NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Ohio State Home Services, Inc. Retirement Savings & Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan sponsored by Ohio State Home Services, Inc. (the "Company"), for the benefit of any employee age 18 or over, excluding certain employees whose employment is governed by the terms of a collective bargaining agreement and non-resident aliens. Effective May 22, 2020, the Plan was amended and restated such that employees may make elective deferrals upon attaining six months of service and are eligible for Company contributions upon attaining one year of service. Prior to May 22, 2020, the Plan allowed employees to make elective deferrals after completing 1,000 hours of service by the end of his/her first 12 consecutive months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan was executed December 21, 1995 with an effective date of January 1, 1996.

Contributions:

Participants may make pre-tax or after-tax Roth contributions in any amount up to 99% of their eligible compensation or 100% of eligible bonus compensation, subject to certain limits imposed by the Internal Revenue Service ("IRS"). Unless employees elect otherwise upon becoming eligible to participate in the Plan, they are automatically enrolled to contribute 3% of their pre-tax annual eligible compensation. The Plan also has an auto-escalation feature with respect to participant contributions which will increase deferral percentages on the first day of each Plan year by 1% up to a maximum of 6% of eligible compensation, unless participants elect otherwise. Participants may also contribute amounts representing distributions from other qualified retirement plans. The Plan also provides that participants who are projected to be age 50 or older by the end of the calendar year and who are making deferral contributions to the Plan may also make catch-up contributions, subject to certain IRS limitations.

The Company may elect to make a matching contribution to the Plan. Employer matching contributions at a rate of 50% of the first 6% of a participant's contributions were made for 2020. The Company may also make other discretionary contributions to the Plan; however, no such contributions were made in 2020.

Participant Accounts:

Each participant's account is credited with the participant's contribution and an allocation of any Company contribution and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Participants direct their investment fund options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

OHIO STATE HOME SERVICES, INC. RETIREMENT SAVINGS & TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Notes Receivable From Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to the extent of one-half of their vested account balance under the Plan, not to exceed \$50,000. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions.

Vesting:

Participants are vested immediately in their contributions and employer discretionary contributions plus actual earnings thereon. Vesting in the employer matching contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service (0% in year one, 20% each year thereafter) or in the event of death, disability, or attaining normal retirement age as defined by the Plan.

Payment of Benefits:

On termination of service, as defined, a participant will receive a single lump sum payment or installment payments. If the participant's vested account balance exceeds \$5,000, the participant must consent to the distribution before it is made. Additionally, the Plan has provisions for an active participant to make in-service and hardship withdrawals from his/her account, subject to limitations and restrictions.

Forfeited Accounts:

Any forfeited non-vested accounts may be used to pay administrative fees or to reduce future employer contributions. At December 31, 2020 and 2019, there was \$35,735 and \$6,560, respectively, of unutilized forfeited non-vested accounts. During 2020, employer contributions were reduced by \$3,240 from forfeited non-vested accounts.

Note 2. Summary of Significant Accounting Policies

- A. Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

OHIO STATE HOME SERVICES, INC. RETIREMENT SAVINGS & TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

- B. Investment Valuation and Income Recognition – Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, Mid Atlantic Trust Company, the Custodian at December 31, 2019 and from January 1, 2020 to May 22, 2020, and Great-West Life & Annuity Insurance Company ("Great-West") and Great-West Trust Company, LLC, the Custodian and the Trustee, respectively, from May 23, 2020 to December 31, 2020 (collectively, the "Custodians and Trustee"). See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest and dividends are recorded when received. There is no material difference between the cash and accrual basis of accounting relative to the Plan's investment holdings at December 31, 2020 and 2019. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- C. Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon terms of the Plan document.
- D. Administrative Fees – Fees of the Plan are paid by the Company or the Plan at the discretion of the Company. Fees relating to participant initiated transactions are charged directly to the affected participant's account. In addition, fees may be offset with funds made available by the Custodians and Trustee from fees it receives from investment fund managers.
- E. Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- F. Benefit Payments – Benefits are recorded when paid.
- G. Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 contributions to the applicable participants during 2021.
- H. Subsequent Events – The Plan has evaluated subsequent events through October 11, 2021, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants will receive a total distribution of their account.

Note 4. Unaudited Information

The Custodians and Trustee hold the Plan's investment assets and execute transactions therein. The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodians and Trustee have certified to the completeness and accuracy of all investments reflected in the statements of net assets available for benefits at December 31, 2020 and 2019, notes receivable from participants reflected in the statement of net assets available for benefits as of December 31, 2020, the supplemental schedule at December 31, 2020, the related investment and loan interest activity reflected in the statement of changes in net assets available for benefits from May 23, 2020 to December 31, 2020, and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants. Net investment losses of approximately \$469,000 from January 1, 2020 to May 22, 2020 were not certified and were audited.

Note 5. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data

Level 3 – Unobservable inputs in which little or no market data exists

The following is a description of the valuation methodology used for plan assets measured at fair value:

- The fair value of investments held in the mutual funds is determined based on their quoted closing market prices in active markets for identical investments, and is classified as Level 1.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. There have been no changes in the methodology used from 2019 to 2020. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

OHIO STATE HOME SERVICES, INC. RETIREMENT SAVINGS & TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 5. Fair Value Measurements (Continued)

The following tables set forth by level the Plan's assets at fair value as of December 31, 2020 and 2019:

Assets at Fair Value as of December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$6,143,254	\$ -	\$ -	\$6,143,254

Assets at Fair Value as of December 31, 2019

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$5,996,061	\$ -	\$ -	\$5,996,061

Note 6. Group Annuity Contract

The Plan holds an investment contract which meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Investments in the GWI Fixed Account - Series Class I are reported at contract value as determined by Great-West, which represents contributions plus interest at a specified rate, less participant withdrawals and fees. Great-West maintains the investments in a general account. All transactions within this contract are executed at contract value including full liquidation of the GWI Fixed Account - Series Class I. Great-West is contractually obligated to repay the principal and a specified rate that is guaranteed to the Plan. Great-West has indicated that the guaranteed interest rates are reset quarterly.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on several factors, including the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, and prevailing market conditions.

The GWI Fixed Account - Series Class I does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

OHIO STATE HOME SERVICES, INC. RETIREMENT SAVINGS & TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 7. Income Tax Status

The Plan has adopted an approved volume submitter Plan document. This Plan document has obtained a determination letter dated March 31, 2014 from the IRS in which the IRS stated that the document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since adopting the document. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

The Plan's management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Note 8. Party-in-Interest Transactions

Certain Plan investments are held in a group annuity contract of Great-West. Great-West is Custodian as defined by the Plan. These transactions qualify as party-in-interest transactions.

Administrative expenses were paid to the Trustee and Custodians during the year ended December 31, 2020. These transactions qualify as party-in-interest transactions.

Note 9. Risks and Uncertainties

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10. COVID-19 Global Pandemic

On January 30, 2020, the World Health Organization declared the outbreak of the coronavirus disease 2019 ("COVID-19") a global health emergency and subsequently declared the COVID-19 outbreak a global pandemic in March 2020. The pandemic has adversely affected domestic and global economic activity and the full impact continues to evolve as of the date of this report.
