IMPRESA AEROSPACE 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

1. DESCRIPTION OF PLAN

The following description of the Impresa Aerospace 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Impresa Aerospace, LLC (the Company). Excluded employees from the Plan include union, leased, non-resident alien, and merger and acquisition employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Employees are eligible to participate in the Plan on the first day of the month following completion of 90 days of service. Subsequent to meeting the eligibility requirements, employees are automatically enrolled in the Plan at a 4% deferral rate unless they elect to opt out or defer a different amount.

Administration

The Plan is administered by the Company.

Contributions

Participants may elect to contribute up to 100% of eligible pre-tax compensation, not to exceed the limits of the Internal Revenue Code (IRC). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company may make discretionary matching and/or profit sharing contributions as determined each year by resolution of the Company's management. For the year ended December 31, 2020, the Company matched 25% of participant deferrals, up to 8% of eligible compensation. Profit sharing contributions are allocated among participants based on a participant's compensation during the plan year compared to the total compensation of all eligible participants. For the year ended December 31, 2020, the Company made no profit sharing contributions.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

1. DESCRIPTION OF PLAN – (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, employer matching contributions, allocations of the Company's profit sharing contributions, if any, and Plan earnings. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the participant's eligible compensation, participant contributions, investment elections, specific participant transactions and/or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may also elect to rollover their account to another tax deferred account or remain in the Plan until they are legally required to begin taking distributions. All vested account balances not exceeding \$1,000 will/may be immediately distributed in a lump-sum payment. All vested account balances exceeding \$1,000, but not exceeding \$5,000, will be rolled into an Individual Retirement Account. With the plan administrator's approval, participants may withdraw all or part of their aggregate contributions in the event of financial hardship.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The Company's matching and/or profit sharing contributions plus actual earnings thereon, become 25% vested following a full year of service, as defined, and continue to vest at the rate of 25% for each successive year of service until 100% vested after four (4) years of service, attaining normal retirement age, death or disability.

Forfeitures

The unvested portion of a terminated participant's account will be forfeited and used to pay Plan expenses, to restore previous forfeitures of participants' accounts, allocated among participants eligible to share during the Plan year, or to reduce future Company contributions. For the year ended December 31, 2020, the Company used \$8,840 of forfeited non-vested accounts to pay Plan expenses. As of December 31, 2020 and 2019, the amount of available forfeitures totaled \$12,534 and \$7,692, respectively.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

1. DESCRIPTION OF PLAN – (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period of time not to exceed fifteen years. The loans are secured by the balance in the participant's account. The interest rate will generally be the prime interest rate charged by banks published in the Wall Street Journal as of the last day of the preceding month plus 1%. Principal and interest is paid ratably through payroll deductions. Participants may only have one loan outstanding at any time.

CARES ACT

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress. Among other things, the CARES Act provided immediate and temporary relief for retirement plan participants with respect to distributions and participant loans. As permitted by the CARES Act, the Plan opted to implement the following provisions for qualified individuals, as defined by the CARES Act:

- Through December 31, 2020, qualified individuals were permitted to take a distribution in an amount up to \$100,000 from the Plan without an early distribution penalty. Participants who take a qualified distribution have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result.
- Through December 31, 2020, qualified individuals could suspend all plan loan repayments. Repayments resumed in January 2021, and the loan term was extended by the amount of time the payments were suspended.
- Until September 23, 2020, qualified individuals who were eligible for a new loan from the Plan were permitted to request a loan of up to \$100,000 or 100% of the participant's vested account balance, whichever is less.

IMPRESA AEROSPACE 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period. Interest income is recorded on the accrual basis.

Subsequent Events

The Company has evaluated subsequent events through the date of the independent auditor's report, which is the date the accompanying financial statements were available to be issued. See Note 12.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative fees and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Plan Fees and Administrative Expenses

Plan fees and administrative expenses are generally paid by the Plan, unless paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain transactional fees are charged directly to the participant's account and are included in administrative expenses.

IMPRESA AEROSPACE 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Use of Estimate

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Corrective Distributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Corrective Contributions Payable

During the year ended December 31, 2020, the Company remitted contributions for one pay period twice in error. This over-funding was refunded to the Company in 2021 and is recorded as a liability.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under this framework are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

IMPRESA AEROSPACE 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

3. FAIR VALUE MEASUREMENTS – (Continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Pooled separate accounts: Valued at the net asset value (NAV) of shares held by the Plan at year end. The pooled separate account's unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market. The NAV is used as a practical expedient to estimate fair value.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with Subtopic 820-10, certain investments with total fair value of \$4,343,404 and \$3,970,870 at December 31, 2020 and 2019, respectively, were measured at NAV per share (or its equivalent) as a practical expedient and have not been classified by level in the fair value hierarchy.

The nature, risks and investment objectives of the investments above, for which fair value is estimated using the NAV as a practical expedient, can be found in the Plan's enrollment literature. These investments can be redeemed immediately and without a redemption notification period. As of December 31, 2020, there were no unfunded commitments associated with any of these investments.

IMPRESA AEROSPACE 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

4. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

5. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company (John Hancock), the custodian of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2020 and 2019.
- Net appreciation in fair value of investments and interest income from notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2020.
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year).

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate or amend the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

7. PARTIAL PLAN TERMINATION

In 2020, the Company reduced its workforce, and as a result determined that a partial plan termination had occurred. Statutes require that all affected participants be fully vested in their account balances, including employer contributions, once a partial plan termination has occurred.

IMPRESA AEROSPACE 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

8. TAX STATUS

The Company adopted a Volume Submitter Profit Sharing Plan which received a favorable opinion letter from the IRS on March 31, 2014, which stated that the Plan, as then designed, was in accordance with applicable sections of the IRC. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain Plan investments were managed by John Hancock, the custodian of the Plan. The Plan paid \$52,718 in contract administration and investment advisory fees during 2020. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. The Company paid certain administrative expenses of the Plan, including recordkeeping and audit fees. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

10. PROHIBITED TRANSACTIONS

During the year ended December 31, 2019, the plan sponsor inadvertently failed to deposit \$50,631 of participant deferrals and payments for notes receivable from participants within the required timeframe as stated by ERISA. These deferrals and payments for notes receivable from participants were deposited beyond the earliest expected date on which assets could be segregated from the employer's assets. The U.S. Department of Labor considers late deposits to be prohibited transactions. The plan sponsor will calculate lost earnings on these deferrals and payments for notes receivable from participants and deposit the lost earnings. The plan sponsor will self-correct these prohibited transactions and does not believe that these issues will have a material impact on the Plan's net assets available for benefits or the Plan's tax status.
