To the Management of the Diversified Employee Solutions, Inc. 401(k) Retirement Plan

We have conducted a DOL limited-scope audit of the financial statements of the Diversified Employee Solutions, Inc. 401(k) Retirement Plan for the year ended December 31, 2020, and have issued our report thereon dated October 7, 2021. As permitted by 29 CR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and schedules taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than the that derived from the information certified by the custodian, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information related to the planned scope and timing of our audit. We have communicated such information in our letter dated July 5, 2021. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Diversified Employee Solutions, Inc. 401(k) Retirement Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2020. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no sensitive estimates noted in the audit.

The disclosures in the financial statements are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 7, 2021.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the management of the Diversified Employee Solutions, Inc. 401(k) Retirement Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,
Thornhill Financial, LLC

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the Diversified Employee Solutions, Inc. 401(k) Retirement Plan:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Diversified Employee Solutions, Inc. 401(k) Retirement Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2020 and 2019, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedules of Delinquent Participant Contributions for the Year Ended December 31, 2020 and Assets (Held at End of Year) as of December 31, 2020, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

DIVERSIFIED EMPLOYEE SOLUTIONS, INC. 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of the Diversified Employee Solutions, Inc. 401(k) Retirement Plan (the Plan) is provided for general information purposes. Participants should refer to the plan document for more complete information.

The Plan, established on January 1, 1999, is a multiple-employer defined contribution plan covering all eligible non-union employees of Diversified Employee Solutions, Inc. (the Company) and other employers adopting the Plan (Participating Employers). The provisions of the Plan as applicable to the Participating Employers and its employees are based on the selections of the variable features provided in the plan document. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

A non-union employee becomes eligible to participate in the Plan when the eligibility requirements, as defined in the plan document, are met. Once these requirements have been met, an employee may begin to participate in the Plan on the next January 1 or July 1.

Participant Accounts and Contributions

Each participant's account is credited with the participant's contributions, the participating employer contributions, and net investment income. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined by the Plan. Plan participants may contribute 1% to 90% of gross compensation up to the maximum amount allowed, which will not cause the Plan to violate any of its provisions or any limits imposed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Each Participating Employer elects the level of safe harbor, matching and/or profit sharing contributions. Participating Employer contributions for the years ended December 31, 2020 and 2019 totaled \$530,192 and \$631,636, respectively.

Rollover Contributions

Distributions from another qualified plan may be transferred into the Plan. These funds are placed in a rollover contribution account.

Investment Options

Each participant directs the manner in which their contributions, as well as those of the Participating Employers, are to be allocated among the investment options available under the Plan.

Plan Expenses

A portion of the administrative expenses are paid by the Plan. The remainder of the administrative expenses are paid by the Participating Employers.

Party-in-Interest Transactions

Certain plan investments are units of funds managed by John Hancock Life Insurance Company, the custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Vesting

Participants are immediately vested in elective deferrals plus actual earnings thereon. Vesting in Participating Employer contributions and any earnings thereon occurs ratably in 20% increments for each year of service and are 100% vested after five years of service.

Forfeitures

At December 31, 2020 and 2019, forfeited non-vested accounts were approximately \$2,300 and \$2,000, respectively. These accounts are used to reduce future Participating Employer contributions and to pay plan expenses. Forfeitures of approximately \$0 and \$4,300 were used to offset contributions and/or to pay plan expenses for the years ended December 31, 2020 and 2019, respectfully.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of (1) \$50,000, minus the difference between the highest outstanding balance of loans in the past twelve months and the outstanding balance of loans from the Plan on the date the loan is made or (2) 50% of their vested account balance. Loan terms range from one to five years or may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and participants are charged interest on the loans. The interest rates on loans outstanding at December 31, 2020 ranged from 3.25% to 6.50%.

The Coronavirus Aid, Relief, and Economic Security (CARES) Act which was signed into law on March 27, 2020 included provisions to allow plans to make it easier for eligible participants to withdraw funds under certain circumstances. The Plan has implemented provisions permitting eligible participants to suspend loan payments that were due during the period March 27, 2020 through December 31, 2020.

Benefit Payments

Upon termination, disability, retirement, death or financial hardship subject to limitations, the participant or beneficiary may elect to receive a benefit payment of the vested balance in accordance with the provisions of the Plan. A participant with less than \$1,000 in vested benefits will have their account balance distributed directly in cash.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Investments

Gains and losses on sales of securities are based on the actual cost of securities. Dividend income is recorded on the ex-dividend date. Interest from other investments is recorded as earned.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (US GAAP) requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Reclassifications

Certain reclassifications have been made to the 2019 financial statements to conform with the 2020 presentation.

3. INFORMATION CERTIFIED BY CUSTODIAN

The custodian has certified to the completeness and accuracy of the amounts reported as investments, notes receivable from participants, net investment loss and gain, and interest and dividends on the Plan's financial statements and the accompanying supplemental schedule of assets (held at end of year).

4. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	--

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Plan assets measured at fair value are all invested in pooled separate accounts which are valued at the net value as determined by the custodian. The value is based on a pro rata share of the market value of the underlying funds in the separate accounts.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PROHIBITED TRANSACTIONS

During 2019, the Company failed to remit to the Plan certain participant contributions totaling \$300 within the period prescribed by Department of Labor (DOL) Regulations. In 2020, the Company made contributions to the affected participants' accounts to compensate those participants for missed contributions and potential lost income. Procedures have been put in place to ensure that this situation is remedied. During 2020, the Company remitted contributions and loan repayments within the period prescribed by the DOL.

6. INCOME TAX STATUS

The Company adopted a Volume Submitter Profit Sharing Plan with a cash or deferral arrangement which received a favorable determination opinion letter from the Internal Revenue Service (IRS) on March 31, 2014 which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's management believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been made in the accompanying financial statements.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

In order for the Plan to satisfy the non-discrimination tests required under Section 401(k) of the IRC, certain participants were entitled to refunds of contributions made and earnings on those contributions totaling \$17,777 and \$12,022 at December 31, 2020 and 2019, respectively. These refunds have been recorded as a liability in the accompanying financial statements, but are reflected on the Form 5500 when paid. The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2020</u>	<u>2019</u>

8. SUBSEQUENT EVENTS

Plan management evaluated subsequent events through October 7, 2021, the date which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.
