Report on the Financial Statements

We have audited the accompanying financial statements of the NYC Alliance Group LLC 401k Profit Sharing Plan and Trust (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statements of changes in net assets available for benefits for the years ended December 31, 2020 and 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2020 and 2019, and the changes in net assets available for benefits for the years ended December 31, 2020 and 2019 in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 13 through 15 is presented for purposes of additional analysis and is not a required part of the financial statements. The supplemental information on pages 13 through 15 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NYC ALLIANCE GROUP LLC 401K PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2020 AND 2019

Note 1 - Description of Plan and Significant Accounting Policies

The following description of the NYC Alliance Group LLC 401k Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan first became effective January 1, 2016 as a defined contribution profit sharing plan covering eligible employees of NYC Alliance Group LLC, NYC Alliance Company LLC and 525 America LLC (the "Affiliated Companies"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Management has evaluated subsequent events through the date of the auditor's report, the date the financial statements were available to be issued.

Purpose

The purpose of the Plan is to provide retirement benefits to eligible participants.

Participation

Employees of the Affiliated Companies, with the exception of interns, part time, temporary and seasonal employees, are eligible to participate in the Plan after completing two months of service and attaining twenty-one years of age.

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Vesting

Participants are 100% vested in the contributions they make to the Plan including salary deferrals and rollover contributions, plus actual earnings thereon.

Participants are vested in matching and profit sharing contributions subject to a 6 year schedule as follows:

Years of Credited Service	Vested Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

In addition, a participant will become 100% vested in profit sharing, bonus, and matching contributions if he/she (1) attains age 65 while employed by the Employer, (2) becomes permanently and totally disabled, or (3) dies.

Benefits

A participant, or the participant's beneficiary, is entitled to receive benefits, if the participant:

1. Attains age 65 and retires
2. Dies
3. Becomes disabled
4. Terminates employment

Prior to January 1, 2020, Plan regulations mandated that the distribution of a participant's benefit commenced when the participant attained age 70 ½. Effective January 1, 2020, in accordance with the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"), the Plan was amended and mandates that the distribution of a participant's benefit commences when the participant attains age 72.

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Benefits (cont'd)

Benefits are recorded when paid.

A participant may elect any one of the following methods of payment:

a. One lump sum
b. Partial withdrawals
c. Direct rollovers

In accordance with IRS Regulations, minimal account balances may be distributed in one lump sum payment without consent of the participant.

Hardship withdrawals

In the event of certain financial hardships, as defined in the Plan, a participant may apply for a distribution of up to 100% of elective deferrals (excluding earnings on the elective deferrals) and vested matching contributions or nonelective contributions from his/her profit sharing account.

Participant accounts

Individual accounts are maintained for each participant of the Plan and are "participant directed" for investment purposes. Under this strategy, each participant directs the investment of his/her account into various investment options offered by the Plan. Each participant's account is credited with contributions made on his/her behalf. An administrative fee is charged to each participant's account on an annual basis to cover the operating expenses of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The investment options consist primarily of registered investment companies. The Trustees have selected the JP Morgan Smart Retirement Funds, target date retirement funds, as the Plan's Qualified Default Investment Alternative. All Contributions received on behalf of participants who fail to provide investment election forms will be invested in the JP Morgan Smart Retirement Funds, based on the participant's date of birth. Additionally, participants may elect to allocate a portion of their existing accounts and/or future contributions to the JP Morgan Smart Retirement Funds.

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Forfeitures

Portions of non-vested accounts are forfeited at the time a participant terminates service with the Employer and begins receiving distributions of the vested portion of his/her account, or when the participant incurs 5 consecutive one year breaks in service, whichever is later. Forfeited account balances are used to reduce employer contributions. Forfeitures amounted to $34,493 and $42,827 for the years ended December 31, 2020 and 2019, respectively.

Notes receivable from participants

A participant may generally borrow up to 50% of the amount in his or her individual account not to exceed $50,000 of their non-forfeitable balance. The loans are secured by the balance in the participants' accounts. Loans are limited to purposes defined in the Plan and bear interest at the prime interest rate, plus two percentage points. In general, loans must be repaid over a period of five years.

Notes receivable from participants are measured at their unpaid principal balance. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2020 and 2019 no allowances for credit losses has been recorded. If a participant does not make loan repayments in accordance with the terms of the loan and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Plan termination

The Plan Sponsor expects and intends to continue the Plan indefinitely, but reserves the right to amend or terminate it as provided for by the applicable Trust Agreement and Plan provisions. If the Plan is terminated, the rights of all affected participants and beneficiaries, to the value of the amounts credited to participants' accounts, shall be non-forfeitable and the Plan assets will be allocated to pay all obligations of the Plan and to provide benefits to those eligible under the terms of the Plan and as otherwise required by law.

Basis of accounting

The financial statements are presented on the accrual basis of accounting.

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Investment valuation and income recognition

The Plan's investments are stated at fair value. See "Fair value measurements" footnote for additional information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

Administrative costs

The Plan Sponsor has agreed to assist in the administration of the Plan and absorb certain administrative costs related to the Plan.

Note 2 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices, in active markets, for identical assets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement. Level 3 inputs are generally based on the best information available, which may include the reporting entity's own assumptions and data.

Note 2 - Fair value measurements (cont'd)

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Registered investment companies: Valued at the closing price reported in the active market in which the securities are traded.

Investments measured at net asset value: Common/collective trust fund values are estimated by the management of the investment entities.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the tables below are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments, as of December 31, 2020, with fair value measurements on a recurring basis:

	2020	Level 1	Level 2	Level 3
Investments at fair value as determined by quoted market price				
Registered investment companies	$ 4,481,198	$ 4,481,198	$ -	$ -
Total assets in the fair value hierarchy	4,481,198	$ 4,481,198	$ -	$ -
Investments measured at net asset value	31,626			
Investments at fair value	$ 4,512,824			

Note 2 - Fair value measurements (cont'd)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments, as of December 31, 2019, with fair value measurements on a recurring basis:

	2019	Level 1	Level 2	Level 3
Investments at fair value as determined by quoted market price				
Registered investment companies	$ 2,951,875	$ 2,951,875	$ -	$ -
Total assets in the fair value hierarchy	2,951,875	$ 2,951,875	$ -	$ -
Investments measured at net asset value	15,619			
Investments at fair value	$ 2,967,494			

Note 3 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Note 4 - Employers' and participants' contributions

Participants may elect salary deferrals of up to the annual maximum established by the IRS during any plan year. Participants who are age 50 at the end of any calendar year may make "catch up" contributions, up to the annual maximum established by the IRS, during any plan year. The Plan also accepts rollover contributions or transfers to the Plan with the approval of the Plan sponsor. The Employers may make discretionary matching contributions equal to 50% of the elective deferrals, up to 6% of eligible earnings.

Note 5 - Reconciliation of participants' accounts to net assets available for benefits

	2020	2019
Participants' accounts, end of year	$ 4,512,824	$ 2,967,494
Contributions receivable	40,620	-
Notes receivable from participants	88,739	50,587
Net assets available for benefits	$ 4,642,183	$ 3,018,081

Note 6 - Reconciliation of financial statements to Form 5500

For financial statement purposes, participant loans are required to be classified as notes receivable from participants. This differs from the reporting requirements of the Department of Labor which requires that these assets be shown as investments.

Note 7 - Tax Status

On July 8, 2014 the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401 (a) of the Internal Revenue Code. The Plan has not received a determination letter specific to the Plan itself; however, the Plan Sponsor believes that the Plan was designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.
