INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
CCW Management Corp. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audit of the financial statements of the CCW Management Corp. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the CCW Management Corp. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements Section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CCW Management Corp. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about of CCW Management Corp. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CCW Management Corp. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about CCW Management Corp. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant findings, and certain internal control-related matters that we identified during our audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules Schedule H, Line 4a- Schedule of Delinquent Participant Contributions and Schedule H, line 4i – Schedule of Assets Held (At End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules we evaluated whether the supplemental schedules other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other that the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

We were engaged to audit the accompanying statement of net assets available for benefits of CCW Management Corp. 401(k) Plan, as of December 31, 2019, and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2019 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2019 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2019 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CCW MANAGEMENT CORP. 401(K) PLAN
VALHALLA, NEW YORK

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

NOTE 1 – DESCRIPTION OF PLAN

The following description of CCW Management Corp. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan and covers all employees of CCW Management Corp. (the "Plan Sponsor"), and Medical Reimbursements Associates who have one year of service, are age twenty-one or older and complete 1,000 hours of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees (the "Plan Management") is responsible for oversight of the Plan, and determines the appropriateness of the Plan's investment options and monitors investment performance.

Amendment: On March 27, 2020, President Trump signed into law the "Coronavirus Aid, Relief, and Economic Security Act" (CARES Act). The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions as a way of providing additional access to retirement funds should a financial need arise due to the current pandemic:

- Special coronavirus distributions up to $100,000 without penalty.
- Repayment of withdrawal amount is permitted if repayment occurs within three years of distribution.
- RMD rules for distributions required in the 2020 calendar year are temporarily waived.
- Increase the available loan amount as described in Note 1 to the lesser of $100,000 or 10% of the participant's vested account balance for loans issued between March 27, 2020 to September 22, 2020.
- Extend the period for loan repayments, if applicable, up to one year.

Employer Contributions: The employers make annual safe harbor contributions to the Plan equal to at least 3% of participant's compensation. All matching contributions to the Plan are at the discretion of the employers. The participants direct the investment of their allocated amount of employer contributions into the various investment options offered by the Plan.

Employee Contributions: Participants may elect to contribute $19,500 and $19,000 of their pre-tax annual compensation for the years ended December 31, 2020 and 2019, respectively, as defined in the Plan, subject to certain Internal Revenue Service compliance tests. Participants who have attained age 50 before the year end of the Plan year are eligible to make catch-up contributions of $6,500 and $6,000 for the years ended December 31, 2020 and 2019, respectively. Participants have the election to allocate 401(k) deferrals to either a pre-tax 401(k) or an after tax Roth 401(k). The combined deferrals may not exceed the allowed 401(k) contribution limits. Participants direct the investment of their contributions into the various investment options offered by the Plan.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocation of the Employers' contribution, as well as the Plan earnings. Allocations are based on participant earnings and account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: Upon enrollment in the Plan, participants may direct employee contributions and their allocation of the employer's contribution in any of the investment options. Participants may change their investment options daily. The Plan provides for participant directed investments.

NOTE 1 – DESCRIPTION OF PLAN (CONT'D)

Vesting: Participants are immediately vested in their voluntary and rollover contributions as well as the employer's safe harbor contribution plus actual earnings thereon and are 100 percent vested after two years of credited service in the allocated employer's matching contribution and earnings thereon. Employees that become totally and permanently disabled prior to their retirement date are automatically considered 100 percent vested.

Notes Receivable from Participants: Participants may borrow from their fund accounts up to the lesser of 50% of their vested account balance or $50,000. The loans are secured by the balance in the participants account and bear interest at a rate similar to those available for similar loans from commercial lending institutions. The loans currently outstanding bear interest ranging from 4.25% to 6.50%. Principal and interest is paid ratably through weekly payroll deduction.

Payment of Benefits: On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts: At December 31, 2020 and 2019 there were forfeited non-vested accounts in the amounts of $6,721 and $5,430, respectively. Amounts in these accounts would be used to pay administrative expenses in future years. In 2020 and 2019, $5,481 and $2,557, respectively, from forfeited non-vested accounts were used to pay certain administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Mutual fund and Pooled Separate Account investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for a discussion of fair value measurements.

Guaranteed Investment Contracts: The Plan has a deposit administration contract with Principal Life Insurance Company. Principal Life Insurance Company maintains the Plan's deposits in an unallocated fund of various guaranteed certificates to which it adds interest, 1.60% as of December 31, 2020, at various contractual rates. Contract value is the relevant measure attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount that would be received if permitted transactions were initiated under the terms of the plan. Contract value represents contributions and reinvested income, less any withdrawals plus accrued interest, because these investments have fully benefit-responsive features. The Statement of Net Assets Available for Benefits presents the Participant's investments as the contract value for the guaranteed investment contracts. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis for the fully benefit-responsive investment contract.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Income Recognition: Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Except for direct investment expenses charged directly to the Plan, all other expenses are paid by the Plan Sponsor, and are excluded from these financial statements. Fees related to a periodic or one time distribution from the participant's account are charged directly to the participant's account and are included in fees.

Subsequent Events: The Plan has evaluated subsequent events through September 14, 2021, the date the financial statements were available to be issued.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONT'D)

Pooled Separate Accounts: Valued at the net asset value (NAV) or equivalent based on units of the pooled separate accounts. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV. In accordance with fair value measurement guidance, these investments in pooled separate accounts have not been classified in the fair value hierarchy. At December 31, 2020 and 2019, the fair value of pooled separate accounts whose fair value is estimated using net asset value per share (or its equivalent) was $808,672 and $715,931, respectively.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

NOTE 5 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

A party-in-interest is defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employers, Plan Sponsor and certain others. Certain Plan assets are invested in mutual funds which are managed by the Plan's trustee. These transactions, as well as notes receivable from participants, qualify as party-in-interest transactions. In 2020, the Plan paid $66,785 for administrative services. These fees are charged directly to individual participant accounts.

The Plan is administered by the Company. The expenses of administering the Plan are paid by the Company except for investment related expenses which are included in net appreciation in fair value of investments and loan maintenance fees, which are charged to the individual participant accounts.

NOTE 6 – FEDERAL INCOME TAX STATUS

On March 31, 2014, the Internal Revenue Service stated that the prototype plan used by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code ("IRC"). The Plan has been amended since the receipt of the prototype letter and has not received a determination letter specific to the Plan itself; however, the Plan administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routing audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market values of investments may decline for a number of reasons, including changes in prevailing market and interest rates, increases in default, and credit rating downgrades. Due to the level of risk associated with such investment securities, it is at least reasonably possible that changes in risks or investment values in the near term could materially affect a participant's account balance and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 8 – PLAN TERMINATION

The Company intends to continue the Plan indefinitely but reserves the right to amend or terminate it at any time. In the event the Plan is terminated, each participant shall become fully vested in his or her account balance. Disbursements to participants shall be made in accordance with the Plan document and applicable ERISA regulations.
