NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

1. PLAN DESCRIPTION

The following description of the Ambrose Construction Ltd 401k Plan provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

General - The Ambrose Construction Ltd 401k Plan (the Plan) was formed on July 1, 2018 and provides supplemental retirement income to employees of Ambrose Construction Ltd (the Partnership). The Partnership administers the Plan and provides all necessary facilities, services, and administration. Associated administrative expenses of the Plan are paid by the Partnership with minimal fees paid by the Plan participants. The Plan is a defined contribution plan covering employees of the Partnership who have six months of service and are age 18 or older. Once an employee meets eligibility requirements, an employee may enter the plan semi-annually on January 1st and July 1st. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Administrative Committee oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Administrative Committee.

Forfeitures – On or before each anniversary date, any amounts that become forfeitures since the last anniversary date may be made available to be used to pay administrative expenses of the Plan. The remaining forfeitures, if any, shall be used to reduce employer contributions. For the years ended December 31, 2020 and 2019, forfeitures on behalf of employees amounted to $6,369 and $2,465, respectively.

Contributions – Participants may elect to contribute up to the amount allowable under the current IRS rules and regulations. Pursuant to the Plan document, the Partnership may make discretionary employer contributions which are determined by Partnership management on an annual basis. During 2020 and 2019, the Partnership made matching contributions equal to 100% of an employee's salary deferrals up to 3% of an employee's total compensation. The Partnership may also make additional discretionary matching or pro-rata employer contributions as deemed necessary by Partnership management. For the years ended December 31, 2020 and 2019, matching contributions amounted to $168,133 and $146,635, respectively. The Plan is participant directed, and participants may change their contribution rates and investment options at any time. Rollover contributions are permitted only by employees who have satisfied the conditions for participation.

Participant Accounts - Each participant's account is credited with the participant's contribution, benefit payments or withdrawals, the employer's contributions, and allocation of the Plan's earnings or losses. Earnings and losses are allocated daily based on the ratio of an individual's account balance to the total account balances of all participants in the same investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

1. PLAN DESCRIPTION (continued)

Payment of Benefits - Benefits under the Plan are payable in a lump sum of cash or property allocated to the participants account for any of the following reasons: a) retirement on or after age 59 1/2, b) hardship, c) total and permanent disability, d) death, e) termination of employment, f) a federally declared disaster, g) participant's service in the uniformed services while on active duty for a period of at least 30 days, h) plan termination, or i) required distributions for participants turning 70 ½ years of age. Benefits are recorded when paid.

Vesting - Participants are immediately vested in their own contributions and the appreciation or depreciation thereon. If a participant terminates employment prior to normal retirement age for any reason other than death or permanent disability, the participant's interest in the employers' contributions to the Plan for his or her benefit vests as follows:

Years of Service	Percent Of Non-forfeitable Interest
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

For vesting purposes, a participant must complete 1,000 hours of service in the first 12 months of employment or during any subsequent Plan year to qualify for a year of service.

Plan Termination - Although it has not expressed the intention to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires trustees to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Basis of Presentation - The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for plan benefits and changes in those net assets.

Ambrose Construction Ltd
401k Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Federal Income Taxes – The Internal Revenue Service (IRS) has determined and informed the Plan administrator by a letter dated March 31, 2014, that the Prototype Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has not been amended since receiving the determination letter.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Administrative Expenses - Certain administrative functions are performed by employees of the sponsoring company. No such employees receive compensation from the Plan. Administrative expenses for the trustee's fees are paid directly by the Plan sponsor. For the years ended December 31, 2020 and 2019, administrative expenses paid by the Company amounted to $13,498 and $13,765, respectively.

Investments - John Hancock held the Plan's investment assets through a group annuity contract and executed investment transactions. Investment options consisted of shares of registered investment companies (mutual funds). The mutual funds are reported at fair value based on the quoted market price of the fund, which represents the net asset value of the shares held by the fund at year-end. Investment purchase and sales transactions are recognized on the trade date (the date the order to buy or sell is executed). Dividends are recorded on the ex-dividend date. Participants may change their investment options daily. Participants in the Plan may choose to invest both the employee's contributions and employer's contributions in a variety of different options.

3. NON-DISCRIMINATION TESTS

The Plan requires excess contributions plus any income and less any losses to be refunded to the highly compensated employees. For the years ended December 31, 2020 and 2019, corrective distributions amounted to $15,480 and $11,696, respectively.

4. PROHIBITED TRANSACTIONS

According to Department of Labor Regulation 2510.3-102, all participant contributions are considered to be employee contributions under ERISA and generally constitute Plan assets that should be credited to participant accounts as soon as practicable, but in no event more than the 15th business day following the end of the month in which amounts are contributed by employees or withheld from their wages. If contributions are made untimely, it is considered a non-exempt, prohibited transaction. As of December 31, 2020 and December 31, 2019, there were no instances of non-exempt transactions.

NOTES TO FINANCIAL STATEMENTS

5. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2020 and 2019, are reported in net appreciation in fair value of investments.

The plan’s policy is to recognize transfers between Level 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2020 and 2019, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

The following table sets forth, by level within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2020 and 2019:

	2020 Fair Value Measurements Using		
	Level 1	Level 2	Level 3
Registered Investment Companies Held In Pooled Separate Accounts	$ 1,158,163	$ -	$ -

	2019 Fair Value Measurements Using		
	Level 1	Level 2	Level 3

6. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

Investments, at fair value for the years ended December 31, 2020 and 2019:

	2020	2019
Registered Investment Companies Held In Pooled Separate Accounts	$1,158,163	$656,729

7. DATE OF TRUSTEES' REVIEW OF SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date of the Independent Auditors' Report, when the financial statements were available to be issued.

8. RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

9. PARTIES-IN-INTEREST

Plan investments were managed by John Hancock for the years ended December 31, 2020 and 2019. Certain fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest transactions.

Additionally, certain Plan investments are shares of mutual funds managed by John Hancock and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the plan for investment management services, record keeping and information management, and soft dollar commissions amounted to $10,301 and $7,532 for the years ended December 31, 2020 and 2019, respectively.
