CREWS BANKING RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

NOTE A - DESCRIPTION OF PLAN

The following brief description of the Crews Banking Retirement Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Wauchula State Bank, Charlotte State Bank & Trust, Crews Bank & Trust, Englewood Bank & Trust, and Crews Financial Services (the Banks) upon hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In March 2020, the World Health Organization declared the novel coronavirus (COVID-19) outbreak a global pandemic. The impact of the COVID-19 global pandemic continues to evolve, and its future effects on the Plan's statements of net assets available for plan benefits and statements of changes in net assets available for plan benefits remain uncertain.

In March 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law. The Plan elected to implement certain provisions of the CARES Act that are available to tax qualified retirement plans and their participants. These provisions include, among other things, permitting special COVID-19 related distributions of up to $100,000, increasing the maximum amount of Plan loans to participants to $100,000 for loans made prior to September 23, 2020, deferring payments on certain Plan loans through December 31, 2020, and suspending required minimum distributions for the year ended December 31, 2020.

Contributions

Each year, participants may contribute a minimum of 1% of included compensation up to a maximum based on Internal Revenue Code regulations. Participants direct the investment of their contributions into various investment options offered by the Plan. The Banks have contributed 50% of the first 6% of employees' contributions for the years ended December 31, 2020 and 2019. Additional profit-sharing contributions may be contributed at the option of the Banks' board of directors. Effective January 1, 2013, all new employees are automatically enrolled in the Plan with a 2% contribution. Employees may opt out of automatic enrollment.

Participant Accounts

Each participant's account is credited with the participant's contribution, and allocations of (a) the Banks' contributions, and (b) Plan earnings. Allocations are based upon participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Banks' contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

A participant who retires or becomes disabled will be paid the benefit to which the participant is entitled in one lump sum. If a participant is deceased, the participant's beneficiaries will be paid the entitled benefits in one lump sum. Terminated participants will share in allocations under the Plan until such time as a distribution is made. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. All expenses associated with the distribution of the benefit are recorded at the time of payment. Distributions greater than $1,000 and less than $5,000 are required to be rolled into an individual retirement account unless the participant elects otherwise. Participants with account balances greater than $5,000 may defer payment.

For the year ended December 31, 2020, the Plan elected to implement certain provisions of the CARES Act which include, among other things, special distributions of up to $100,000 for participants affected by COVID-19.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions.

In March 2020, the U.S. government passed the Coronavirus Aid, Relief, and Economic Security ("CARES") Act in response to the negative impact on the U.S. economy caused by the coronavirus disease 2019 ("COVID-19") pandemic. The CARES Act included certain provisions affecting employee benefit plans. The Plan was impacted by certain provisions, including provisions that allowed participants to suspend payments on their loans through December 31, 2020 without causing the loan to become delinquent and go into default.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the non-vested portion of the participant account, as defined, represents a forfeiture. Forfeitures may be used to reduce future employer contributions. Forfeitures of $12,925 and $26,256 were used to reduce employer contributions in 2020 and 2019, respectively. Unallocated forfeiture balances as of December 31, 2020 and 2019 were $39 and $145, respectively.

Unallocated Assets

The Plan holds assets in an unallocated plan expense account which receives contributions as a result of a revenue sharing agreement with Federated Investors Trust Company. During the years ended December 31, 2020 and 2019, contributions of approximately $64,000 and $66,000 were made to the account, respectively. Funds in the account are used to pay qualified Plan expenses including investment management fees, trustee fees, and other administrative fees. During the years ended December 31, 2020 and 2019, approximately $74,000 and $76,000, respectively, were used from this account to pay Plan expenses. The balance in the unallocated plan expense account was $1,916 and $9,613 at December 31, 2020 and 2019, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

The Plan has evaluated subsequent events through October 12, 2021, the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Included in administrative expenses are amounts paid by participants for processing loans and distributions, administrative fees, and investment management fees. To the extent expenses of administering the Plan are not paid by the Plan, the expenses are paid by the Company, and therefore, are not included in the accompanying financial statements.

Recently Adopted Accounting Pronouncements

Fair Value Measurement, Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement: In August 2018, the Financial Accounting Standards Board (FASB) issued amendments to the disclosure requirements on fair value measurements. The amendments remove,

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recently Adopted Accounting Pronouncements (Continued)

modify, and add certain disclosures. The Plan adopted this guidance as of January 1, 2020. The adoption of this guidance did not have an impact on the Plan's statement of net assets available for plan benefits, the statement of changes in net assets available for plan benefits, or disclosures.

NOTE C - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Units of participation of the collective investment funds are valued at the net asset value ("NAV") provided by the funds' trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. The unit price of the investment is quoted on a private market that is not active; however, the unit price is based on underlying investments which are based on observable inputs. This practical expedient would not be used when it is determined to be probable that the funds will sell the investments for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. The Plan can redeem this investment daily. There are currently no redemption restrictions on this investment.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE C - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019:

	Quoted Prices in Active Markets For Identical Assets (Level 1)	Total
December 31, 2020		
Investment type		
Mutual funds	$ 28,989,743	$ 28,989,743
Total assets in the fair value hierarchy	28,989,743	28,989,743
Investments measured at net asset value*:		
Collective investment funds		3,086,109
Investments at fair value	$ 28,989,743	$ 32,075,852
December 31, 2019		
Investment type		
Mutual funds	$ 23,911,305	$ 23,911,305
Total assets in the fair value hierarchy	23,911,305	23,911,305
Investments measured at net asset value*:		
Collective investment funds		2,844,916
Investments at fair value	$ 23,911,305	$ 26,756,221

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE D - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

Plan assets are held by the trustee, SunTrust Bank, in a general asset fund. All securities' values, appreciation, gains, and losses are determined by the trustee. In addition, the Plan administrator has obtained a certification from the trustee that the information provided is complete and accurate.

NOTE D - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN (CONTINUED)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	December 31,	
	2020	2019
Mutual funds	$ 28,989,743	$ 23,911,305
Unallocated insurance contract	33,270	270
Collective investment funds	3,086,109	2,844,916
Total investments	$ 32,109,122	$ 26,756,491
Net appreciation on investments	$ 3,496,803	$ 3,796,582
Interest on investments	$ 55,552	$ 55,441
Dividends	$ 1,072,932	$ 1,002,196

NOTE E - RELATED PARTY TRANSACTIONS

The Plan invests in shares of publicly traded investment funds managed by SunTrust, which acts as trustee for investments of the Plan. Transactions in such investments qualify as party-in-interest transactions and are exempt from the prohibited transaction rules. For the years ended December 31, 2020 and 2019, SunTrust was paid $10,083 and $13,995 respectively, for administrative expenses.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Trustee has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G - INTERNAL REVENUE SERVICE STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market rate, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There are no reconciling items between the financial statements and the Form 5500 for 2020 or 2019, therefore no reconciliation has been prepared.

NOTE J - SUBSEQUENT EVENT

Subsequent to December 31, 2020, the Plan terminated its custodial agreement with SunTrust Bank. In conjunction with the termination of the agreement, the Plan entered into a custodial agreement with Great-West Trust Company and Great-West Life & Annuity Insurance Company.
