INDEPENDENT AUDITORS' REPORT

Coastal Deli, Inc. dba Jason's Deli, Sponsor
Coastal Deli, Inc. 401(k) Plan
Corpus Christi, Texas

Opinion

We have audited the accompanying financial statements of the Coastal Deli, Inc. 401(k) Plan (the Plan), which comprise the statement of net assets available for benefits, as of December 31, 2020, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to in the preceding paragraph present fairly, in all material respects, the net assets available for benefits of Coastal Deli, Inc. 401(k) Plan as of December 31, 2020, and the changes in its net assets available for benefits for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coastal Deli, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Deli, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coastal Deli, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Deli, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the basic financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year), referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT

Coastal Deli, Inc. dba Jason's Deli, Sponsor
Coastal Deli, Inc. 401(k) Plan
Corpus Christi, Texas

Report on the Financial Statements
We have audited the accompanying financial statements of the Coastal Deli, Inc. 401(k) Plan (the Plan), which comprise the statement of net assets available for benefits, as of December 31, 2019 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to in the preceding paragraph present fairly, in all material respects, the net assets available for benefits of Coastal Deli, Inc. 401(k) Plan as of December 31, 2019, and the changes in its net assets available for benefits for the year then ended in accordance with accounting principles generally accepted in the United States of America.

COASTAL DELI, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 1 – PLAN DESCRIPTION

The following description of the Coastal Deli, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Coastal Deli Inc. dba Jason's Deli (the Company) who have completed one year of service, worked 1,000 hours, and attained the age of 21. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustees oversee governance of the Plan by determining the appropriateness of the Plan's investment offerings and monitoring performance.

Contributions

The Company contributes, on behalf of each participant, an amount elected by the participant in his or her salary modification agreement. Participants direct the investment of their contributions into various mutual fund options offered by the Plan. The Plan currently offers various mutual fund accounts, which are further disaggregated at Note 3. Participants can elect to contribute a percentage or fixed amount of their compensation to the Plan, subject to limitations contained in Internal Revenue Code Section 415, which generally apply to highly compensated employees. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may contribute a discretionary matching contribution equal to a uniform percentage to be determined each year by the Company. The Company contributed 20% of the first 6% of base compensation that a participant contributes to the Plan for 2020 and 2019. The Company's matching contributions for the years ending December 31, 2020 and 2019 were $32,077 and $30,373, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest rate ranging from 3.25% to 5.50% which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions.

NOTE 1 – PLAN DESCRIPTION (Continued)

Payment of Benefits

Benefits, normally paid in a lump sum, are distributed upon termination, retirement or hardship. In-service distributions can be made once the participant reaches the age of 59 ½ and is 100% vested. Normal retirement age under the Plan is sixty-five and five years of participation.

Forfeited Accounts

At December 31, 2020 and 2019, forfeited non-vested account balances totaled $2,640 and $4,772, respectively. These balances will be used to reduce the Company's contributions.

Vesting

Participants are immediately vested in their contributions plus actual earnings. Vesting in the Company's contributions is based on the number of years of service according to the following schedule, excluding years prior to age 21:

Years of Services	Vesting Percentage
0 - 1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared using the accrual basis of accounting. Employee contributions are recognized as revenues in the period in which salaries are earned. Employer discretionary contributions are recognized as revenues in the period in which determined. Benefits payable are recognized when due and payable in accordance with terms of the Plan.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported on contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Expenses
All operating expenses of the plan are paid by the Company and are therefore excluded from these financial statements.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2020 and 2019, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition
Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for the discussion of fair value measurements. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits
Benefit payments are recorded when paid.

Excess Contributions Payable
Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as corrective distributions payable, with a corresponding reduction in 2020. There were $11,767 in excess contributions for the years ended December 31, 2020. There were no excess contributions in 2019.

Date of Management's Review
Subsequent events were evaluated through August 31, 2021, which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1) and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used only when Level 1 was not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were unavailable. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities & Exchange Commission. The funds must publish their daily net assets value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Fair values of assets and liabilities measured on a recurring basis at December 31, 2020 and 2019, respectively, are as follows:

		Fair Value Measurements at End of the Reporting Period Using:		
	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2020				
Mutual funds	$ 3,179,721	$ 3,179,721	$ --	$ --
December 31, 2019				
Mutual funds	$ 2,480,708	$ 2,480,708	$ --	$ --

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2020 and 2019, are reported in net appreciation in fair values of investments. The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2020 and 2019, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination or complete discontinuance of contributions, participants would become 100% vested in their employer contributions.

NOTE 5 – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated September 4, 2001, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan sponsor believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any periods in process. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

NOTE 6 – TERMINATED EMPLOYEES

The Plan has a "cash out" provision whereby the Plan can distribute the vested account balance for terminated participants with account balances of $5,000 or less. The Plan had fourteen (14) terminated participants with account balances of $5,000 or less at December 31, 2020. Funds under $5,000 that had not been paid totaled $24,935 at December 31, 2020. The Plan had twenty-four (24) terminated participants with account balances of $5,000 or less at December 31, 2019. Funds under $5,000 that had not been paid totaled $22,459 at December 31, 2019.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRASNACTIONS

Certain Plan investments are shares of mutual fund accounts managed by American Funds. American Funds is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. However, no fees were paid by the Plan for the investment management services for the year ended December 31, 2020.

All of the party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
