General

The following description of the Crescent Real Estate LLC 401(k) Plan (the Plan), formerly known as the Crescent Real Estate Equities 401(k) Plan, provides only general information. The Plan is sponsored by Crescent Real Estate, LLC (the Company or Plan administrator). Participants should refer to the Adoption Agreement or Summary Plan Description for a more complete description of the Plan's provisions.

Effective January 1, 2012, Great-West Trust Company, LLC (Great-West) serves as the trustee and Empower Retirement serves as the record keeper for the Plan.

The Plan, which was adopted effective July 1, 1994, and most recently restated April 10, 2018, is a defined contribution plan covering substantially all employees of the Company who have reached 21 years of age and completed 30 days of service. Entry into the Plan is available at the earliest date in which the employee has completed the service and age requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is administered by the Company through its 401(k) Administrative Committee, who are appointed by the officers of the Company.

Effective April 10, 2018, the Goff Capital Partners, LP & Subsidiaries 401(k) Plan (the Goff Plan) merged into the Plan.

In April 2020, certain provisions under the CARES Act relating to participant distributions and participant loans were enacted. The CARES Act allows for utilization of the provisions immediately, but requires a formal adoption of the amendment no later than the last day of the plan year beginning on or after January 1, 2022. During 2020, the Plan elected to implement the provisions related to participant distributions and participant loans, however the Plan amendment has not yet been formally adopted.

Contributions

Participant Elective Deferrals

Participants may elect to contribute up to 100% of their salary tax-deferred, subject to the maximum deferral amount established by the Internal Revenue Service (IRS) ($19,500 and $19,000 for 2020 and 2019, respectively). Employees who are 50 years of age or older before the end of the year may make catch-up contributions subject to the maximum amount established by the IRS ($6,500 for 2020 and 2019). Participants are fully vested in their elective contributions plus actual earnings thereon.

Company Match

Company matching contributions are equal to the percentage shown in the schedule below based on the number of years in service, not to exceed 7% of the participant's salary, as defined within the Plan document. All Company matching contributions are invested based upon a participant's investment allocation elections.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

Years of Service	Percentage Matched
Less than 2 Years	25.0 %
2 Years	50.0
3 Years	75.0
4 Years	100.0

Discretionary

In addition to the matching contribution, the Company may make a discretionary contribution, which is determined annually. All Company discretionary contributions are invested based upon a participant's investment allocation elections. No discretionary contributions were made for the years ended December 31, 2020 and 2019.

Participant Accounts

Each participant account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

The participant's voluntary contributions to the Plan plus actual earnings or losses thereon are fully vested at all times. For participants who were not formerly part of the Goff Plan, their share of the Company's matching and discretionary contributions and earnings or losses thereon vest in accordance with the following schedule:

Years of Service	Vesting Percentage
1 Year	20.0 %
2 Years	40.0
3 Years	60.0
4 Years	80.0
5 Years	100.0

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting (Continued)

For participants who were formerly part of the Goff Plan, their share of the Company's matching contributions and earnings or losses thereon vest in accordance with the schedule above. Discretionary contributions for those participants and earnings or losses thereon vest in accordance with the following schedule:

Years of Service	Vesting Percentage
1 Year	33.0 %
2 Years	66.0
3 Years	100.0

Company contributions become fully vested in the event of retirement at age 65, disability, or death of a participant.

Investment Options

Upon enrollment in the Plan, a participant may direct his or her salary deferrals and any employer contributions into a variety of investment options, which vary in degree of risk. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow from their fund accounts, a minimum of $1,000 and a maximum equal to the lesser of $50,000 or 50% of their vested account balances. Loans are available to all participants. Loan transactions are treated as a transfer to (from) the investment fund (to) from notes receivable from participants. Loan terms range from one to five years or up to fifteen years for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest. The interest rate must be one that a bank or other professional lender would charge for a note in a similar circumstance. At both December 31, 2020 and 2019, interest rates ranged from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions, which provides for payments to be made not less frequently than quarterly.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or termination of employment, a participant or designated beneficiary is entitled to receive in a lump sum the value of the participant's vested interest in his or her account as defined by the Plan. Payment shall be made as soon as practicable following the participant's normal retirement date, disability, termination of employment, or death, as the case may be. Payment of benefits to participants with balances less than $5,000 will be made in a mandatory lump-sum distribution.

As of December 31, 2020 and 2019, there were no unpaid benefit payment requests.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits (Continued)

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of his or her vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution in accordance with plan provisions.

Plan Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. To the extent possible, Plan administrative costs are paid by any available forfeitures. Any remaining expenses will be paid by the Company. Under the terms of the Plan, the Plan is not responsible for reimbursing the Company for any fees paid by the Company. These administrative expenses are not reflected in the accompanying financial statements.

Forfeited Accounts

Forfeiture balances attributed to the Company's matching and discretionary contributions are first used to reduce current year matching and discretionary contributions. Forfeitures not used to reduce contributions can be applied to pay expenses under the Plan.

The following table presents the forfeiture account activity for the years ended December 31, 2020 and 2019:

	2020	2019
Unallocated Forfeiture Balance - Beginning of Year	$ 5,157	$ 8,216
Forfeited Amounts	29,189	24,477
Earnings on Forfeitures	233	339
Fees	5,000	(6,559)
Forfeitures Used to Reduce Employer Contributions	(29,247)	(21,316)
Unallocated Forfeiture Balance - End of Year	$ 10,332	$ 5,157

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with U.S. GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

and liabilities measured at fair value. See Note 3 for information related to the Plan's valuation methodologies.

The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year-end. Purchases and sales of investments are reflected on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

Contributions

Contributions from the participants and the Company are recognized in the period in which they are earned in accordance with salary deferral agreements and become obligations of the Company, as determined by the Plan administrator.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 –Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2020 and 2019.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Fund: Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 26,888,070	$ -	$ -	$ 26,888,070
	$ 26,888,070	$ -	$ -	26,888,070
Investments Measured at NAV				9,464,515
Toal Investments at Fair Value				$ 36,352,585

	2019			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 23,970,116	$ -	$ -	$ 23,970,116
	$ 23,970,116	$ -	$ -	23,970,116
Investments Measured at NAV				8,627,842
Toal Investments at Fair Value				$ 32,597,958

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy. For the years ended December 31, 2020 and 2019, there were no significant transfers between levels.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2020 and 2019, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE 4 INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to the investment information certified by Great-West Trust Company, LLC, the trustee, which included total investments and notes receivable as of December 31, 2020 and 2019, net realized and unrealized gains on investments and interest and dividend income, and all information included in the accompanying supplemental schedule of assets (held at end of year).

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their entire account balances.

NOTE 7 TAX STATUS

The Plan utilizes a prototype document sponsored by Great-West Trust Company, LLC. Great-West Trust Company, LLC received a favorable opinion letter dated March 31, 2014, that states the Plan is qualified under Section 401(a) of the IRC. The Company may rely on this letter with respect to the qualification of the Plan under IRC Section 401(a) with certain limitations.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PARTY-IN-INTEREST

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons. The Plan invests in mutual funds and a common collective trust fund managed by Great-West Trust Company, LLC. Great-West Trust Company, LLC acts as trustee for only those investments as defined by the Plan. Transactions in such investments, as well as loans made to the participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

NOTE 9 SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 7, 2021, the date the financial statements were available to be issued.
