Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the trustee and custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee and custodian as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee and custodian is complete and accurate.

H&H CASTINGS, INC. 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE A – DESCRIPTION OF THE PLAN

The following brief description of the H&H Castings, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering substantially all employees of H&H Castings, Inc. (the Sponsor) who have attained age eighteen and have completed 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974. The Plan's administrators determine the appropriateness of the Plan's investment offerings and monitor investment performance. The Plan adopted the provisions of the CARES Act and SECURE Act during 2020. The Plan document will be formally amended by December 31, 2022 in accordance with the legislation.

2. Eligibility

Each employee is eligible to make contributions to the Plan on the first day of the month following the attainment of age eighteen and three months of employment.

3. Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan agreement. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Sponsor may elect to make matching contributions equal to a discretionary percentage of participant salary deferrals as decided by the Sponsor. The discretionary percentage is determined by the Sponsor each year. The percentage for matching contributions for the year ending December 31, 2020 was 25% of employee's contributions up to 4% of the employee's salary. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

4. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Sponsor's contribution, if applicable, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

NOTE A – DESCRIPTION OF THE PLAN – Continued

5. Vesting

Participants are 20% vested in the employer's contribution after 1 year, 40% vested after 2 years, 60% vested after 3 years, 80% vested after 4 years, and 100% vested after 5 years of credited service.

6. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to certain limitations described more fully in the Plan Agreement. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid through regular payroll deductions. During the year ended December 31, 2020, the Plan adopted the CARES Act provision that allowed for Covid-19 related loans made between March 27, 2020 and September 23, 2020 to be made up to the lesser of \$100,000 or 100% of their vested account balance. Additionally, the CARES Act included provisions, adopted by the Plan, that allowed participants to suspend all loan repayments for a year relating to loan repayments due between March 27, 2020 and December 31, 2020.

7. Payment of Benefits

Upon termination of service due to death, disability, retirement or termination of service due to other reasons, a participant or the participant's estate or beneficiary may receive a lump-sum amount equal to the value of the participant's vested interest in the participant's account, but may opt for partial withdrawals. Hardship withdrawals are permitted by the Plan. During the year ended December 31, 2020, the Plan adopted the CARES Act provision that allowed for Covid-19 related hardship withdrawals up to \$100,000 without the 10% early withdrawal penalty.

8. Forfeited Accounts

At December 31, 2020 and 2019, forfeited non-vested accounts totaled \$0, respectively. These accounts may be used to reduce future Sponsor contributions or pay administrative expenses of the Plan. During the year ended December 31, 2020, \$620 was used to reduce Sponsor matching contributions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE B – SUMMARY OF ACCOUNTING POLICIES – Continued

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrators determine the Plan's valuation policies utilizing information provided by investment advisors, custodians and an insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants

Notes receivable from participants are measured at unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

5. Payment of Benefits

Benefits are recorded when paid.

6. Administrative Expenses

Operating expenses are paid partially by the Sponsor with the remainder paid by the Plan. Expenses covered by the Sponsor are excluded from these financial statements.

7. Subsequent Events

The Plan has evaluated events through October 11, 2021, the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2020, and 2019, and net appreciation in fair value and contract value of investments, interest and dividends for the year ended December 31, 2020, was obtained or derived from information provided to the Plan administrator and has been prepared and certified as complete and accurate by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the trustee and custodian of the Plan for the years ended December 31, 2020 and 2019.

NOTE D – FAIR VALUE OF FINANCIAL INSTRUMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets:
- Quoted prices for identical or similar assets or liabilities in inactive markets:
- Inputs other than quoted prices that are observable for the asset or liability:
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

Assets at Fair Value as of December 31, 2020

NOTE E- GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY

The Plan is entered into the Key Guaranteed Portfolio Fund, a fully benefit-responsive guaranteed investment contract with Great-West Life and Annuity Company ("Great-West"). Great-West maintains the contributions in a general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the Statement of Net Assets Available for Benefit at contract value. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The cumulative contract value of this investment contract at December 31, 2020 and 2019, was \$30,038 and \$25,924, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events will limit the Plan's ability to transact at contract value. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition or competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that causes a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE F – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Empower is the record keeper for the Plan. Therefore, these transactions qualify as party-in-interest transactions. Certain fees incurred by the Plan are included in net appreciation in the fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. The Plan paid administrative expenses to Empower totaling \$6,348 for the year ended December 31, 2020. Domani Wealth, LLC (Domani) and Global Retirement Partners, LLC (Global) are investment advisors of the Plan; therefore, transactions between Domani and Global and the Plan are party-in-interest transactions. Fees paid to Domani and Global were \$8,999 and \$1,107 respectively for the year ended December 31, 2020. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE G – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. At termination, each participant's account may be distributed.

NOTE H – TAX STATUS

The IRS issued a standard prototype profit sharing opinion letter to Newport Retirement Services, Inc. dated March 31, 2014, stating that its prototype plan document was designed in accordance with applicable Internal Revenue Code (IRC) requirements as of that date. Although the Sponsor has not applied for a determination letter for the Plan and although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE J – COVID-19 IMPACT

The Plan is operating in an environment in which a global pandemic exists in relations to the novel coronavirus, COVID-19. Plan management does not anticipate impact from the pandemic beyond volatility of market conditions. Management will amend the adoption agreement before December 31, 2022 to formally adopt the provisions of the CARES Act and SECURE Act, which is the date the Plan must have the adoption completed by according to the legislation.
