

Each participants' account is credited with the participants' contribution and allocations of the Company's contribution, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which the employee is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of service, starting at 20% after two years of service and 20% additional for each year of service thereafter.

Notes Receivable from Participants

Participants may borrow from their elective contribution, and rollover fund accounts, a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates, which are commensurate with local prevailing rates as determined by the plan administrator at the time of the loan. Principal and interest is paid ratably through monthly or bi-weekly payroll deductions.

Payment of Benefits

On termination of service, a participant will receive a distribution equal to the value of the participant's vested interest in his or her account. Also, upon attainment of the normal or early retirement age, a participant who has not terminated may request a distribution of all or part of the participant's vested account.

NOTE 1 - PLAN DESCRIPTION (Continued)

Administrative Expenses

All administrative expenses of maintaining the Plan are paid by the Company.

Forfeitures

Forfeited non-vested accounts are used to reduce employer contributions and are used in the year forfeited. The amount of forfeitures used to reduce employer contributions was \$64,685 for the year ended December 31, 2020. The balance in the forfeiture account was \$0 at December 31, 2020 and \$0 at December 31, 2019.

Plan Operations

In December 2019, the Setting Every Community Up for Retirement Enhancement ("SECURE") Act of 2019 was signed into law. The SECURE Act had provisions that were effective for years beginning after December 31, 2019 and for years beginning after December 31, 2020. The Plan implemented the SECURE Act provision that changed the age of initiation for required minimum distributions ("RMDs") from 70.5 to age 72 for all retirement accounts subject to RMDs. This change for taking a participant's first RMD from age 70.5 to age 72 affects participants who had not attained age 70 ½ by December 31, 2019. The Plan intends to implement the SECURE Act provisions that are effective for years beginning after December 31, 2020 in 2021.

In March 2020, the World Health Organization declared the novel coronavirus ("COVID-19") outbreak a global pandemic. In response to COVID-19 pandemic, on March 27, 2020, the Coronavirus Aid, Relief and Economic Security ("CARES") Act was signed into law. The CARES Act provides temporary relief for retirement plan sponsors and their participants. The provisions of the CARES Act were available to be implemented immediately.

In 2020, the Plan has implemented several of the CARES Act provisions. The Plan suspended required minimum distributions for the calendar year 2020; allowed Plan participants to take participant loans up to \$100,000; allowed participants to elect to suspend participant loan repayments for the calendar year 2020; and allowed qualified individuals to request distributions up to \$100,000 which the participant can then repay over three years or the participant can elect to have the taxes related to the distribution paid over 3 years.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America as applied to savings plans, and in accordance with the terms of the Plan agreement.

A summary of the Plan's significant accounting policies which are consistently applied in the preparation of the accompanying financial statements follows:

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting

The accompanying financial statements of the Plan are presented on the accrual basis of accounting and conform to the accounting requirements of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Adoption of New Accounting Pronouncement

In January 2016, FASB issued ASU No. 2016-01, Financial Instrument (Subject 825-10) – Overall Recognition and Measurement of Financial Assets and Liabilities. ASU No. 2016-01 amended ASC 825, Financial Instruments, which eliminates the requirements to disclose the fair value of financial instruments not recorded at fair value required under ASC 825. The ASU is effective for years beginning after December 15, 2018. ASU No. 2016-01 was adopted by the Plan on January 1, 2019 and did not have a significant impact on the Plan's financial statements.

NOTE 3 - INVESTMENTS

Latitude Retirement (formally Tri-State Plan Administration, Inc.), has been assigned the administrative function of maintaining separate accounts of the participants as provided in the Plan agreement. They have no discretionary authority or responsibility to make sales, investments or reinvestments. Under the direction of the participants, Johnson Investment Counsel, Inc. and Ascensus Trust Company invest the individual participant accounts in any or all of the investment options. The investments are not covered by federal insurance.

During 2020, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$9,652,028.

TRI-STATE UROLOGIC SERVICES, P.S.C., INC. RETIREMENT SAVINGS PLAN**NOTES TO FINANCIAL STATEMENTS (Continued)**December 31, 2020 and December 31, 2019

NOTE 4 - PLAN TERMINATION

During 2020, the Company expressed the intent to terminate the Plan, however, the legal approval by the Board did not occur until March 2021. The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. See Note 10.

NOTE 5 - INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2017. There are currently no audits for any tax periods in progress.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were available to the Plan.

NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 7 - FAIR VALUE MEASUREMENT (Continued)*Level 1 Fair Value Measurements*

The fair value of mutual funds and money market accounts are based on the closing price reported on the active market in which the individual securities are traded. The fair value of self-directed brokerage accounts are based on the quoted net asset values for certain investments and the closing price reported on the active market for actively traded securities.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and December 31, 2019:

<u>December 31, 2020</u>	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>

Gains and losses (realized and unrealized) included in changes of net assets available for benefits for the year ended December 31, 2020 are reported in net appreciation (depreciation) in fair value of investments.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Johnson Investment Counsel, Inc. and Ascensus Trust Company. Johnson Investment Counsel and Ascensus Trust Company are the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for the investment management services amounted to \$345,439 for the year ended December 31, 2020.
