NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020

Note 1 DESCRIPTION OF PLAN

The following description of the Vaden's Acoustics & Drywall, Inc. 401 (k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions. The Plan is a defined contribution plan established by Vaden's Acoustics & Drywall, Inc. (the Company). The Plan qualifies as a cash-or-deferred arrangement under Code Section 401(k).

The Plan is a defined contribution plan that covers all employees of the Company who have one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan entry dates are semi-annual at July 1 and January 1.

Employee contributions

Participants are permitted to contribute up to the maximum amounts allowed by law of their annual compensation to the Plan on a tax-deferred basis. Transfers (rollovers) from qualified plans are allowed under the provisions of the Plan.

Employer safe harbor contributions

The Company makes safe harbor matching contributions based on 100% of eligible employee contributions up to 4%. These safe harbor contributions are always fully vested.

Administrative expenses

Certain expenses, such as participant loan fees and withdrawal charges, are charged to the participant account. The Company absorbs the cost of substantially all other administrative expenses.

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, an allocation of other employer contributions, if any, and an allocation of Plan earnings. Allocations of Plan investment earnings or losses are based on participants' account balances invested in each fund.

Investments

All investments are participant directed.

Notes receivable from participants

Participant loans are not permitted in the Plan.

Note 1 **DESCRIPTION OF PLAN** – (continued)

Vesting

Participants are fully vested in their employee and safe harbor contributions and earnings on those contributions.

Payment of benefits

Upon termination of service, participants with vested balances of $5,000 or less receive a distribution of their vested balances, net of tax withholding, in a lump sum. If the amount to be distributed is between $60 and $5,000 and the participant does not affirmatively elect to have the distribution rolled into a qualified plan or paid to them (net of tax withholding), the balance is transferred into an individual retirement account set up for their benefit. Otherwise, terminated participants receive a lump-sum amount equal to the value of their vested interest in their account when they elect a distribution of their account balance.

In-service withdrawals of vested balances are not available to participants. Also, contributions that were transferred into the Plan from another qualified plan may be transferred out of the Plan to an individual retirement account or another qualified plan.

Forfeitures

There are no forfeitures in this plan since all contributions are fully vested.

Other plan provisions

Other Plan provisions including investment options are described in the Plan Document.

Note 2 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of accounting

The financial statements of the Plan are prepared using the modified cash basis of accounting. This method differs from accounting principles generally accepted in the United States of America since revenues are recorded when received rather than when earned, and expenses are recorded when paid rather than when incurred.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Note 2 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** – (continued)

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in accordance with the modified cash basis requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events

The Plan has evaluated subsequent events through August 11, 2021, the date which the financial statements were available to be issued.

Note 3 **TAX STATUS**

The Plan adopted the Loren D. Stark Company Defined Contributions Volume Submitter Plan and Trust, Basic Plan Document #001 (the Volume Submitter Plan). The current prototype plan was adopted effective January 1, 2017. The Internal Revenue Service (IRS) had determined and informed the Plan's sponsor by a letter dated March 31, 2014, that the Volume Submitter Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that is more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is subject to income examination for all periods since inception.

Note 4 **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan's sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a full or partial plan termination, affected participants will become fully vested in their employer contributions.

Note 5 **INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN**

The December 31, 2020 and 2019 statements of net assets available for benefits – modified cash basis, the investment activities included on the modified cash basis statement of changes in net assets available for benefits for the year ended December 31, 2020, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the custodians in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of $1,010,766 and $628,095 at December 31, 2020 and 2019, respectively, and related investment earnings of $136,036 for the year ended December 31, 2020.

These accounts are maintained by Massachusetts Mutual Life Insurance Company, d/b/a MassMutual, a party-in-interest.

Note 6 **FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority. Level 2 inputs consist of observable inputs other than quoted market prices for identical assets or liabilities. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 1, Level 2, or Level 3 inputs for the periods presented.

Note 7 **RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8 **REPORTABLE TRANSACTIONS**

There were no reportable transactions in 2020.

Note 9 **PARTY IN INTEREST TRANSACTIONS**

Certain plan investments are managed by MassMutual. MassMutual is the trustee and custodian for the Plan and, therefore, these transactions qualify as party in interest transactions.
