INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Berkeley Eye Center 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Berkeley Eye Center 401(k)Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Berkeley Eye Center 401(k)Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Berkeley Eye Center 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Berkeley Eye Center 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Berkeley Eye Center 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Berkeley Eye Center 401(k) Plan 's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets for the year ended December 31, 2020 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Berkeley Eye Center 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Berkeley Eye Center 401(k) Plan, as of December 31, 2019, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by Bank of Texas, a banking division of BOKF, NA, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statement. Accordingly, we do not express an opinion on the 2019 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for the 2019 Financial Statement

The form and content of the information included in the 2019 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note 1 - Description of Plan

General

The Berkeley Eye Center 401(k) Plan (the "Plan"), which was established January 1, 1997 and restated on April 15, 2011, is a defined contribution plan covering all of the eligible employees of Berkeley Eye Center (the "Company", or "Plan Sponsor"). The Plan is a qualified plan as defined by Section 401 (a) of the Internal Revenue Code and contains a provision for salary reduction contributions under Section 401(k) of the Internal Revenue Code. The Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective January 1, 2020 and after, the plan adopted certain modifications provided by the Coronavirus Aid, Relief and Economic Security Act (Cares Act) related to distributions, loans and required minimum distributions. The following description provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Eligibility

From January 1, 2011 through April 14, 2011, employees of the Company who were at least 18 years of age were eligible to participate in the Plan following completion of three months of service. Upon eligibility, employees were allowed to enter the Plan on January 1 or July 1. Effective April 15, 2011, the Plan was amended, allowing for employees of the company who are at least 18 years of age to participate in the Plan, generally following completion of two consecutive months of service. Upon eligibility, employees are allowed to enter the Plan on the first day of each month. The Plan was amended again effective April 30, 2016 with provisions similar to the prior plan except as stated below.

Contributions

Employees may elect to contribute a portion of their eligible compensation to the Plan and may direct their contributions to various investment alternatives. Contributions for employees are limited in any calendar year to an amount which is adjusted annually by the Internal Revenue Service. Participants may also contribute amounts representing distributions transferred from certain other qualified plans. The Company made no matching contributions for 2020 and 2019. Effective May 1, 2016, the plan added a provision whereby all newly eligible employees are automatically enrolled in the plan (1) with a deferral rate set at 3% of eligible compensation, unless they affirmatively elect not to participate or to change this deferral amount, and (2) with permissible withdrawals for all newly hired employees on or after May 1, 2016.

Notes receivable from participants

Participants may borrow up to 50% of the vested balance in their account, limited to $50,000, and subject to a minimum loan amount of $1,000. Notes receivable bear interest at reasonable rates and are secured by the participant's vested account balance. Notes receivable are valued at amortized cost, which approximates fair value. Principal and interest are paid ratably through payroll deductions.

Note 1 - Description of Plan, continued

Participants' Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution and earnings or loss from investment of the contributions. Income for each of the investment directives is allocated to the participants' accounts on a daily basis and is based on the relative units of participation as well as other factors related to eligibility. Employer contributions, if any, are allocated as a uniform percentage of compensation. Benefits paid to participants under the Plan are limited to the vested balance in each participant's account.

Vesting and Payment of Benefits

All participant contributions vest immediately. Company contributions vest according to the following schedule:

Years of Service	Vesting Percentage
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

Participants may elect to receive distributions in a lump sum, or in installments. The normal retirement age under the Plan is 65; however, benefits may be distributed during employment under hardship provisions. Additionally, participants who have attained the age of 59 ½ may withdraw benefits prior to termination of employment. If death or permanent disability occurs during employment, an employee's entire account balance becomes fully vested. Separating participants may elect to rollover their account into another plan, as permitted by Internal Revenue Service regulations.

Forfeitures

Forfeitures may occur in the plan year that a participant receives a distribution of his or her entire vested account.

Forfeitures retained in the Plan are first used to reduce plan expenses and then to reduce the Company's matching contributions. There were no significant forfeitures during the current plan year.

Note 1 - Description of Plan, continued

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 2 - Summary of Significant Accounting Policies

Investments

The Plan's investments are measured at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis.

Basis of Accounting

The financial statements are presented on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. Benefit payments to participants are recorded upon distribution.

Use of Estimates

The preparation of financial statements in conformity with accounting principles in the United States of America requires the Plan to make estimates and assumptions that affect certain reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of additions and expenses during the reporting period. Actual results may differ from those estimates.

Date of Management's Review

Subsequent events were evaluated through October 12, 2021 which is the date the financial statements were available to be issued.

Note 3 – Tax Status

The Plan received its latest determination letter on September 30, 2014 stating that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not been amended since receiving the latest determination letter. The plan administrator believes that

Note 3 – Tax Status, continued

the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements

Note 4 – Uncertain Tax Positions

The Plan did not have unrecognized tax benefits as of December 31, 2020 and does not expect this to change significantly over the next twelve months. Therefore, as of December 31, 2020, the Plan has not accrued interest or penalties related to uncertain tax positions. The Plan remains subject to income tax examination for tax years 2013 and beyond.

Note 5 – Related Party Transactions

The Plan invests in mutual funds that are managed by BOKF, NA dba Bank of Oklahoma, custodian for the Plan. During the year ended December 31, 2020, the Plan paid the custodian or other related entities $22,162 in administrative fees.

Note 6 – Risks and Uncertainties

Plan participants make choices regarding their investment securities, and are exposed to risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that reduction in value can occur in the near term and that such changes could materially affect participant account balances reported in the statement of net assets available for benefits.

Note 7 - Information Certified by the Trustee (unaudited)

At December 31, 2020 and 2019, the Plan's investments were held by Bank of Texas, a banking division of BOKF, NA (the "Trustee"). Among other duties, BOKF, NA receives contributions, invests plan assets, collects income, and makes distributions as directed.

The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Trustee, as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

- Investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2020 and 2019
- Notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2020 and 2019

Note 7 - Information Certified by the Trustee (unaudited), continued

- Net appreciation (depreciation) in fair value of investments and interest and dividends as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2020
- Information contained in the Schedule of Assets Held for Investments at December 31, 2020, as shown on the attached schedule

The Plan's investments are available for sale. The net appreciation (depreciation) in fair value for investments (including realized gains and losses on investments bought and sold, as well as held during the year) as presented on the statement of changes in net assets available for benefits for the year ended December 31, 2020 was $1,404,818. This figure includes a realized gain of $538,459 for the year ended December 31, 2020.

Note 8 – Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the Form 5500 to the financial statements:

	December 31, 2020	December 31, 2019
Net Assets - Form 5500	$ 10,901,449	$ 9,122,181
Accrual for refund of excess contributions payable and rounding	(113,013)	(42,583)
Net Assets Available for Benefits - Financial Statements	$ 10,788,436	$ 9,079,598

	December 31, 2020
Net increase in Net Assets - Form 5500	$ 1,779,268
Add accrual for prior year refund of excess contribution payable	42,583
Less accrual for current year refund of excess contributions payable	(113,013)
Net decrease in Net Assets Available for Benefits - Financial Statements	$ 1,708,838

Note 9 - Fair Value of Financial Instruments

The Plan's investments are reported at fair value in the accompanying financial statements:

	Total	Level 1
December 31, 2020		
Money market accounts	$ 723,980	$ 723,980
Registered investment companies (mutual funds)	4,341,176	4,341,176
Total investment in the fair value hierarchy	5,065,156	5,065,156
Collective investment trust	5,637,091	0
Investment at fair value	$ 10,702,247	$ 5,065,156
December 31, 2019		
Money market accounts	$ 210,765	$ 210,765
Registered investment companies (mutual funds)	3,830,737	3,830,737
Total investment in the fair value hierarchy	4,041,502	4,041,502
Collective investment trust	4,898,203	0
Investment at fair value	$ 8,939,705	$ 4,041,502

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3").

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date;

Level 2 inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly, such as: quoted prices for similar assets or liabilities in either active or inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs are those that are unobservable inputs for the asset or liability.

Note 9 - Fair Value of Financial Instruments (continued)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented. The plan's policy is to recognize transfers between Levels 1 and 2 as of the date of the transfer. Money market accounts which were previously listed as cash are now grouped with investments to comply with the current presentation.

Mutual Funds:

The fair value of mutual funds is based on quoted prices in active markets of the shares held by the Plan at year end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Collective Investment Trusts:

Reported at fair value using net asset value per share (or its equivalent) as a practical expedient and not classified in the hierarchy in accordance with Accounting Standards Codification Subtopic 820-10. Redemptions are transacted at the net asset value of the funds as determined by the close of business each day and there are no restrictions on redemptions.

Note 10 – Excess Contributions Payable

At December 31, 2020 and 2019, the financial statements reflect $113,013 and $42,583 as excess contributions payable. These amounts of corrective distributions are required to satisfy nondiscrimination testing.
