Bakery Express 401(k) Plan

REPORT ON THE FINANCIAL STATEMENTS

We were engaged to audit the accompanying financial statements of Bakery Express 401(k) Plan (the "Plan"), which comprise the statements of net assets available for plan benefits as of December 31, 2020, the related statements of changes in net assets available for plan benefits for the years ended December 31, 2020, and the related notes to the financial statements.

MANAGEMENT'S RESPOSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

BASIS FOR DISCLAMER OF OPINION

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that Reliance Trust Company held the Plan's investment assets and executed investment transactions as of December 31, 2020, and for the years then ended. The Plan Administrator has obtained a certification from the trustee as of December 31, 2020, and for the years then ended, that the information provided to the Plan Administrator by the trustees is complete and accurate.

DISCLAMER OF OPINION

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

OTHER MATERS—SUPPMENTAL SCHEDULE

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedule.

Other Matter—2019 FINANCIAL STATEMENTS

The financial statements of the Plan as of December 31, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the custodian. Their report, dated August 20, 2020, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

REPORT ON FORM AND CONTENT IN COMPLIANCE WITH DOL RULES AND REGULATIONS

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. DESCRIPTION OF THE PLAN INCLUDING SUMMARY OF THE SIGNIFICANT ACCOUNTING POLICIES

The following brief description of the Bakery Express 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions. Copies of the Plan document are available from the Human Resources Department.

General

The Plan was originally adopted January 1, 2003, for employees of Bakery Express of Southern California, LLC, (the "Company", "Sponsor" or "Plan Administrator"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Employees must complete three consecutive months of service in order to be eligible to join the Plan and make elective deferral contributions and receive employer matching contributions. Employee participation continues until retirement, disability, termination of employment, or death, at which time the participant's vested account balance becomes payable.

Contributions

Participants may make contributions to the 401(k) Plan in an amount not to exceed 90% of eligible compensation subject to maximum annual legal limits established by the Internal Revenue Code ("IRC"). As of December 31, 2020, the imposed limit was $19,500. Participants who have attained the age of 50 are allowed an additional "catch-up contribution" not to exceed $6,500 in 2020.

The Company provides matching 401(k) contributions at the rate of 50% of the participant's contribution, subject to a maximum of 10% of eligible compensation. Participants direct the investment of their deferred contributions into various investment options offered by the Plan. Participants may elect to change their investment options and transfer their account balances among the different investment options at any time.

Employer and employee 401(k) contributions are recognized in the period in which the related compensation is earned.

Participant accounts

Each participant's account is credited with their contribution and an allocation of: (a) the Company's contribution, (b) the Plan's earnings or losses, and (c) forfeitures of terminated participants' non-vested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or losses on account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF THE PLAN INCLUDING SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Vesting

Participants are immediately vested in their voluntary deferral contributions plus actual earnings thereon. Company matching 401(k) contributions vest on a six-year graduated schedule based upon each 12-month period beginning on the participants' date of hire.

Benefit payments

Upon retirement, disability, or termination of service, a participant may elect to receive a lump-sum cash payment equal to the value of his or her vested account. Participants may also make a financial hardship withdrawal.

Benefit obligations

In conformity with guidance for accounting and disclosure by employee benefit plans, benefit obligations to terminated employees who have withdrawn from participation in the Plan are not accrued in the statements of net assets available for plan benefits; rather, such amounts are disclosed in the notes to the financial statements. There were no such benefit obligations as of December 31, 2020.

Payment of benefits

Benefits are paid directly by the trustee and are recorded when paid.

Notes receivable from participants

Participants may borrow a minimum of $500 up to the lesser of 50% of their vested balances or $50,000. Notes are available from the participants' vested portion of their account balance and are secured by such vested balance. Interest is determined based on the prime rate plus 2%. Participants' notes receivable are for fixed terms, requiring regular periodic repayment by payroll deductions. A note receivable becomes immediately due and payable upon a participant's termination of employment, death, or disability. The notes receivable are valued at their outstanding balance plus accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these

Expenses - Continued

financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Administrative expenses

Expenses related to the administration of the plan are generally absorbed by the Plan and/or Company. For the year ended December 31, 2020, the Plan paid administrative expenses of $470. The Company paid administrative expenses of approximately $14,500 for the year ended December 31, 2020.

Forfeited accounts

The distribution and allocation of Company matching contributions forfeited are available to reduce Plan expenses, to reinstate previously forfeited Company profit sharing contributions account balances of rehired, former participants provided certain provisions in the Plan are met and are allocated to all participants eligible in accordance with Plan provisions. For the year ended December 31, 2020, the forfeiture account balance was $10.

Use of estimates and basis of accounting

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the financial statements and accompanying notes. Actual results could differ from the estimates. The financial statements have been prepared using the accrual basis of accounting.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for Plan benefits.

1. DESCRIPTION OF THE PLAN INCLUDING SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and uncertainties – Continued

As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statements of changes in net assets available for plan benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have.

Investment valuation and income recognition

The Plan's mutual fund investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. The Plan's common collective trust investments are stated at contract value based on the trust fund's underlying investments as based on information reported by the investment advisor using the audited financial statements or daily reported net asset value ("NAV") of the common collective trust fund at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. TAX STATUS

Effective January 1, 2003, the Plan adopted the ADP prototype plan document and is relying on the tax-exempt status from the Internal Revenue Service ("IRS") by a letter dated July 8, 2014, that the Plan and related trust, as then designed, are in accordance with applicable sections of the IRC. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdiction; however, there are currently no audits for any tax periods in progress.

3. INFORMATION CERTIFIED BY TRUSTEE

The following is a summary of the information included in the Plan's financial statements that was prepared by the trustee and furnished to the Plan Administrator. The trustee has certified that such information is complete and accurate.

Assets available for Plan benefits at December 31, 2020:

Mutual funds	$ 891,100
Common collective trusts	$ 437,722
Notes receivable from participants	$ 19,515
Additions to net assets:	
Interest and dividend income	$ 61,991
Net realized and unrealized gain (loss) on investments	$ 151,498

4. PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants shall become fully vested in their account balances and the net assets of the Plan will be allocated to the participants in accordance with the terms of the Plan.

5. RELATED PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Reliance Trust Company. Reliance Trust Company is the custodian for the Plan as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

6. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures* established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

6. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 –Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has ability to access.

Level 2 – Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020.

- *Common Collective Trusts*: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

- *Mutual Funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

6. FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 891,100	$ -	$ -	$ 891,100
Total assets in the fair value hierarchy	$ 891,100	$ -	$ -	891,100
Common collective trusts *				437,722
Investments at fair value				$ 1,328,822

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of net assets available for plan benefits.

7. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 6, 2021 the date on which the financial statements were available to be issued.

On May 1, 2021, Bakery Express of Southern California, LLC was acquired by Innovation Bakers, LLC. The Plan was subsequently adopted by Innovation Bakers, LLC.

8. CARES ACT

Effective April 5, 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to $100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. In addition, effective April 21, 2020, the Plan adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020.
