INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
AVAdek, Inc. 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of AVAdek, Inc. 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

6002 Rogerdale, Ste. 200 Houston, Texas 77072 Tel 281-759-1120 Fax 281-759-5500

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2020 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
AVAdek, Inc. 401(k) Retirement Savings Plan

Report on the 2019 Financial Statement

We were engaged to audit the accompanying statement of net assets available for benefits of AVAdek, Inc. 401(k) Retirement Savings Plan (the "Plan"), as of December 31, 2019, and the related notes to the financial statement.

Management's Responsibility for the 2019 Financial Statement

Management is responsible for the preparation and fair presentation of the 2019 financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Transamerica Financial Life Insurance Company, an insurance company, except for comparing such information with the related information included in the 2019 financial statement. We have been informed by the plan administrator that the insurance company holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the insurance company as of December 31, 2019 that the information provided to the plan administrator by the insurance company is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statement. Accordingly, we do not express an opinion on the 2019 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for the 2019 Financial Statement

The form and content of the information included in the 2019 financial statement, other than that derived from the information certified by the insurance company, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

AVADEK, INC. 401(k) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the AVAdek, Inc. 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, which was formed January 1, 1996, is a defined contribution plan covering all employees of AVAdek, Inc., along with participating employers (the "Company"). Employees are eligible to participate on the first day of the quarter coinciding with, or next following, the completion of two months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which included several relief provisions available to tax qualified retirement plans and their participants. The provisions of the CARES Act could be effective and operationalized immediately, prior to amending the Plan document. The Plan has adopted certain measures included in the CARES Act effective April 20, 2020, as described below, and will amend the Plan retroactively by December 31, 2022.

Contributions

Participants may elect to contribute a percentage or amount of their eligible compensation into the Plan, subject to certain limitations. Participants may designate all or a portion of their contributions as Roth contributions. The Plan provides for automatic enrollment for eligible participants who have not declined participation in the Plan. Eligible participants are automatically enrolled with a contribution rate of 5% unless they elect otherwise. Participants who have attained the age of 50 before the end of the plan year may make catch-up contributions. The Plan also allows rollover contributions from other qualified retirement plans subject to approval by the plan administrator.

The Company makes a safe harbor matching contribution equal to 100% of each participant's contribution up to 5% of the participant's eligible compensation on a pay period basis. The Company may also make a discretionary non-safe harbor profit sharing contribution each year. Participants are eligible to receive the non-safe harbor profit sharing contribution upon the completion of 1,000 hours of service in a plan year and employment at the end of the plan year, unless termination was the result of retirement, disability, or death. The Company made no discretionary non-safe harbor profit sharing contributions in 2020. The Plan is participant directed. Participants may change salary deferral elections on the first day of the month and investment options at any time.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings and charged with any applicable administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are at all times fully vested in their contributions, rollover contributions, safe harbor matching contributions, and the appreciation or depreciation thereon. In the Company's discretionary non-safe harbor profit sharing contributions, a participant vests 20% per year after two years of service becoming 100% vested after six years of service. A participant must complete 1,000 hours of service during a plan year to qualify for a year of service and count toward vesting. A participant shall be immediately vested upon normal retirement, early retirement, death, or termination of employment due to total and permanent disability.

Forfeited Accounts

Forfeitures of nonvested Company contributions shall be used to reduce future Company contributions or to pay Plan expenses. The forfeitures balance at December 31, 2020 and 2019 was $4,969 and $138, respectively. Forfeitures in the amount of $14 were used to pay for Plan expenses during 2020.

Payment of Benefits

Normal retirement age under the Plan is 65. Early retirement age under the Plan is 55 with at least six years of service. Participants with a rollover contribution may receive a distribution from their rollover account two times during a 12-month period. Upon a participant's termination, retirement, disability, or attainment of age 59½, the vested funds in the participant's account are available to be distributed in a lump-sum payment or substantially equal installments, as elected by the participant. The Plan also allows hardship and in-service withdrawals subject to conditions as set forth in the Plan document.

Under the CARES Act provisions, the Plan allowed qualified participants to receive Coronavirus-related distributions up to $100,000 without penalty through December 30, 2020. Additionally, required minimum distributions beginning in 2020 could be delayed by one year, but may still be received at the request of a participant.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant would become 100% vested in their accounts.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to withdrawals and certain investment transaction fees are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

Investments

Investments are reported at fair value, except the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attributable for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan, as discussed in Note 4, invests in the Transamerica Financial Life Insurance Company ("Transamerica") Stable Value Core Account, a fully benefit-responsive contract.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

NOTE 3 - FAIR VALUE MEASUREMENTS

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, including the types of Plan investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Pooled Separate Accounts: Valued at net asset value (NAV) of units held by the Plan as determined by Transamerica at the close of each business day. Accounts are expressed in units; therefore, the value of a participant's account on any date is determined by multiplying the number of units held by the fair value on that date. The NAV is based on the fair value of the underlying assets owned by the accounts. There are no imposed redemption restrictions, nor does the Plan have any contractual obligation to further invest in the accounts.

Level 3 - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used at December 31, 2020 or 2019.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019:

	December 31, 2020			
Description	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts		$10,177,253		$10,177,253
Total investments at fair value		$10,177,253		$10,177,253

	December 31, 2019			
Description	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts		$9,612,341		$9,612,341
Total investments at fair value		$9,612,341		$9,612,341

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan maintains a fully benefit-responsive investment contract (the Stable Value Core Account), a guaranteed investment account, contained in the general account of Transamerica. As described in Note 2, the Transamerica Stable Value Core Account is reported at contract value. Transamerica, as the contract issuer, is contractually obligated to repay the principal and interest at a specified crediting interest rate. Interest is credited on the balance using a single "portfolio rate" approach. Under this methodology, a single interest-crediting rate is applied to all contributions made to the contract regardless of the timing of those contributions. Interest-crediting rates are reviewed on a semiannual basis for resetting. There is no guaranteed minimum or maximum interest rate.

Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include the following: (i) amendments to the Plan document (including complete or partial plan termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (iii) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the Plan, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transactions exemption under ERISA.

The plan administrator does not believe that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is probable. The principal and interest in the contract account are backed by the assets held in the general account of Transamerica. Participants may withdraw amounts from the account without restrictions.

NOTE 5 - INFORMATION CERTIFIED

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica, an insurance company, has certified to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for benefits as of December 31, 2020 and 2019, the schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2020, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2020.

NOTE 6 - INCOME TAX STATUS

The Plan has adopted a volume submitter prototype plan, which obtained its latest opinion letter on March 31, 2014 in which the Internal Revenue Service (IRS) stated that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable provisions of the IRC. Therefore, contributions to the Plan and earnings from its assets are not currently taxable to the Plan or its participants.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019 there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in a guaranteed investment account and pooled separate accounts managed by Transamerica. Therefore, these transactions qualify as party-in-interest transactions. These transactions are covered by an exemption from prohibited transaction provisions.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for various investments. In general, such investments are exposed to various risks such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 2, 2021, the date the financial statements were available to be issued.
