INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
Gulf Pacific Employees 401(k) Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Gulf Pacific Employees 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier which is regulated, supervised and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are performed and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2020, stating the certified investment information, as described in *Note 4* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

INDEPENDENT AUDITORS' REPORT (CONTINUED)

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution which management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining the Plan's transactions which are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report which includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures which are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters which we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of December 31, 2020 are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules which agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule which agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution which management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Gulf Pacific Employees 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan document is controlling at all times. The Plan is sponsored by Gulf Pacific Rice Co., Inc. and the Plan's trustee and custodian is BOKF, N.A. (the "Trustee"). The Plan includes the following participating employers: Gulf Pacific Rice Co., Inc., Gulf Rice Milling, Inc., Harvest Rice, Inc., Agrohansa, Inc., Southwest Spice Company, LLC dba Gulf Pacific Ingredients Co., LLC, Harvest Rice (Otwell), Inc., B'mann Farms, LLC and Next Generation, LLC (collectively, the "Company").

GENERAL

The Plan is available to substantially all employees of the Company upon hire and having reached the age of 21. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

CONTRIBUTIONS

Participants may elect to contribute up to the maximum percentage allowable under law of pretax annual compensation, as defined in the Plan. Upon attaining the eligibility requirements, an employee will be automatically enrolled in the Plan with a deferral amount of 3%, unless otherwise indicated by the employee. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Effective May 29, 2019, the Plan was amended to permit post-tax Roth elective deferrals. The Plan permits rollover contributions from other qualified retirement defined benefit or defined contribution plans; however, in-plan Roth rollover contributions are not permitted.

The Company's matching contribution is discretionary and may change from time to time. The Company currently contributes 25% of a participant's salary deferral, up to the first 4% of base compensation. Additional amounts may be contributed at the option of the Company's board of directors. For the year ended December 31, 2020, the Company made matching contributions of $58,267.

Additionally, the Company has the option to make a profit-sharing contribution. If a participant is not employed with the Company at the end of the Plan year, the participant must have worked 501 hours in order to share in the additional discretionary profit-sharing contribution. For the year ended December 31, 2020, the Company made no profit-sharing contribution.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Separate accounts are maintained for each participant. Participant accounts are credited with participant contributions, rollover contributions, allocations of Company contributions and investment earnings and losses and are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account.

INVESTMENT OPTIONS

Upon enrollment in the Plan, participants may direct the investment of their individual accounts among the alternative options offered by the Plan. The Plan provides for two investment options. The first option offers 22 mutual funds. The second option provides for self-directed accounts in which the participants may invest funds in any investment they choose. Participants may change their investment elections at any time, as well as transfer existing balances between investment funds.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan does not permit notes receivable from participants.

PAYMENT OF BENEFITS

On termination of service for any reason, the participant may receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. In-service distributions are allowed for participants who have reached the age of 59 ½. Hardship withdrawals are permitted from all accounts, within limitations and conditions as defined in the Plan.

VESTING

Participants are immediately vested in salary deferrals and distributions from other qualified retirement defined benefit or defined contribution plans, along with any earnings thereon.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

VESTING (CONTINUED)

Prior to normal retirement age, the employee becomes vested in the Company matching and profit sharing contributions as follows:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants become 100% vested in the event of disability or death. Years of service is defined as any year in which the participant works 1,000 hours.

FORFEITURES

Forfeited non-vested accounts are available to be used to reduce administrative expenses or employer matching contributions. For the year ended December 31, 2020, the Plan applied $4,220 forfeitures to reduce administrative expenses. Forfeited non-vested accounts totaled $259 and $3,154 as of December 31, 2020 and 2019, respectively.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements are prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions which affect the amounts reported in the financial statements, supplemental schedule and accompanying notes. Accordingly, actual results could differ from those estimates.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value, as determined by the Trustee. Fair value is the price which would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The net change in the fair value of investments is reported in the statement of changes in net assets available for benefits in the period of change.

Purchases and sales of securities are recorded on a trade-date basis. Expenses related to the purchase or sale of investments are added to cost or deducted from proceeds. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

Certain fees for services charged by the Trustee may be directly charged to a participant. The Trustee charges the Plan quarterly wealth management fees, which are based on the value of the Plan and paid by the Company. Other administrative costs of the Plan are generally paid by the Company.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan measures and reports certain assets and liabilities at fair value within a hierarchal disclosure framework which prioritized and ranks the level of observable inputs used in measuring fair value. Level one inputs include inputs which are unadjusted, quoted prices for identical assets or liabilities in active markets. Level two measurements include inputs which are either observable prices for identical assets or liabilities in inactive markets, observable prices for similar assets or liabilities, or other inputs derived principally from, or corroborated by, observable market data at the measurement date. Level three inputs are unobservable inputs which are significant to the fair value measurement. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input significant to the fair value measurement.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The fair value of registered investment companies and self-directed accounts is based on net asset values ("NAV") quoted in active markets (level one input). There were no significant transfers between levels of the fair value hierarchy during 2020.

The preceding methods described may produce a fair value calculation not indicative of net realizable value or reflective of future fair values. Although the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Quoted Market Prices in Active Markets (Level One)	Other Observable Inputs (Level Two)	Unobservable Inputs (Level Three)
Registered Investment Companies	$ 5,913,547	$ -	$ -
Self-Directed Accounts	846,606	-	-
Total Assets at Fair Value	$ 6,760,153	$ -	$ -

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019:

	Quoted Market Prices in Active Markets (Level One)	Other Observable Inputs (Level Two)	Unobservable Inputs (Level Three)
Registered Investment Companies	$ 5,022,391	$ -	$ -
Self-Directed Accounts	556,145	-	-
Total Assets at Fair Value	$ 5,578,536	$ -	$ -

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE

The Plan's financial information included in the financial statements and supplemental schedule is based on the information certified by the Trustee as complete and accurate in accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The certified information includes total assets of $6,779,842 and $5,727,350 at December 31, 2020 and 2019, respectively.

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE (CONTINUED)

The Plan's administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5 (c) of Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The assets of the Plan are held by the Trustee. Accordingly, the Trustee has certified the following data included in the accompanying financial statements and supplemental schedule as complete and accurate.

Investments in registered investment companies and self-directed accounts, as shown in the statements of net assets available for Plan benefits at December 31, 2020 and 2019.

Investment activity, as shown in the statement of net changes in net assets available for Plan benefits for the year ended December 31, 2020.

The information in the supplemental schedule of assets (held at year end) as of December 31, 2020.

The Plan's independent public accountant did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – INCOME TAXES

The prototype plan is qualified and the trust established by the Trustee to hold the Plan's assets is exempt from federal income taxes pursuant to the appropriate sections of the Internal Revenue Code by a letter dated March 31, 2008. The prototype has been amended since receiving the determination letter; however, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6 – ADMINISTRATION OF PLAN ASSETS

The Plan's assets are held and certain administrative functions are performed by the Trustee. The Company provides certain administrative functions and absorbs certain administrative costs on behalf of the Plan.

NOTE 7 – PARTY-IN-INTEREST

Net assets available for benefits include investments managed by the Trustee at December 31, 2020 and 2019. As a result, these assets and all transactions relating to these assets qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA. Fees paid by the Plan to the Trustee for administrative services amounted to $5,488 for the year ended December 31, 2020.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible change in values of investment securities will occur in the near term and such change could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan in whole or in part subject to the provisions of ERISA. In the event of Plan termination, including partial Plan termination, active participants will become 100% vested in their accounts and the Trustee will distribute all assets remaining after payment of any expenses chargeable to the Plan to participants or their beneficiaries in accordance with the Plan's provisions.

NOTE 10 – COVID-19 PANDEMIC

On March 11, 2020, the World Health Organization recognized the novel strain of coronavirus, COVID-19, as a pandemic, triggering volatility in financial markets and a significant negative impact on the global economy. The outbreak of COVID-19 is still on-going and the magnitude of impact in the financial markets is highly uncertain and cannot be predicted. The effect of this impact has not been reflected in these financial statements and may adversely affect the Plan's net assets available for benefits. As of the date of the independent auditors' report, the full impact of the COVID-19 pandemic continues to evolve and the related financial impact and duration cannot be reasonably estimated.

NOTE 10 – COVID-19 PANDEMIC (CONTINUED)

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which included several relief provisions available to tax qualified retirement plans and their participants. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan document. The Plan has adopted certain measures included in the CARES Act which allow qualified participants to receive coronavirus-related distributions without penalty and delay repayments of any new or outstanding loans for up to one year. Additionally, required minimum distributions beginning in 2020 will be delayed by one year, but may still be received at the request of a participant.

NOTE 11 – SUBSEQUENT EVENTS

The Plan Administrator has evaluated subsequent events through the date of the independent auditors' report, the date which the financial statements were available to be issued. No matters affecting the accompanying financial statements were noted.
