October 5, 2021

To the Plan Administrator and Investment Committee of the
Acosta, Inc. 401(k) Retirement Plan

We have conducted an Employee Retirement Income Security Act of 1974 (ERISA) Section 103(a)(3)(C) audit of the financial statements and supplemental schedules of the Acosta, Inc. 401(k) Retirement Plan (the Plan) for the year ended December 31, 2020, and have issued our report thereon dated October 4, 2021.

As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by the plan administrator, we have conducted our audit in accordance with auditing standards generally accepted in the United States of America and have obtained sufficient and appropriate audit evidence to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion. The audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements and supplemental schedules as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated May 14, 2021. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. As described in Note 2, Accounting Standards Update No. 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement* was adopted by the Plan; however, the application of existing policies were not changed during 2020. We noted no transactions entered into by the plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the fair value of the Plan's investments held by the Plan at year end in mutual funds is based on the daily closing price as reported by the fund; investment in the stable

value common collective trust is based on the net asset value of units of the bank collective trust. We evaluated the key factors and assumptions used to develop the fair value estimate in determining that they are reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of fair market value in Note 3 to the financial statements was formulated based on the valuation provided by Fidelity Management Trust Company.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We did not identify any misstatements during the course of our audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 4, 2021.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings

Reportable Findings

In connection with an ERISA Section 103(a)(3)(C) audit, certain matters that come to the auditors' attention related to the operation of the Plan are required to be communicated to those charged with governance as a reportable finding. During our procedures we noted the following items:

During our testing, we noted one participant that did not receive the correct amount of Roth employer match on their deferral. Upon discussion, the Company noted it had identified and corrected an issue with the Roth employer match process. As the Company evaluated the participant identified during our testing, the Company noted participants that were missed in the initial correction. In total, nine additional impacted participants had their match and missed earnings corrected by the Company, subsequent to the initial correction. The matter is considered a reportable matter, was discussed with management, was subsequently corrected, and did not rise to the level of material weakness, significant deficiency, or deficiency in internal control. The Company has implemented additional controls to identify and correct potential future processing errors.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Acosta, Inc. 401(k) Retirement Plan
Jacksonville, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed an audit of the financial statements of the Acosta, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2020 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2020 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2020 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2020 and delinquent participant contributions for the year ended December 31, 2020 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2019 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2019. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 7, 2020, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion, and accordingly, we did not express an opinion on the 2019 financial statements and (b) the form and content of the information included in the 2019 financial statements other than that derived from the information certified by the qualified institution was presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ACOSTA, INC. 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

1. DESCRIPTION OF PLAN:

The following description of the Acosta, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, adopted effective September 30, 1961, amended and restated January 1, 2012, is a defined contribution plan covering all employees of Acosta, Inc. (the Company or Employer). Full-time employees are eligible to participate in the Plan at the time of employment; part-time employees are eligible after six months of employment. The Plan is subject to the provisions of the Employer Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may contribute a percentage of pre-tax annual compensation, as defined in the Plan agreement, up to the maximum amount permissible by law. Effective September 15, 2019, participants may also make Roth 401(k) contributions, pursuant to Section 402A of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company matches 50% of participant contributions, up to 6% of the participant's eligible compensation. The Company may also make annual qualified non-elective contributions and additional discretionary matching contributions in an amount to be determined by the Company. Additional discretionary matching contributions should not exceed 50% of the Company's matching contribution. Company discretionary qualified non-elective contributions and additional discretionary matching contributions were not made during 2020 or 2019.

Participant Accounts

Each participant's account is credited with the participant's contribution, Company matching contributions, and Plan earnings or losses. Investment earnings are based on the participants' account balances and their investment elections, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ACOSTA, INC. 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

1. DESCRIPTION OF PLAN (CONTINUED):

Vesting

Participants are immediately vested in their own contributions, rollover contributions, and Company qualified non-elective contributions, plus actual earnings thereon. Vesting in Company matching contributions and additional discretionary matching contributions is based on years of service on the following graduated scale:

<u>Years of Service</u>	<u>Vesting Percentage</u>
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 Years	100%

Forfeited Accounts

At December 31, 2020 and 2019, forfeited non-vested accounts totaled \$60,103 and \$82,519, respectively. These accounts will be used to either reduce future Employer contributions or expenses related to the administration of the Plan. For the years ended December 31, 2020 and 2019, \$2,044,999 and \$2,604,933, respectively, of forfeited balances were used to reduce Employer contributions.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants are allowed to have one outstanding loan at a time. Loans are calculated on a fully amortized basis. Loan terms are not to exceed five years, unless for the purchase of a principal residence. The loans are collateralized by the balance in the participant's account and bear interest at the prime lending rate plus 2% as of the beginning of each month. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the vested portion of their account, a distribution in the form of an annuity, installment payments or a combination of these payment options. Participants are allowed to make in-service withdrawals from their fully vested account balances upon reaching the age of 59½. The Plan also permits hardship withdrawals, in accordance with provisions specified in the Plan agreement.

ACOSTA, INC. 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

1. DESCRIPTION OF PLAN (CONTINUED):

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law. The CARES Act allows retirement plans to provide participants who are impacted by the coronavirus (as defined in the CARES Act) with greater access to their savings. As permitted by the CARES Act, the Plan implemented the provision for special coronavirus distributions of up to \$100,000 and the provision for loan deferment for the year ended December 31, 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

New Accounting Pronouncement

In August 2018, the Financial Accounting Standards Board issued Accounting Standards Update No. 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. This standard adds, modifies, and removes several disclosure requirements relative to the three levels of inputs used to measure fair value in accordance with Topic 820. This amendment was effective for fiscal years beginning after December 15, 2019 with early adoption permitted. The guidance was adopted for the year ended December 31, 2020 and did not have a material effect on the Plan's financial statements and related disclosures.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowances for credit losses have been recorded as of December 31, 2020 and 2019. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and recordkeeper. See Note 3 for discussion of fair value measurements.

ACOSTA, INC. 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2019 excess contributions to the applicable participants prior to March 15, 2020.

Administrative Expenses

The Plan is responsible for payment of expenses; however, the Company may elect to pay certain Plan expenses directly. Fees related to the administration of notes receivable and in-service withdrawals are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits. Participants are charged an administrative fee of \$12 to their account quarterly and eligible participants may receive a revenue credit to their account, as defined in the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events for adjustment to or disclosure in its financial statements through October 4, 2021, the date the financial statements were available to be issued. No recordable or disclosable events occurred through this date.

FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

3. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds – valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

ACOSTA, INC. 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

3. FAIR VALUE MEASUREMENTS (CONTINUED):

Common collective trusts (CCT) – the Plan invests in a stable value CCT. As the stable value fund is composed primarily of fully benefit-responsive investment contracts, it is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months’ notification in order to ensure that securities liquidations will be carried out in an orderly business manner. As of December 31, 2020 and 2019, there were no unfunded commitments.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value, as of December 31, 2020:

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 624,037,714	\$ ---	\$ ---	\$ 624,037,714
Total investments in the fair value hierarchy	\$ 624,037,714	\$ ---	\$ ---	624,037,714
Common collective trust*				41,898,377
Total investments, at fair value				<u>\$ 665,936,091</u>

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value, as of December 31, 2019:

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 571,813,670	\$ ---	\$ ---	\$ 571,813,670
Total investments in the fair value hierarchy	\$ 571,813,670	\$ ---	\$ ---	571,813,670
Common collective trust*				36,787,617
Total investments, at fair value				<u>\$ 608,601,287</u>

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

ACOSTA, INC. 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

3. FAIR VALUE MEASUREMENTS (CONTINUED):

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. CERTIFIED INVESTMENTS:

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator has elected that information certified by the trustee not be subjected to any auditing procedures except for comparing such information to the related information contained in the accompanying financial statements and supplemental schedules. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate at December 31:

	<u>2020</u>	<u>2019</u>
Common collective trust	\$ 41,898,377	\$ 36,787,617
Mutual funds	624,037,714	571,813,670
Notes receivable from participants	6,558,932	7,493,085
Net appreciation in fair value of investments	68,478,226	39,565,525
Interest and dividends	17,742,233	70,129,213
Interest income on notes receivable from participants	455,671	486,193

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

5. PARTIES-IN-INTEREST TRANSACTIONS:

Certain Plan investments in mutual funds are managed by Fidelity Management Trust Company (Fidelity). Fidelity also performs recordkeeping and trust services through various related entities; therefore, these transactions qualify as party-in-interest transactions.

The Newport Group Securities serves as an advisor to the Plan and is considered a party-in-interest.

The Plan issues notes to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

6. INCOME TAX STATUS:

The IRS has determined and informed the Company by a letter dated November 18, 2013, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. CONCENTRATIONS:

Four investments comprised 55% of net assets available for benefits as of December 31, 2020. Four investment comprised 58% of net assets available for benefits as of December 31, 2019.

FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

10. PROHIBITED TRANSACTIONS:

As described in the schedule of delinquent participant contributions (included in the supplemental information), the Employer did not remit certain contributions to the Plan in a timely manner, as defined by ERISA. The Employer will undertake the necessary procedures in order to reimburse affected participants for lost income associated with the delay in contributions. These contributions are considered non-exempt party-in-interest transactions, which may result in an imposition of a 15% excise tax on the amount of the transactions. The tax status of the Plan is not affected by these non-exempt transactions and the Employer intends to pay all fines that may be imposed.
