INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Moran & Company 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Moran & Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Moran & Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Moran & Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

525 E. NORTH STREET, SUITE D, BRADLEY, IL 60915 PHONE: (815) 933-5641 FAX: (815) 939-0016 WWW.RAYMONDCPAGROUP.COM

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Moran & Company 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Moran & Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Moran & Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at year end) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Moran & Company 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Moran & Company 401(k) Plan, as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Matrix Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statement. Accordingly, we do not express an opinion on the 2019 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2019 Financial Statement

The form and content of the information included in the 2019 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note 1: Description of the Plan

The following description of the Moran & Company 401(k) Plan (the "Plan") provides only general information. For a more complete description of the Plan's provisions refer to the agreement governing the Plan (the "Plan Agreement").

General

The Plan was established in 1999 to provide pension and profit-sharing benefits to all qualifying employees of Moran & Company. The Plan is subject to the provisions of the Employee Retirement Income Security of 1974 as amended. Participation in the Plan is entirely voluntary. An eligible employee is any person who is at least age 21 and employed by Moran & Company. The participant becomes eligible to participate in the Plan after the Employee completes one year of service. The Plan's Retirement Committee and Plan administrator control and manage the operation and administration of the Plan. The Plan's Retirement Committee has all powers necessary to carry out the provisions of the Plan and to satisfy the requirements of any applicable law. Correll Co. is the third-party administrator and record keeper of the Plan.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan (limited to annual maximums as determined by the Internal Revenue Code). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution Plans.

Employer safe-harbor contributions may be made to match 100% of participant elective contributions up to 5% of compensation. The employer contribution is 100% vested at the time of the contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on investment earnings or account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Being a safe-harbor Plan, participants are immediately vested in all contributions plus actual earnings thereon.

Investment Options

A participant may direct contributions to their account to any of the available investment options. Income is allocated to participant accounts daily based upon the change in fair value of the individual mutual funds.

Note 1: Description of the Plan (Cont'd)

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lessor of $50,000 or 50 percent of their account balance. The minimum loan amount is $1,000. Loan terms range from 1-5 years. This time frame can be extended for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with the prime rate plus one percentage point. Principal and interest are paid ratably through payroll deductions and are recorded by the Plan when deposited. Interest earned is allocated to the separate accounts of those participants.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's interest in his or her account or annual installments. For termination of service due to other reasons, a participant may receive the value of the interest in his or her account as a lump-sum distribution.

Benefits are recorded when paid. At December 31, 2020 and 2020, there are no participants who have requested payments who remain unpaid.

Forfeited Amounts

Being a safe-harbor Plan, a participant is 100% fully and immediately vested in his or her entire balance under the Plan therefore, at December 31, 2020 and 2019, there were no forfeited non-vested amounts.

Termination

The company has reserved the right to terminate the Plan, reduce or cease contributions at the discretion of the Board of Directors, or to amend the Plan at any time and in any respect. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

Note 2: Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Investment contracts held by a defined contribution Plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair values. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution Plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Therefore, at December 31, 2020 and 2019, the Statement of Net Assets Available for Benefits presents fully benefit-responsive investment contracts at contract value and all other investments at fair value.

Note 2: Significant Accounting Policies (Cont'd)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Administrative Costs

The Plan incurs fees from outside providers for investment advisory services and administrative services including recordkeeping, legal and accounting fees. The amount of such fees fluctuates each year based on a variety of factors. Expenses incurred at the Plan level (general admin expenses or investment service fees) will be allocated to each similarly-situated Participant's account in the Plan in the proportion that the value of each account bears to the aggregate value of such accounts for all similarly-situated Participants. Expenses incurred at the Participant level, as well as the audit fee, will be absorbed by the employer.

Tax Status

The IRS has determined and informed the Plan sponsor in a 2001 letter that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 20, 2021, the date the financial statements were available to be issued.

Coronavirus Aid, Relief, and Economic Security ("CARES") Act

On March 11, 2020, the World Health Organization declared COVID-19 a pandemic. The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. As a result, the Plan's various investment securities have incurred declines in fair value compared to the previous year.

Note 3: Investments Certified by the Trustee (Unaudited)

At December 31, 2020 and 2019, the Plan assets were primarily held by a trustee, Matrix Trust Company. The following is a summary of the Plan's investment information that is included in the financial statements and supplemental schedules based upon information prepared and certified by the trustee and furnished to Plan management. Plan management has obtained certificates as to the completeness and accuracy in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employment Retirement Income Security Act of 1974.

	12/31/20	12/31/19
Investments:		
Mutual Funds	$21,284,425	$19,260,244
Fully Benefit-Responsive Contract	3,097,360	2,372,546
Investment Income (Loss):		
Net Appreciation in Fair Value	2,940,421	3,342,481
Dividends	$639,862	$680,951

Note 4: Fair Value Measurements

The Plan has determined and reported, in the accompanying financial statements of net assets available for benefits, the fair value of certain assets through the application of ASC 820. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Financial assets and liabilities carried at fair value are classified and disclosed in one of the following three categories:

Level 1: Unadjusted quoted prices traded in active exchange or broker markets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2: Quoted prices traded in less active dealer or broker markets. Valuations are obtained from third-party pricing services for identical or similar assets or liabilities.

Level 3: Valuations that are derived from other valuation methodologies including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets.

Note 4: Fair Value Measurements (Cont'd)
When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 and 2 inputs are not available. There are no Plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Fair values of assets measured on a recurring basis at year end by level within the fair value hierarchy are as follows:

	12/31/2020		12/31/2019	
	Fair Value	Level 1	Fair Value	Level 1
Mutual Funds	$21,284,425	$21,284,425	$19,260,244	$19,260,244
Total Investments at Fair Value	$21,284,425	$21,284,425	$19,260,244	$19,260,244

Note 5: Notes Receivable from Participants
Participant loans are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

The participant loan activity at year end is as follows:

	12/31/20	12/31/19
Beginning Balance of Loans	$122,974	$56,575
Current Year Borrowings	59,167	100,000
Current Year Repayments	(70,957)	(33,601)
Ending Balance of Loans	$111,184	$122,974

Note 6: Segregation of Change in Net Assets Available for Benefits
The change in net assets available for benefits at year end is segregated as follows:

Mutual Funds	$2,024,181	$4,247,898
Wilmington Trust/Metlife Annuity Contract	724,814	81,163
Contributions Receivable	16,055	28,030
Participant Loans	(11,790)	66,399
Change in Net Assets Available for Benefits	$2,753,260	$4,423,490

Note 7: Reconciliation of Financial Statements to Form 5500
For the years ended December 31, 2020 and 2019, there are no differences between the financial statements and then corresponding Schedules H of the Form 5500.

Note 8: Guaranteed Investment Contract with Insurance Company

In 2011, the Plan entered into a fully benefit-responsive guaranteed investment contract with Wilmington Trust, N.A (trustee). The trustee maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. MetLife, the guaranteed investment contract issuer, is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Wilmington Trust Collective Investment Trust III for MetLife Group Annuity Contract No. 25444 invests in an insurance company group annuity contract with a guaranteed interest rate adjusted quarterly. The average yield earned by the Contract for year end is as follows:

12/31/20	12/31/19
5.68%	6.69%

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The contract value of the investment contract at year end is as follows:

12/31/20	12/31/19
$3,097,360	$2,372,546

Contract value, as reported to the Plan by the trustee, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is determined quarterly by MetLife but may not be less than zero.

Certain events limit the Plan's ability to transact at contract value with the trustee. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan Participants are probable of occurring.

Note 8: Guaranteed Investment Contract with Insurance Company (Cont'd)
In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following: (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misrepresentation, (d) a material amendment to the agreements without the consent of the issuer.

Note 9: Party in Interest
Members of the Plan's governing committee are participants in the Plan. The Plan's third-party administrator, Correll Co., received the following for valuation and record keeping:

	12/31/20	12/31/19
Correll Co.	$23,857	$22,288

Note 10: Risks and Uncertainties
The Plan invests in various investment securities with concentrations of significant investments in funds offered by Vanguard, and Wilmington Trust which are not federally insured. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
