The Plan is a defined contribution plan sponsored by Comprehensive Community Health Centers, Inc. (Sponsor) for the benefit of its employees who have at least one year of service and are age 21 or older. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). John Hancock Life Insurance Company (John Hancock) serves as plan custodian.

Contributions

The Plan permits eligible employees through a salary deferral election to have the Sponsor make annual contributions of up to 100 percent of eligible compensation or the maximum allowed by the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Employee rollover contributions are also permitted.

The Plan provides for a safe harbor employer matching contribution equal to 100 percent of employee contributions up to 3 percent of a participant's compensation, plus 50 percent of employee contributions between 3 percent and 5 percent of a participant's compensation.

Contributions are subject to certain limitations.

Participant Investment Account Options

Investment account options available include various funds. Participants have the option of directing their contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Sponsor's contributions and plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, rollover, and employer safe harbor contributions, plus earnings thereon.

Notes to Financial Statements

December 31, 2020 and 2019

Payment of Benefits

Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installments, or partial withdrawals. For vested account balances that are not more than \$5,000, if the participant does not complete an election regarding the distribution, the plan administrator will pay the distribution in a direct rollover to an individual retirement plan that is designated by the plan administrator. Withdrawals other than for termination are permitted under certain circumstances.

In April 2020, the Sponsor implemented *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for coronavirus-related distributions (CRD). Through December 30, 2020, qualified participants were permitted to take a CRD of up to \$100,000 from the Plan. Participants who took a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Notes Receivable from Participants

The plan document includes provisions authorizing loans from the Plan to active eligible participants demonstrating a qualifying need. Participants are allowed to have no more than one loan outstanding at any time. During 2020, the limit on number of loans outstanding was increased from one to two. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 1) \$50,000 (reduced by highest outstanding loan balance during the one-year period ending on the day before the date the loan agreement becomes effective) or 2) 50 percent of their vested account balance. All loans are covered by pledge and assignment of the participant's account balance and are repayable over a period not to exceed five years (or 10 years in the case of a loan used to purchase the participant's principal residence) through payroll withholding unless the participant is paying the loan in full. The interest rate on the loans is prime rate plus 1 percent.

In April 2020, the Sponsor adopted CARES Act provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100 percent of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued from March 27, 2020 through September 22, 2020. The one-year suspension of loan repayments applies to qualified participants' loan payments due between March 27, 2020, and December 31, 2020. Following the suspension period, these loans will be re-amortized over the remaining period of the loans, plus the suspension period.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Comprehensive Community Health Centers, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2020 and 2019

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Pooled separate accounts are valued at estimated fair value as provided by John Hancock.

The fair value of guaranteed investment contracts is calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Sponsor or the Plan, at the Sponsor's discretion.

Note 3: Certification of Plan Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock, the custodian of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate to the best of their knowledge:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2020 and 2019.

Comprehensive Community Health Centers, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2020 and 2019

- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2020 and 2019.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at year end) as of December 31, 2020.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4: Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities.
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2020 and 2019:

	Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3
December 31, 2020				
Pooled separate accounts	\$ 6,718,849	\$ -	\$ 6,718,849	\$ -

	Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3

Total	<u>\$ 5,705,223</u>	<u>\$ -</u>	<u>\$ 5,705,223</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2020 and 2019. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows. Level 2 securities include pooled separate accounts and guaranteed interest accounts. Pooled separate accounts are valued at net asset value (NAV) of units based upon the quoted market value of the underlying assets net of an investment management fee as estimated by John Hancock. NAV is a readily determinable fair value and is the basis for current transactions which may occur daily. Guaranteed interest accounts are valued by John Hancock by comparing the rates in effect on the valuation date to the rates on which the actual interest is determined and adjusting the book value based on the rate differential. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Note 5: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Plan's investments are held within a group annuity contract managed by John Hancock. John Hancock is the Plan's custodian and, therefore, these transactions qualify as party-in-interest transactions. The Plan paid direct net asset-based fees of \$112 and \$20,801 to John Hancock in 2020 and 2019, respectively. Other fees incurred by the Plan are paid through revenue sharing, rather than a direct payment. Credits paid by John Hancock to participant accounts totaled \$2,979 and \$1,341 for 2020 and 2019, respectively, and are reported as other income. The plan sponsor pays certain other administrative fees related to the Plan's operations and provides certain administrative services at no cost to the Plan.

Comprehensive Community Health Centers, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2020 and 2019

Note 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

The outbreak of the novel coronavirus COVID-19, which was declared a pandemic by the World Health Organization on March 11, 2020, has led to adverse impacts on the U.S. and global economies. Economic uncertainties have arisen, which have resulted in significant volatility in the investment markets and may continue to impact the value of Plan assets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Note 7: Plan Termination

Although it has not expressed an intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants remain 100 percent vested in their accounts.

Note 8: Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan sponsored by National Pension Services Corporation. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Note 9: Subsequent Events

Subsequent events have been evaluated through September 22, 2021, which is the date the financial statements were available to be issued.

Plan Restatement, Change in Trustee and Spinoffs

Effective January 1, 2021, the Plan was amended and restated ("Plan Amendment") onto a volume submitter profit sharing plan document sponsored by Fidelity Management & Research Company and Fidelity Management Trust Company was appointed as the Plan's new trustee and recordkeeper ("Trustee"). The conversion initiated a "Black Out" period beginning December 24, 2020, and continued through January 21, 2021. During this period, funds transferred to the new Trustee were invested in the Fidelity Government Money Market Fund and could not be withdrawn from the Plan until the Trustee had time to accurately complete the conversion. During this period, employee contributions continued to be made through payroll deductions and the contributions

Notes to Financial Statements

were deposited and held in the Fidelity Government Money Market Fund until the completion of the Black Out period. At the end of the Black Out period, funds were invested in Fidelity Investments target date funds based upon each participant's date of birth, unless participants provided new investment direction during the open enrollment period.

The Plan Amendment changed the Plan's eligibility requirement from age 21 to age 18 and removed the requirement of 1,000 hours for achievement of a year of eligibility service. Rollover contributions are no longer permitted. Lump sums are now the only form of benefit payments following termination of service. Notes receivable from participants no longer require demonstration of qualifying need and the limit on loans outstanding at any time has been increased from two to three.

Also effective January 1, 2021, the name of the Plan was changed to CCHC Corporate Administration 401(k) Plan and the Sponsor created two new, separate plans as a spinoff of certain employee groups. Primary care patient facing health professionals are now eligible to participate in the new CCHC Primary Care Health Professionals 401(k) Plan. Non-primary care and clinical administrative service and support professionals are now eligible to participate in the new CCHC Non Primary Care/Clinical Administration and Support Professionals 401(k) Plan. Following the spinoff of these separate plans, only corporate administration employees are eligible to participate in the CCHC Corporate Administration 401(k) Plan.
