NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN:

The following description of the OB/GYN Specialists of the Palm Beaches, II, LLC 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan was adopted on January 1, 2001 as a defined contribution plan. The Plan covers employees of OB/GYN Specialists of the Palm Beaches II, LLC (the “Plan Sponsor”) along with OBGYN Specialists of Lakeside, LLC, OBGYN Staffing Services, LLC, OBGYN Management Service, LLC, and PB Operations, LLC (collectively, the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was passed by the U.S. Senate on March 26, 2020. During the year ended December 31, 2020, the Plan adopted certain changes to participant distributions and loans as permitted by the CARES Act, discussed further in *Notes Receivable From Participants* and *Payment of Benefits*.

Eligibility - Eligible participants, as defined by the Plan, are substantially all employees of the Company who have completed nine months of service, are age twenty-one or older, and are not excluded by certain provisions outlined in the Plan Document.

Contributions - Participants may elect to make pre-tax contributions or after-tax contributions (“Roth”) to the Plan. Total contributions cannot exceed the annual maximum limits set by the Internal Revenue Service. Participants that are at least 50 years old before the end of the Plan year may elect to defer additional amounts, or catch-up contributions, to the Plan. Additional catch-up contributions cannot exceed the annual maximum limits for catch-up contributions set by the Internal Revenue Service. Participants may also contribute rollover contribution amounts representing distributions from other qualified defined benefit or contribution plans.

Each year, the Company may elect to make discretionary matching and/or profit-sharing contributions, and the manner in which such contributions are determined. The Company made profit sharing contributions of approximately $205,000 for the year ended December 31, 2020. During the year ended December 31, 2020, the Company elected not to make any discretionary matching contributions to the Plan. Additionally, the Company makes safe harbor contributions equal to 3% of each eligible participant’s compensation, as defined in the Plan Document.

OB/GYN SPECIALISTS OF THE PALM BEACHES, II, LLC
401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of the Company's discretionary contributions and Plan earnings, and charged with withdrawals and allocations of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Vesting - Participants are immediately vested in their own voluntary contributions and the Company's safe harbor contributions in addition to actual earnings thereon. Vesting in Plan Sponsor profit sharing and discretionary contributions, in addition to actual earnings thereon, is based on years of service. Prior to normal retirement age, a participant's interest in the profit sharing and discretionary contributions of the employer becomes vested 20% after two years of service, increasing 20% each succeeding year until fully vested after six years of service. A participant is 100% vested when they attain normal retirement age. Upon termination of employment, a participant's non-vested amounts are forfeited in accordance with the Plan Document.

Notes Receivable From Participants - The Plan does not allow for loans to the participants.

Payment of Benefits - Upon death, disability, retirement, or termination of service, a participant may receive a distribution in an amount equal to the vested value of his or her account. Hardship withdrawals are allowed by the Plan in accordance with Plan provisions and Internal Revenue Service ("IRS") regulations. In-service withdrawals are allowed when the participant reaches retirement age of 59 1/2 as defined in the Plan Document.

In 2020, as part of the CARES Act, the Plan allowed for penalty-free Coronavirus-Related Distributions of up to $100,000 for qualifying coronavirus-related reasons. Eligible employees are not required to repay this distribution, but the Plan allows for them to repay their Plan account within three years of the date they received their distribution.

Investment Options - Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a series of varied risk mutual and money market funds, self-directed brokerage accounts, common collective trust funds, and a guaranteed portfolio account as investment options for participants.

Plan Expense Account - If the investment fees paid to Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company, the Custodians, are more than the agreed upon amount, as defined in the service agreement, the difference is remitted back to the Plan to be used to reduce certain future Plan expenses. The plan expense account balance was zero at both December 31, 2020 and 2019. There were no compensation amounts available to be used during 2020 and 2019.

OB/GYN SPECIALISTS OF THE PALM BEACHES, II, LLC
401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

Forfeitures - Benefit payments to terminated employees partially vested in the Plan include their vested portion of employer contributions. The nonvested portion of terminated participants' account balances may be used to reduce future employer contributions or to pay the Plan's administrative expenses. As of December 31, 2020 and 2019, the Plan had approximately $1,400 and $8,000, respectively, in the forfeitures account. During the year ended December 31, 2020, the Company used forfeitures to offset Company contributions of approximately $8,500.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting - The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that could affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for the Plan's fully benefit responsive investment contract which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan’s valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

The Plan's group annuity contract is valued at contract value. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. See Note 5 for discussion of group annuity contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefit payments to participants are recorded when paid.

Administrative Expenses - The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan Document. Expenses paid by the Plan are allocated to participant accounts on a prorated basis or paid out of available forfeitures or compensation account funds, as defined in the Plan Document. Investment related expenses are included in net appreciation in fair value of investments. Certain administrative functions are performed by employees of the Company. No such employee received compensation from the Plan.

OB/GYN SPECIALISTS OF THE PALM BEACHES, II, LLC
401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

Income Taxes - The Internal Revenue Service has determined and informed the Plan's volume submitter on March 31, 2014 that the Defined Contribution Volume Submitter Profit Sharing Plan with Cash or Deferred Arrangement ("CODA"), as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended and restated since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is a qualified plan as described in Section 401(a) of the IRC and is therefore exempt from federal and state income taxes. Income generated by activities that would be considered unrelated to the Plan's purpose would be subject to tax which, if incurred, would be recognized as a current expense. No such tax has been recognized as of December 31, 2020 or 2019.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine tax audits by jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to informational return examinations for years prior to 2017.

Change in Accounting Principle - In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement (Topic 820) Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. ASU 2018-13 improves the disclosure requirements for fair value measurements. The guidance is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The adoption of ASU 2018-13 did not have a material impact on the Plan's financial statements as of and for the year ended December 31, 2020.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Custodians.

	2020	2019
Investments, at fair value:		
Mutual and money market funds	$ 15,970,958	$ 14,459,159
Self-directed brokerage accounts	$ 5,730,791	$ 5,222,402
Common collective trust funds	$ 8,685,461	$ 8,089,016
Investments, at contract value:		
Group Annuity Contract	$ 2,229,713	$ 960,074
Net appreciation in fair value	$ 3,623,136	
Dividends and interest	$ 593,585	

4. FAIR VALUE MEASUREMENTS:

FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 Fair Value Measurements:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

OB/GYN SPECIALISTS OF THE PALM BEACHES, II, LLC
401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements:

Fair values are based on inputs other than quoted prices included within Level 1 that are unobservable and significant to the fair value measurements.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual and money market funds: Mutual funds represent investments with various investment managers. The mutual funds are valued at the daily closing net asset value ("NAV") as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Money market funds are valued at cost plus interest earned, which approximates fair value.

Self-directed brokerage accounts: Self-directed brokerage accounts generally include equity securities (common stocks) that are traded on a national stock exchange. Valued at the closing price reported on the active market on which the individual securities are traded.

Common collective investment trusts: These funds are valued at the NAV per share of the individual collective trusts included in each respective fund, which is based on the fair value of the underlying net assets. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value.

Investments measured at the NAV practical expedient are summarized as follows:

	2020 Fair Value	2019 Fair Value	Redemption Frequency	Redemption Notice Period
Common collective investment trusts:				
Lifecycle	$ 8,685,461	$ 8,089,016	Daily	None

There were no unfunded commitments for these investments at December 31, 2020 and 2019.

OB/GYN SPECIALISTS OF THE PALM BEACHES, II, LLC
401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

The objectives for the investments measured using the net asset or unit value are as follows:

Lifecycle: To invest in a diversified asset allocation which adjusts over time to be more conservative as retirement nears.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

		Fair Value Measurements Using:		
December 31, 2020:	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual and money market funds	$ 15,970,958	$ 15,970,958	$	$
Self-directed brokerage funds	5,730,791	5,730,791

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the accompanying statements of net assets available for benefits.

Gains and losses (realized and unrealized) included in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2020 are reported in net appreciation in fair value of investments.

5. GROUP ANNUITY CONTRACT:

The Plan has a group annuity contract with Great-West Life & Annuity Insurance Company, the Custodian, that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract since the contract was determined to be fully benefit-responsive. The contract is included in the financial statements at contract value. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

OB/GYN SPECIALISTS OF THE PALM BEACHES, II, LLC
401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest is based on a formula agreed upon with the issuer but may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan Document (including complete or partial Plan termination or merger with another plan) (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The group annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The average yield earned by the Plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The average for 2020 was 1.04%.

The actual average yield earned by the Plan for the benefit responsive fund can be derived by averaging the Plan’s quarterly interest rates. That average for 2020 was 1.04%.

6. PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are managed by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the Custodians of the Plan. These transactions qualify as party-in-interest transactions.

Certain investment related fees incurred by the Plan have been included in net appreciation/depreciation in fair value of investments as they are paid through revenue sharing rather than as a direct payment.

OB/GYN SPECIALISTS OF THE PALM BEACHES, II, LLC
401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

The Custodians receive fees for contract administrative and investment services provided. Fees paid using Plan assets during the year ended December 31, 2020 for those services totaled $82,980. These fees were based on customary and reasonable rates for such services. The Plan Sponsor directly pays any other fees related to the Plan's operations. The Plan Sponsor also provides certain accounting and administrative services to the Plan for which no fees are charged.

7. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

9. RECONCILIATION TO FORM 5500:

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500:

	2020	2019
Net assets available for benefits per the financial statements	$ 32,842,857	$ 28,991,618
Net appreciation in fair value		101,929
Net assets available for benefits per the Form 5500	$ 32,842,857	$ 29,093,547

10. COVID-19:

On January 30, 2020, the World Health Organization (“WHO”) announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the “COVID-19 outbreak”) and the risks to the international community as the virus spread globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

OB/GYN SPECIALISTS OF THE PALM BEACHES, II, LLC
401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and contributed to deterioration and instability in financial markets. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and the related impact on the Plan's liquidity cannot be determined at this time.

11. SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through October 8, 2021, the date which the financial statements were available to be issued. No significant subsequent events have been identified by management.
