INDEPENDENT AUDITORS' REPORT

To the 401(k) Plan Administrator and Participants of the
Auris Health, Inc. 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Auris Health, Inc. 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 (in liquidation) and 2019 (ongoing) and the related statement of changes in net assets available for benefits for the year ended December 31, 2020 (in liquidation), and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statements based on conducting an audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2020 and 2019 and for the year ended December 31, 2020, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020 (in liquidation) is required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Emphasis of Matter – Plan Termination

As further discussed in Note 1 to the financial statements, Auris Health, Inc. (the “Plan Sponsor”) was acquired by Johnson & Johnson in 2019. Due to the acquisition, the Board of Directors of the Company froze the Plan and the contributions were suspended effective on July 1, 2019. On February 1, 2021, the Plan was terminated and all assets and liabilities of the Plan were transferred to the Johnson & Johnson Savings Plan. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2019 financial statements to the liquidation basis used in presenting the 2020 financial statements. Our opinion is not modified with respect to that matter.

Report on Form and Content in Compliance with Department of Labor’s Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

AURIS HEALTH, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 (In Liquidation) and 2019 (Ongoing)

1. Description of the Plan

The following description of the Auris Health, Inc. 401(k) Plan (the “Plan”), formerly the Auris Surgical Robotics, Inc. 401(k) Plan, provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution 401(k) profit sharing plan covering all of the full time employees of Auris Health, Inc. (the “Company” and “Plan Sponsor”), formerly Auris Surgical Robotics, Inc. The Plan was adopted on January 1, 2003 and most recently amended and restated on April 21, 2017, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and to certain sections of the Internal Revenue Code (“IRC”). Employees are eligible to participate in the Plan at age twenty-one with no service requirement, excluding leased employees and residents of Puerto Rico. Participants may begin making deferrals into the Plan immediately following eligibility.

The Company was acquired by Johnson & Johnson in 2019. Due to the acquisition, the Board of Directors of the Company froze the Plan and contributions were suspended effective July 1, 2019. Additionally, all employees of the Company became 100% vested in the Plan. On February 1, 2021, the Plan was terminated and all assets and liabilities of the Plan were transferred to the Johnson & Johnson Savings Plan.

Coronavirus Aid, Relief and Economic Security Act

On January 30, 2020, the World Health Organization (“WHO”) announced a global health emergency stemming from a new strain of coronavirus that was spreading globally (the “COVID-19 outbreak”). On March 11, 2020, the WHO classified the COVID-19 outbreak as a pandemic, triggering volatility in financial markets and a significant negative impact on the global economy. However, because the values of the Plan’s individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, cannot be determined. The full impact of the COVID-19 outbreak continues to evolve as of December 31, 2020.

In addition, the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) passed by Congress and signed into law on March 27, 2020, includes provisions that impact retirement plans and their participants by changing existing law regarding early withdrawals, loans, and required minimum distributions. The provisions for participants to take loans or distributions is at the discretion of the Plan Sponsor. Plan Sponsors may elect to implement these provisions with retroactive amendment required by December 31, 2022.

Provisions of the CARES Act include:

- Temporary waiver of required minimum distributions for 2020;
- Increase in participant loan limits from \$50,000 and 50% of a participant’s vested account balance to \$100,000 and 100% of a participant’s vested account balance. These loans are only available up to September 23, 2020. Repayments on the new loan can be delayed for up to one year;
- Delay in repayments between May 27, 2020 and December 31, 2020 (“Suspension Period”) for participants that currently have a loan. At the end of the Suspension Period, the loan is re-amortized by adding the unpaid repayment amounts and a new end date is calculated for the loan; and

1. Description of Plan, continued

Coronavirus Aid, Relief and Economic Security Act, continued

- Distributions of up to \$100,000 if a participant has been diagnosed with COVID-19, or a spouse or dependent has been diagnosed with COVID-19; or is experiencing “adverse financial consequences” from quarantine, furlough, layoff, or reduced hours due to the coronavirus or is unable to work due to the lack of childcare. The CARES Act eliminates the 10% penalty for distributions taken prior to age 59½; however, the distribution should be added to the participant’s taxable income, which can be done over three years. The participant can then repay the amount to the Plan and receive a refund of the taxes paid on it.

Plan Administration

The Company is the administrator of the Plan and has appointed a 401(k) Committee to manage the operation and administration of the Plan. Fidelity Management Trust Company (“Fidelity”) is the appointed trustee for the Plan, and acts at the direction of the Plan’s administrator. The Company paid the majority of all necessary and proper expenses incurred in the administration of the Plan. Such expenses were primarily comprised of legal fees and expenses relating to the maintenance of the Plan’s records.

Contributions

Participants may contribute up to 90% of their pre-tax annual eligible compensation up to the limits imposed by Section 402(g) of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also make post-tax Roth 401(k) contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct their investments of their contributions into various investment options offered by the Plan. The Plan allows for discretionary matching employer contributions as approved by the Plan Sponsor. As the Plan was frozen effective July 1, 2019, there were no contributions to the Plan for the year ended December 31, 2020.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, employer contributions, if any, Plan earnings or losses, and rollovers from other qualified plans. Plan earnings or losses are allocated based upon each participant’s account balance. Certain fees are charged to the fund investments and are offset against Plan investment income and loss as presented on the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts.

AURIS HEALTH, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 (In Liquidation) and 2019 (Ongoing)

1. Description of Plan, continued

Vesting

Participant contributions, rollovers, and net earnings on these contributions, are fully vested when made or earned.

Discretionary employer matching contributions, as well as all earnings on these contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

Upon the Plan Sponsor's acquisition by Johnson & Johnson in 2019, all participant accounts became 100% vested.

Participant Notes Receivable

Participants are allowed to have two loans at any given time. The minimum loan is \$1,000 and the maximum amount is the lesser of one-half of participant's vested account balance or \$50,000. Up to 50% of participant's vested account balance may be used as collateral for any loan. Note receivable terms range from one to five years, except for notes receivable used to purchase a primary residence, which have a maximum term of ten years. The notes receivable are secured by no more than 50% of the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the time the loan originates. Principal and interest are paid in equal installments through semi-monthly payroll deductions. Interest rates on participant notes receivable ranged from 5.25% to 6.50% per annum as of December 31, 2020.

Payment of Benefits

When participants leave the Company, upon normal retirement (age 65) or for any other reason, those participants (or their beneficiaries) may receive the vested value of their salary deferrals, employer contributions (if any), rollovers and the net earnings thereon in a single lump-sum payment.

In-service withdrawals are permitted at age 59½ and for certain immediate financial need (Hardship) as defined by the Plan document.

The benefit to which a participant is entitled is the benefit that can be provided solely from the participant's vested account balance. Participants who separate from service and have vested account balances of \$5,000 or less and do not process their own distribution may receive a lump sum cash payment if the entire vested balance is \$1,000 or less. If the value of the vested account balance is greater than \$1,000 but equal to or less than \$5,000, the account will be automatically rolled over to an individual retirement account designated by the Plan administrator.

AURIS HEALTH, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 (In Liquidation) and 2019 (Ongoing)

1. Description of Plan, continued

Investment Options

Investments of the Plan are held by Fidelity. Upon enrollment in the Plan, a participant may direct his or her contributions in percentage increments into a series of mutual funds and money market funds offered by the Plan. Participants may change their investment options at any time.

Forfeitures

Forfeitures that occur during a Plan year will be used to reduce expenses related to the administration of the Plan and to reduce future employer contributions. Forfeited nonvested accounts as of December 31, 2020 and 2019 totaled zero. During the year ended December 31, 2020, no forfeited funds were used to reduce employer contributions or pay Plan expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

In accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), the Plan has changed its basis of accounting from the going concern basis used in presenting the 2019 financial statements to the liquidation basis used in presenting the 2020 financial statements.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, disclosure of contingent assets and liabilities and changes in net assets available for benefits. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

All investments are recorded at fair value based upon active market values determined by investment advisors as required under ERISA regulations.

Investments in securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the valuation period. In accordance with the policy of stating investments at fair value, net realized and unrealized appreciation (depreciation) for the year is reflected in the statement of changes in net assets available for benefits.

Purchases and sales of securities are reflected on a trade date basis. Interest is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2020, no allowance for credit losses has been recorded.

2. Summary of Significant Accounting Policies, continued

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Such expenses were primarily comprised of fees and expenses related to the maintenance of the Plan's records.

Payment of Benefits

Benefit payments are recorded when paid.

3. Information Prepared and Certified by Trustee (Unaudited)

As of December 31, 2020 and 2019, the Plan's investments were held by Fidelity. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by Fidelity as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA.

	2020 (In Liquidation)	2019 (Ongoing)
Investments, at fair value:		
Mutual funds	\$ 23,979,050	\$ 22,955,288
Money market fund	1,067,354	981,916
	<u>\$ 25,046,404</u>	<u>\$ 23,937,204</u>
Participant notes receivable	<u>\$ 112,195</u>	<u>\$ 163,427</u>
Net appreciation in fair value of mutual funds	<u>\$ 2,411,255</u>	
Dividends and interest	<u>\$ 1,147,996</u>	
Interest on participant notes receivable	<u>\$ 8,184</u>	

4. Fair Value Measurements

Accounting standards for fair value measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under these accounting standards are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

AURIS HEALTH, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

4. Fair Value Measurements, continued

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 (in liquidation) and 2019 (ongoing):

Assets at Fair Value as of December 31, 2020 (In Liquidation)				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 23,979,050	\$ -	\$ -	\$ 23,979,050
Money market fund	1,067,354	-	-	1,067,354
	<u>\$ 25,046,404</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 25,046,404</u>

Assets at Fair Value as of December 31, 2019 (Ongoing)				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 22,955,288	\$ -	\$ -	\$ 22,955,288
Money market fund	981,916	-	-	981,916
	<u>\$ 23,937,204</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 23,937,204</u>

The Plan's valuation methodology used to measure the fair values of mutual and money market funds was derived from quoted market prices, as all of these instruments have active markets.

5. Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Fidelity, the trustee of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

NOTES TO FINANCIAL STATEMENTS

6. Tax Status

The Plan has adopted a Volume Submitter Profit Sharing plan that has received an opinion letter from the Internal Revenue Service dated March 31, 2014, which states that the Volume Submitter document satisfies the applicable provisions of the IRC. The Plan has been amended since receiving that opinion letter. However, the Plan administrator believes that the Plan is currently designed and is currently being operated in compliance with the applicable requirements of the IRC and ERISA, and that the trust, which forms a part of the Plan, is exempt from income tax. Accordingly, no provision has been made for federal or state income taxes.

7. Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

As discussed in Note 1, upon acquisition by Johnson & Johnson, the Company froze the Plan effective July 1, 2019 and all employees of the Company became 100% vested in the Plan. On February 1, 2021, the Plan was terminated and all assets and liabilities of the Plan were transferred to the Johnson & Johnson Savings Plan.

8. Risks and Uncertainties

The Plan provides for various investment securities, which are exposed to various risks such as interest rate, market fluctuation and credit risks. The fair value of investments and securities are sensitive to changes in economic conditions, delinquencies, and defaults, and may be adversely affected by shifts in the market perception of the issuers. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

In March 2020, the WHO declared an outbreak of a novel coronavirus (COVID-19) as a pandemic resulting in adversely impacted global commercial activity and significant declines and volatility in financial markets, resulting in economic uncertainties which may negatively impact investment performance across the globe. The COVID-19 outbreak presents uncertainty and risk with respect to the Plan's performance and its financial results.

Users of these financial statements should be aware that the financial markets' volatility may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments as of December 31, 2020 may not necessarily be indicative of amounts that could be realized in a current market exchange.

9. Subsequent Events

In accordance with accounting standards affecting disclosures of subsequent events, the Plan evaluated subsequent events for recognition and disclosure through October 7, 2021, the date which these financial statements were available to be issued. Management concluded that, other than listed in Notes 1 and 7, no material subsequent events have occurred since December 31, 2020 that require recognition or disclosure in such financial statements.
