NOTE 1 DESCRIPTION OF PLAN

The following description of Alliance Community Hospital/Ohio Nurses Association Matched Fund Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Alliance Community Hospital (the Hospital) for the benefit of its employees who are members of the Ohio Nurses Association. Employees are eligible immediately to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Transamerica Financial Life Insurance Company (Transamerica) serves as Plan trustee and State Street Bank and Trust Company (State Street) serves as Plan custodian. The Retirement Plan Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute up to 100% of eligible compensation as pre-tax 403(b) or Roth contributions, as defined by the Plan. However, contributions may not exceed an amount that would cause a violation of ERISA. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan allows employees to elect 15-year catch-up contributions, which are subject to a \$15,000 lifetime limit. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Hospital matches \$1.00 of every \$1.50 the employee contributes to the Plan up to a total of 5% of the employee's wages. Employees are eligible to receive the Hospital matching contributions after attaining the age of 18 and completion of 90 days of service.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing his or her contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Hospital's contribution, and plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and any matching contributions, plus earnings thereon.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. The loans are secured by the balance in the participant's account and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence). Repayments of principal and interest are made through payroll deductions. Each loan is subject to a \$250 set up charge made payable to the Hospital and a \$75 administrative fee. Interest on the loans is based on local prevailing rates as determined by the Plan administrator.

Effective in April 2020, certain provisions under the CARES Act relating to participant loans were enacted. This provision temporarily increased the maximum amount to the lesser of \$100,000 or 100% of the participant's vested account balance for the period March 27, 2020 through September 22, 2020. The \$100,000 maximum amount is reduced by the difference between the highest outstanding loan balance during the last 12-consecutive month period and the outstanding loan balance on the date the loan is made.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of his or her account or a joint and survivor annuity. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions.

Effective in April 2020, certain provisions under the CARES Act relating to participant distributions were enacted. A qualified individual may take a coronavirus-related in-service distribution of up to \$100,000, less prior coronavirus-related distribution amounts from all plans maintained by the Company on or after January 1, 2020 and prior to December 31, 2020.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**ALLIANCE COMMUNITY HOSPITAL/OHIO NURSES ASSOCIATION
MATCHED FUND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodian, and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Hospital. Expenses that are paid by the Hospital are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Coronavirus Aid, Relief, and Economic Security (CARES) Act

In April 2020, certain provisions under the CARES Act relating to participant distributions and participant loans were enacted. The CARES Act allows for utilization of these provisions immediately but requires formal adoption of the amendment no later than the last day of the plan year beginning on or after January 1, 2022.

Subsequent Events

The Plan has evaluated subsequent events through October 6, 2021, the date the financial statements were available to be issued.

**ALLIANCE COMMUNITY HOSPITAL/OHIO NURSES ASSOCIATION
MATCHED FUND RETIREMENT PLAN

DECEMBER 31, 2020 AND 2019**

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation in fair value of the investments, interest and dividend income for the years then ended, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Transamerica and State Street, the trustee and custodian of the Plan. The contract value of the group annuity contract was certified by the trustee and custodian.

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: Valued using the net asset value of units, as determined by the trustee. NAV is a readily determinable fair value and is the basis for current transactions.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 18,209,521	\$ -	\$ -	\$ 18,209,521
Pooled Separate Account	-	204,728	-	204,728
Total Investments at Fair Value	<u>\$ 18,209,521</u>	<u>\$ 204,728</u>	<u>\$ -</u>	<u>\$ 18,414,249</u>

2019				
	Level 1	Level 2	Level 3	Total

Total Investments at Fair Value	<u>\$ 15,205,230</u>	<u>\$ 153,285</u>	<u>\$ -</u>	<u>\$ 15,358,515</u>

NOTE 5 GROUP ANNUITY CONTRACT WITH TRANSAMERICA FINANCIAL LIFE INSURANCE COMPANY

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Transamerica Financial Life Insurance Company (TFLIC). TFLIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. TFLIC is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate is reviewed on an annual basis for resetting. The guaranteed investment contract does not permit TFLIC to terminate the agreement prior to any scheduled maturity date.

**ALLIANCE COMMUNITY HOSPITAL/OHIO NURSES ASSOCIATION
MATCHED FUND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019**

**NOTE 5 GROUP ANNUITY CONTRACT WITH TRANSAMERICA FINANCIAL LIFE INSURANCE
COMPANY (CONTINUED)**

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

There are no conditions or restrictions that limit the ability of the Plan to transact at contract value with the issuer. The investment contract does not have a maturity date. Plan participants generally may withdraw assets without restrictions; however, there may be a hold period at the contract level in the event of full or partial contract discontinuance.

NOTE 6 PLAN TERMINATION

Although it has not expressed an intention to do so, the Hospital has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

NOTE 7 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2017 received from the Internal Revenue Service on the prototype Plan indicating that the Plan is qualified under Section 403 of the Internal Revenue Code and is therefore not subject to tax under current income tax law.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Coronavirus

The Coronavirus pandemic effects on the economy and financial markets in the future is uncertain. Subsequent changes in interest rates and volatility in the financial markets could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. Because of the uncertainty, Plan management is unable to estimate the total impact the pandemic will have.

NOTE 9 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are accounts managed by Transamerica. Transamerica is the trustee as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

NOTE 10 NONEXEMPT TRANSACTION

The Company failed to remit employee 403(b) deferral contributions for a certain payroll period within the timeframe prescribed by the Department of Labor. This is deemed a prohibited transaction in accordance with ERISA and the IRC. The Company corrected the prohibited transaction by depositing the lost earnings in 2020.
