NOTE 1 - SUMMARY OF THE PLAN

Plan Description

The following description of the CABI LLC 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) salary deferral and profit sharing plan covering substantially all employees of CABI LLC, and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). CABI LLC (the "Company") is the Plan's sponsor and serves as plan administrator. Paychex, Inc. serves as the Plan's recordkeeper. Mid Atlantic Trust Company serves as the Plan's trustee. This Plan was established for the purpose of providing retirement benefits to eligible employees in accordance with the Plan. The Plan is intended to satisfy the provisions of Section 401(a) of the Internal Revenue Code (IRC) of 1986, as amended.

Participant Eligibility

Employees of the Company are eligible to participate in the Plan after having reached 21 years of age and completing one year of service of which is defined as completing 1,000 hours of service within a given year.

Contributions

Participants may elect to contribute between 0% and 92% of eligible compensation to the Plan each year. The 402(g) limits for 2020 and 2019 were $19,500 and $19,000, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions in accordance with, and subject to the limitations of, Code Section 414(v). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan includes a safe harbor provision, which for the Plan year ended December 31, 2020, required Company matching contributions equal to 100% of each participant's deferral contributions, up to 4% of the participant's eligible compensation. In addition, under the terms of the Plan, the Company may also elect to make discretionary profit-sharing contributions to the Plan. Profit sharing contributions are allocated to participants in the same proportion as a participant's compensation bears to the total of all participants' compensation. There were no profit-sharing contributions for the year ended December 31, 2020. Contributions are subject to regulatory limitations.

NOTE 1 - SUMMARY OF THE PLAN (CONTINUED)

Contributions (Continued)

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants.

CARES Act Amendments

In March 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") became law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. During 2020, the Plan adopted the following provisions to the Plan for qualified individuals, those who themselves or whose spouse/dependent was diagnosed with COVID-19 or experienced adverse financial consequences due to COVID-19:

- In-service withdrawals of up to $100,000 of vested balance available through December 31, 2020, after first taking all available loans from the Plan.
- A temporary additional loan and relaxation of current requirements for loans taken through September 22, 2020, based on the lesser of 50% of the vested account balance or $50,000.
- A temporary allowance for employees to defer loan repayments through December 31, 2020 for one year.

Plan management intends to formally amend the Plan regarding the above provisions by the required deadline of December 31, 2022. If the Plan is not formally amended for the above provisions, it will not be in compliance with the IRC.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of Company contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions, the Company’s safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company's profit-sharing contributions is based on years of continuous service. Participants vest in profit-sharing contributions at 20% per year after two years of service and are fully vested after six years of credited service.

NOTE 1 - SUMMARY OF THE PLAN (CONTINUED)

Forfeitures

Forfeitures are the non-vested portion of a participant's account that are lost upon termination of employment. Forfeitures are retained by the Plan and are used to pay plan administrative expenses. At December 31, 2020 and 2019, there were no non-vested forfeitures held by the Plan.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of four and a half years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period of time not to exceed fifteen years. Under the terms of the Plan agreement, plan loans will bear a reasonable rate of interest as computed by the prime rate plus 1%. As of December 31, 2020, the rate of interest on outstanding loans was between 4.25% and 6.5% with various maturities through January 2030.

Payment of benefits

Upon termination of service, a participant may elect to receive payment up to the value of the vested interest in his or her account. Payments may be lump-sum, partial or be made in installments. Additionally, under certain circumstances of financial hardship or upon attaining the age of 59½, a participant is allowed to withdraw certain funds from the Plan.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America ("US GAAP").

Investment valuation

Investments are stated at fair value. Fair value is the price that that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held at year-end.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Notes Receivable from Participants

Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses related to operating and maintaining the Plan are paid by the Plan, unless they are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Accounting Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and deductions during the reporting period. Actual results could differ from estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation techniques are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

There have been no changes in the methodologies used at December 31, 2020 and 2019.

Registered investment companies (Mutual Funds) - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table discloses the fair value hierarchy of the Plan's assets by level as of December 31, 2020 and 2019:

	As of December 31, 2020			
Assets:	Level 1	Level 2	Level 3	Total Fair Value

NOTE 4 - INCOME TAX STATUS

The Plan document is a prototype non-standardized profit-sharing plan with Cash or Deferred Arrangement (CODA) that received a favorable opinion letter from the Internal Revenue Service on April 10, 2014, which stated that the prototype Plan, as then designed, was in accordance with applicable sections of the IRC.

NOTE 4 - INCOME TAX STATUS (CONTINUED)

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities that changes in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

NOTE 6 - INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. All of information related to investments and note receivable from participant disclosed in the accompanying financial statements and supplemental schedule, held at December 31, 2020 and 2019, and net appreciation in fair value of investment, interest and dividends for the year ended December 31, 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Mid Atlantic Trust Company, the trustee of the Plan.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan and discontinue its contributions at any time. If the Plan is terminated, amounts allocated to a participant's account become fully vested.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The information contained in the financial statements does not agree to the information contained in the Form 5500 as of and for the years ended December 31, 2020 and 2019. The difference is due to recording the employer matching contributions receivable.

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	2020	2019
Employer matching contributions receivable per the financial statements	$ -	$ 38,182
Accrual of employer matching contributions	-	(38,182)

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

Change in net assets per Form 5500	$	1,829,877

NOTE 9 - SUBSEQUENT EVENTS

The COVID-19 pandemic impacted the United States during 2020 and significantly disrupted financial markets, economies, and continues to have impacts subsequent to December 31, 2020. As noted in the risk and uncertainties note, investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. The Plan has evaluated and determined that no other events have occurred subsequent to the date of the statement of net assets available for benefits through October 4, 2021, the date which the financial statements were available to be issued, which require recording or disclosure in these financial statements.

NOTE 1 - SUMMARY OF THE PLAN

Plan Description

The following description of the CABI LLC 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) salary deferral and profit sharing plan covering substantially all employees of CABI LLC, and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). CABI LLC (the "Company") is the Plan's sponsor and serves as plan administrator. Paychex, Inc. serves as the Plan's recordkeeper. Mid Atlantic Trust Company serves as the Plan's trustee. This Plan was established for the purpose of providing retirement benefits to eligible employees in accordance with the Plan. The Plan is intended to satisfy the provisions of Section 401(a) of the Internal Revenue Code (IRC) of 1986, as amended.

Participant Eligibility

Employees of the Company are eligible to participate in the Plan after having reached 21 years of age and completing one year of service of which is defined as completing 1,000 hours of service within a given year.

Contributions

Participants may elect to contribute between 0% and 92% of eligible compensation to the Plan each year. The 402(g) limits for 2020 and 2019 were $19,500 and $19,000, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions in accordance with, and subject to the limitations of, Code Section 414(v). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan includes a safe harbor provision, which for the Plan year ended December 31, 2020, required Company matching contributions equal to 100% of each participant's deferral contributions, up to 4% of the participant's eligible compensation. In addition, under the terms of the Plan, the Company may also elect to make discretionary profit-sharing contributions to the Plan. Profit sharing contributions are allocated to participants in the same proportion as a participant's compensation bears to the total of all participants' compensation. There were no profit-sharing contributions for the year ended December 31, 2020. Contributions are subject to regulatory limitations.

NOTE 1 - SUMMARY OF THE PLAN (CONTINUED)

Contributions (Continued)

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants.

CARES Act Amendments

In March 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") became law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. During 2020, the Plan adopted the following provisions to the Plan for qualified individuals, those who themselves or whose spouse/dependent was diagnosed with COVID-19 or experienced adverse financial consequences due to COVID-19:

- In-service withdrawals of up to $100,000 of vested balance available through December 31, 2020, after first taking all available loans from the Plan.
- A temporary additional loan and relaxation of current requirements for loans taken through September 22, 2020, based on the lesser of 50% of the vested account balance or $50,000.
- A temporary allowance for employees to defer loan repayments through December 31, 2020 for one year.

Plan management intends to formally amend the Plan regarding the above provisions by the required deadline of December 31, 2022. If the Plan is not formally amended for the above provisions, it will not be in compliance with the IRC.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of Company contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions, the Company’s safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company's profit-sharing contributions is based on years of continuous service. Participants vest in profit-sharing contributions at 20% per year after two years of service and are fully vested after six years of credited service.

NOTE 1 - SUMMARY OF THE PLAN (CONTINUED)

Forfeitures

Forfeitures are the non-vested portion of a participant's account that are lost upon termination of employment. Forfeitures are retained by the Plan and are used to pay plan administrative expenses. At December 31, 2020 and 2019, there were no non-vested forfeitures held by the Plan.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of four and a half years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period of time not to exceed fifteen years. Under the terms of the Plan agreement, plan loans will bear a reasonable rate of interest as computed by the prime rate plus 1%. As of December 31, 2020, the rate of interest on outstanding loans was between 4.25% and 6.5% with various maturities through January 2030.

Payment of benefits

Upon termination of service, a participant may elect to receive payment up to the value of the vested interest in his or her account. Payments may be lump-sum, partial or be made in installments. Additionally, under certain circumstances of financial hardship or upon attaining the age of 59½, a participant is allowed to withdraw certain funds from the Plan.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America ("US GAAP").

Investment valuation

Investments are stated at fair value. Fair value is the price that that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held at year-end.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Notes Receivable from Participants

Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses related to operating and maintaining the Plan are paid by the Plan, unless they are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Accounting Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and deductions during the reporting period. Actual results could differ from estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation techniques are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

There have been no changes in the methodologies used at December 31, 2020 and 2019.

Registered investment companies (Mutual Funds) - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table discloses the fair value hierarchy of the Plan's assets by level as of December 31, 2020 and 2019:

	As of December 31, 2020			
Assets:	Level 1	Level 2	Level 3	Total Fair Value

NOTE 4 - INCOME TAX STATUS

The Plan document is a prototype non-standardized profit-sharing plan with Cash or Deferred Arrangement (CODA) that received a favorable opinion letter from the Internal Revenue Service on April 10, 2014, which stated that the prototype Plan, as then designed, was in accordance with applicable sections of the IRC.

NOTE 4 - INCOME TAX STATUS (CONTINUED)

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan and discontinue its contributions at any time. If the Plan is terminated, amounts allocated to a participant's account become fully vested.
