PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Pitt Ohio Express, LLC Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General - The Plan is a qualified, defined contribution plan covering eligible employees of Pitt Ohio Express, LLC and certain affiliates (collectively, Companies or Plan Sponsor). The Plan provides for both participant and employer contributions. Participant contributions are participant-directed, while employer contributions are directed by the Investment Committee. Upon reaching the age of 55, participants may direct their investment in employer contributions. Employees become eligible for elective deferrals after completing three months of service and the attainment of 20-1/2 years of age. Employees of Pitt Ohio Express, LLC and certain affiliates become eligible for matching or nonelective employer profit-sharing contributions after completing one-half year of service and the attainment of 20-1/2 years of age. Additionally, employees must be employed on the last day of the Plan year to receive the matching or nonelective employer profit-sharing contribution.

On July 1, 2019, the Plan was amended to include automatic deferral elections. Upon becoming eligible to make salary deferrals, participants enter into an automatic salary deferral of 3% unless the participant completes a deferral election form. The amendment automatically increases participant elections by 1% each year until a maximum of 10% is reached.

On January 1, 2020, the Plan amended its hardship distribution rules. Participants are no longer required to suspend contributions for a period of six months following a hardship distribution. The amendment also redacted the requirement that participants must present formal proof of a hardship event. Participants are now only required to demonstrate in writing their hardship event.

Plan Contributions - The Plan provides for participant contributions, nonelective employer matching contributions and nonelective employer profit-sharing contributions for certain companies. Participants may contribute up to the maximum percentage or dollar amount permissible under the Internal Revenue Code (IRC). Once eligible, participants automatically have 3% deducted from their compensation as a contribution to the Plan unless they affirmatively elect not to participate in the Plan. Additionally, unless the participant changes his/her deferral percentage, the withholding will increase by 1% annually up to a maximum of 10%. Nonelective employer profit-sharing contributions are subject to approval by the Compensation Board of the Companies and limitations established by the IRC. The nonelective employer profit-sharing contribution is allocated to each participant's account based on the ratio of the participant's eligible compensation to the total eligible compensation of all eligible participants. There was a 6% nonelective employer profit-sharing contribution in 2020 approximating \$11,440,000. The Companies did not make a nonelective employer matching contribution during 2020. In addition, participants over the age of 50 are permitted an additional "catchup" contribution. All contributions are subject to certain Internal Revenue Service (IRS) limitations.

Rollover Contributions - Participants are allowed to make rollover contributions (contributions transferred to the Plan from other qualified retirement plans), subject to certain requirements.

Participant Accounts - Each participant's account is credited with the participant's contributions, employer's contributions and earnings thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation or account balances as defined above. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting - A participant is fully vested in his/her contributions and earnings thereon at all times. A participant who terminates employment is entitled to a benefit with respect to nonelective employer matching and profit-sharing contributions and earnings thereon based on the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0 %
2 years but less than 3	20
3 years but less than 4	40
4 years but less than 5	60
5 years but less than 6	80
6 years or more	100

A participant becomes 100% vested upon disability or death. A participant's fully vested benefit is payable upon death.

Notes Receivable from Participants - Participants may borrow the lesser of 1) 50% of their balances credited to their deferral and rollover account, or 2) \$50,000 less the highest outstanding balance of all notes during the 12 months prior to the time the new note receivable is issued. The minimum amount borrowed cannot be less than \$1,000. All notes have a five-year maximum repayment period and bear interest at the prime lending rate at the time of the loan as published in the Wall Street Journal plus 1%. All notes are secured by the balance in the participant's account. Principal and interest is paid ratably through monthly payroll deductions. During 2020, the Plan elected to adopt provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). Accordingly, the Plan increased the maximum loan amount to the lesser of \$100,000 or 100% of the participant-directed account balance for loans taken between March 27, 2020 and September 23, 2020. In addition, participants who had loans due from March 27, 2020 through December 31, 2020 can delay their repayments and extend the term for up to one year.

Payment of Benefits - Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

During 2020, the Plan elected to adopt the hardship provision associated with the CARES Act for participant-directed accounts, under which the additional 10% tax for early withdrawals is waived for hardship distributions related to participants diagnosed with COVID-19, participants with a spouse or dependent diagnosed with COVID-19 and participants who have experienced adverse financial consequences as a result of COVID-19. Participants who meet one of these requirements may withdraw up to \$100,000, spread the tax on the income due to the distribution over three years and repay the amount to the Plan over the next three years.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by the Plan's administrator in the preparation of the accompanying financial statements follows:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investments - Investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurement.

Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income is recorded as earned on an accrual basis. The net appreciation in the fair value of investments consists of the realized gains and losses and the unrealized appreciation on these investments during the year. Dividends are recorded on the ex-dividend date.

Payment of Benefits - Benefit payments are recorded when paid.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense as incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Forfeitures - Forfeitures will be used to reduce profit-sharing contributions or used to offset Plan expenses. Approximately \$154,000 of nonvested terminated participant accounts were forfeited and used to reduce profit-sharing contributions during the year ended December 31, 2020. There were no forfeitures remaining at December 31, 2020. Amounts reallocated during the year may be related to amounts forfeited in prior years.

Expenses - Certain investment management service fees and administrative expenses of the Plan are paid from Plan assets, which are included in administrative expenses in the statement of changes in net assets available for benefits, while others are paid for by Pitt Ohio Express, LLC, which are excluded from these financial statements.

Subsequent Events - Subsequent events are defined as events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are issued or are available to be issued. Management has evaluated subsequent events through October 11, 2021, the date that the financial statements were issued and determined that there have been no events that have occurred that would require adjustments to or disclosures in the financial statements.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2020 and 2019, net appreciation in fair value of investments, interest income on notes receivable from participants, and interest and dividends for the year ended December 31, 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee of the Plan, Reliance Trust Company.

NOTE 4 - PLAN TERMINATION

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon complete or partial termination of the Plan, participants become 100% vested in their accounts.

NOTE 5 - INCOME TAX STATUS

The Plan has been designed under the provisions of a volume submitter profit-sharing plan through Mass Mutual, the recordkeeper of the Plan. The IRS has determined and informed Mass Mutual, by a letter dated March 31, 2014, that the prototype plan utilized by the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2017.

NOTE 6 - RISK AND UNCERTAINTIES

The Plan invests in securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - RELATED-PARTY TRANSACTIONS

The Plan Sponsor paid approximately \$560,000 to a related party in 2020 for investment management and participant education services.

Certain plan investments are managed by Mass Mutual, the recordkeeper of the Plan; therefore, these transactions qualify as party-in-interest transactions. Effective December 31, 2020, Empower acquired MassMutual's recordkeeping business; therefore, Empower is a related party to the Plan.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

NOTE 8 - FAIR VALUE MEASUREMENT

The Plan discloses the category of assets and liabilities measured at fair value into one of three different levels, depending on the assumptions (i.e., inputs) used in the valuation. Level 1 provides the most reliable measure of fair value, whereas Level 3 generally requires significant management judgment. Financial assets and liabilities are classified in their entirety based on the lowest level of input significant to the fair value measurement.

The fair value hierarchy is defined as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in inactive markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Registered Investment Companies - Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Collective Investment Funds - Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments at December 31, 2020 and 2019, and the investment can be redeemed without restriction.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

NOTE 8 - FAIR VALUE MEASUREMENT (Continued)

The Plan's assets at fair value as of December 31 set forth by level, within the fair value hierarchy, are as follows:

		2020			
		Level 1	Level 2	Level 3	Total
Registered investment companies	\$	135,901,444	-	-	\$ 135,901,444
Total assets in the fair value hierarchy	\$	135,901,444	-	-	135,901,444
Investments measured at NAV (a)					181,355,943
Investments at fair value					\$ 317,257,387
		2019			
		Level 1	Level 2	Level 3	Total
Registered investment companies	\$	118,195,732	-	-	\$ 118,195,732
Total assets in the fair value hierarchy	\$	118,195,732	-	-	118,195,732
Investments measured at NAV (a)					168,751,583
Investments at fair value					\$ 286,947,315

- (a) In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.
