INDEPENDENT AUDITOR'S REPORT

To the Partners and Management of
FMA Alliance, Ltd.
Houston, Texas

Opinion

We have audited the accompanying financial statements of FMA Alliance, Ltd. (a Texas limited partnership), which comprise the balance sheet as of December 31, 2020 and year, and the related statements of income, changes in partners' capital, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of FMA Alliance, Ltd. as of December 31, 2020 and 2020, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FMA Alliance, Ltd. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FMA Alliance, Ltd.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FMA Alliance, Ltd.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FMA Alliance, Ltd.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1: ORGANIZATION

FMA Alliance, Ltd. (a Texas limited partnership) (the "Partnership") specializes in the billing recovery and collection of consumer receivables due to clients of the Partnership. Clients of the Partnership are primarily comprised of bankcard centers and hospitals located throughout the United States.

The General Partner, FMA Management, Inc. holds a two percent interest in the Partnership and the Limited Partner, Finance Management Association, Inc. holds a ninety-eight percent interest in the Partnership.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Partnership is presented to assist in understanding the financial statements. The financial statements and notes are the representations of management, who is responsible for their integrity and objectivity. These accounting policies reflect industry practices, which conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Cash, Cash Equivalents and Restricted Cash

Cash, cash equivalents and restricted cash include cash on hand, cash in banks, and all highly liquid investments with original maturities of three months or less at the time of purchase. On December 31, 2020, cash and cash equivalents total and restricted cash total $776,282 and $664,361, respectively.

Property and Equipment

Property and equipment are carried at cost and are depreciated over their estimated useful lives (5 to 7 years) using the straight-line method. Software is carried at cost and is amortized over its estimated useful life (3 years). Costs of assets include those capital expenditures which improve the efficiency of the assets or lengthen their useful lives. Expenditures for maintenance and repairs are charged against income as incurred. Costs and related accumulated depreciation of assets sold or otherwise retired are removed from the accounts, and any resulting gain or loss is reflected in income.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

Revenues from collection services are recognized as collections from debtors are received. Payment terms consist of fixed rates based on nature of collections. Certain customers require all amounts collected from the debtor to be remitted to them, resulting in a receivable for commissions earned on such collections.

Revenues from customer services are recognized and billed on monthly basis as services are provided. Payment terms for these contracts consist of fixed amounts for services provided.

Allowance for Doubtful Accounts

The determination of collectability of the Partnership's accounts receivable requires management to make judgments and estimates in order to determine the appropriate amount of allowance needed for doubtful accounts. The Partnership's allowance for doubtful accounts is estimated to cover the risk of loss related to accounts receivable. This allowance is maintained at a level that management considers appropriate based on historical trends of write-offs, recoveries and credit losses, aging of accounts, the careful monitoring of customer credit quality, and projected economic and market conditions. Different assumptions or changes in the economic circumstances could result in changes to the allowance. Accounts deemed uncollectible are applied against the allowance for doubtful accounts. No allowance was deemed necessary as of December 31, 2020.

Federal and State Income Taxes

Federal income taxes are the liability of the individual partners; accordingly, the financial statements do not include any provision for federal income taxes. The Partnership is subject to Texas franchise tax, commonly referred to as the Texas margin tax. Accordingly, a provision and liability for state income tax has been included in the accompanying financial statements. The Partnership applies a more-likely-than-not recognition threshold for all tax uncertainties. Accordingly, only those tax benefits that have a greater than fifty percent likelihood of being sustained upon examination by the taxing authorities are recognized.

As applied to the Partnership, any tax uncertainties would principally relate to state income taxes, or uncertainties in its U.S. Federal income tax return that is used to determine state income tax liability. The Partnership's management has reviewed the Partnership's tax positions and determined there were no significant outstanding or retroactive tax positions with less than a 50% likelihood of being sustained upon examination by the taxing authorities.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Based on its evaluation, the Partnership has concluded that there are no significant uncertain tax positions requiring recognition in its financial statements. The Partnership's evaluation was performed for the tax periods ended December 31, 2015 through December 31, 2020 for U.S. Federal and applicable states, the tax years which principally remain subject to examination by major tax jurisdictions as of December 31, 2020.

Concentrations of Credit Risk

At various times during the year, the Partnership may have bank deposits in excess of Federal Deposit Insurance Corporation insurance limits. Management believes any credit risk is low due to the overall financial strength of the financial institution.

Fair Value Considerations

The Partnership may use fair value to measure certain financial and nonfinancial assets and liabilities. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. The fair value hierarchy established and prioritized fair value measurements into three levels based on the nature of the inputs. The hierarchy gives the highest priority to inputs based on market data from independent sources (observable inputs-Level 1) and the lowest priority to a reporting entity's internal assumptions based upon the best information available when external market data is limited or unavailable (unobservable inputs-Level 3).

Fair Value Considerations (Continued)

The fair value option allows entities to choose, at specified election dates, to measure eligible financial assets and financial liabilities at fair value that are not otherwise required to be measured at fair value. If an organization elects the fair value option for an eligible item, changes in that item's fair value in subsequent reporting periods must be recognized in current earnings. The Partnership did not elect the fair value option for the measurement of any eligible assets or liabilities.

The Partnership's financial instruments (primarily cash and cash equivalents, receivables and payables) are carried in the accompanying balance sheet at amounts which approximate fair value.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Estimates that have the most impact on financial position and results of operations primarily relate to the collectability of accounts receivable, the useful lives of property and equipment and certain accrued liabilities. Management believes these estimates and assumptions provide a reasonable basis for the fair presentation of the financial statements.

NOTE 3: PARTNERSHIP AGREEMENT

Management

The General Partner is responsible for the administration and management of the Partnership. The Limited Partner may not participate in the management of the Partnership, nor does it have the authority to bind the Partnership.

Liability of Limited Partner

The Limited Partner shall have the rights and status of a limited partner under the applicable provisions of the Texas Revised Limited Partnership Act. The Limited Partner shall not have any personal liability whatever, whether to the Partnership, the General Partner or to any creditor of the Partnership, for the debts or obligations of the Partnership. The sole obligation of a Limited Partner is to make its capital contribution to the Partnership.

Allocation of Income and Expenses

Net income or loss is allocated in accordance with the Partner's respective Partnership interest; two percent to the General Partner and ninety-eight percent to the Limited Partner.

Payment of Distributions

Partnership distributions from cash available for distributions, as defined, are made at the General Partner's sole discretion.

NOTE 3: PARTNERSHIP AGREEMENT (Continued)

Term

The Partnership shall continue in full force and effect in perpetuity unless there is an election by the General Partner and a majority interest of the Limited Partners to dissolve the Partnership or there is a withdrawal of the sole remaining General Partner.

NOTE 4: PROPERTY AND EQUIPMENT

Property and equipment consist of the following as of December 31, 2020:

Furniture and fixtures	$	282,033
Office equipment		971,552
Capitalized software		631,419
Leasehold improvements		561,134
Less: accumulated depreciation		(1,791,385)
	$	654,753

Depreciation and amortization expense totaled $216,812 for the year ended December 31, 2020.

NOTE 5: LINE OF CREDIT

The Company has a line of credit with local bank that is renewed yearly. Effective May 30, 2019, the Partnership increased its line of credit to a maximum amount of $1,000,000. The balance due on the line of credit as of December 31, 2019 was $500,000, which was repaid in 2020.

In September 2020, the Company renewed its line of credit for an additional one-year period. The line of credit was increased to $1,500,000 and matures on October 1, 2021. The balance due on the line of credit is due on demand, and if no demand, by the maturity date. The line of credit bears variable interest based on prime rate of the lender (the "Index"), currently 3.25% per annum, plus 0.100 percentage point, for an initial rate of 3.35%. The interest rate on the line will never be less than 3.35% or more than the maximum rate allowed by applicable law. Interest is calculated on balance outstanding using a year of 360 days and is paid monthly. The agreement is guaranteed by the signing partners of the Partnership. On December 31, 2020, there is no balance due on this line of credit. Interest expenses totaled $6,687 for the year ended December 31, 2020.

NOTE 6: CONTINGENCIES

The Partnership is involved in various claims and legal actions arising in the ordinary course of business. In the opinion of management, the ultimate disposition of these matters will not have a material adverse effect on the Partnership's financial position or results of operations.

NOTE 7: LEASES

The Partnership leases its facility and certain equipment under non-cancelable operating leases which expire at various times through December 2020.

As of December 31, 2020, the term of the office lease has ended. Effective March 1, 2021, the lease agreement has been extended for an additional 5-year-term ending February 28, 2026. The Partnership’s office facility lease contains certain short-term abatements, as well as rent escalation provisions during the lease term. The lease also requires the Partnership to pay for certain shared expenses.

Minimum future payments under the noncancellable lease are as follows:

2021	$ 405,560
2022	494,552
2023	503,998
2024	513,452
2025	522,898
2026	87,412
	$ 2,527,872

The Partnership recognizes rent expense for all required lease payments ratably over the lease term. Rent expense for all leases totaled $543,636,732 for the year ended December 31, 2020.

NOTE 8: EMPLOYEE BENEFIT PLANS

The Partnership maintains a 401(k) profit sharing plan covering all employees who have attained age 21 and completed one year of service. The Partnership may match one-half of each employee's eligible contribution. Eligible contributions are limited to 4% of each employee's compensation. For the year ended December 31, 2020, matching contributions totaled $59,478.

NOTE 9: CONCENTRATIONS

Generally, no collateral or other security is required to support client accounts receivable. During the year ended December 31, 2020, revenues earned from three customers represented approximately 18%, 17% and 14% of total revenues. Amounts due from four customers comprised approximately 20%, 16%, 14% and 12% of client accounts receivable at December 31, 2020. A change in the relationship with some of these customers could adversely affect operating results of the Partnership.

Revenues from collection services and customer services represent approximately 77% and 23%, respectively. Additionally, approximately 52% in revenues is earned from Texas.

NOTE 10: RELATED PARTY

At certain times the Partnership may have transaction with related parties. During 2020, transactions were deemed immaterial and at December 31, 2020 the Partnership did not have any balances outstanding to or from related parties.

NOTE 11: CASH, CASH EQUIVALENT AND RESTRICTED CASH

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported in the accompanying balance sheet that sum to the total amounts shown in the statement of cash flows.

Cash and cash equivalent	$ 776,282
Restricted Cash – Client Trust Accounts	664,361
Total cash, cash equivalents, and restricted cash shown in the statement of cash flows	$ 1,440,643

Amounts included in restricted cash represent those required to be set aside by contractual agreements with clients for debt collections. The restrictions stay in place until cash is remitted to clients.

NOTE 12: GAIN ON EXTINGUISHMENT

Gain on extinguishment consists of forgiven loan the Small Business Administration (SBA) in connection with the Paycheck Protection Program. Per program rules, funds received under the program are tax-free when used for specified purposes. In December 2020, the Company demonstrated that monies were used in accordance with program and had the debt forgiven. As of December 31, 2020, no balance is due to the SBA.

NOTE 13: SUBSEQUENT EVENTS

The Partnership has evaluated subsequent events through the date the financial statements were available for issuance on March 5, 2021. No matters were identified affecting the accompanying financial statements or related disclosures.
