The financial statements of the Plan as of December 31, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Great-West Trust Company, LLC, the trustee of the Plan. Their report, dated October 5, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2020

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

INCENTIVE SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

NOTE A...DESCRIPTION OF PLAN:

The following description of the JHI Group Inc. Incentive Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL. The Plan is a defined contribution plan covering substantially all employees of JHI Group Inc. who have one year of service, six months after October 28, 2019, and are age eighteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS. Participants may contribute up to 100% of annual compensation pre or post tax, as defined in the plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct investment of their contributions and Company contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3%, 5% after October 28, 2019, of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company contributes 25% of the first 5% of the compensation that a participant contributes to the Plan. Additional profit sharing amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations.

PARTICIPANT ACCOUNTS. Each participant's account is credited with the participant's contributions and Company matching contributions, as well as, an allocation of any Company profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

VESTING. Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contributions portion of their accounts is based on years of continuous service. After two years of credited service, participants vest 20 percent per year of credited service and are 100 percent vested in the company contributions portion of their account, plus earnings, after six years of credited service. In addition, participants become 100 percent vested in the company contributions portion of their account, plus earnings, at attainment of normal retirement age (65), death, or permanent disability.

NOTE A...DESCRIPTION OF PLAN (CONT.):

NOTES RECEIVABLE FROM PARTICIPANTS. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of the vested portion of their account balance. The maximum loan term is five years or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of the prime rate plus 1.0%. Principal and interest is paid ratably through payroll deductions.

PAYMENT OF BENEFITS. Upon termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or in annual installments over a certain period of time. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

FORFEITURES. Forfeitures represent the nonvested portion of withdrawing participant accounts. At December 31, 2020 and 2019, forfeited nonvested accounts totaled $5,994 and $2,847, respectively. These accounts will be used to reduce plan expenses.

NOTE B...SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

1. BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

2. INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the Plan trustee, investment advisers and custodians. See Note C for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B...SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.):

3. NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Certain delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

4. PAYMENT OF BENEFITS

Benefits are recorded when paid.

5. ADMINISTRATIVE EXPENSES

The Company absorbs most of the administrative expenses related to professional service fees on behalf of the Plan. Expenses absorbed by the Company have not been reflected in the financial statements.

6. USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

7. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 9, 2021, the date which the financial statements were available for issue.

NOTE C...FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

NOTE C...FAIR VALUE MEASUREMENTS (CONT.):

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Common/collective trust (CCT): valued at the net asset value practical expedient (NAVPE) of the units held by the plan at year end. The NAVPE is based on the fair value of the underlying assets owned by the CCT, less its liabilities, and divided by the number of units outstanding.

Money funds: valued at the closing price reported in the active market in which the individual securities are traded.

Mutual funds: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2020 and 2019.

NOTE C...FAIR VALUE MEASUREMENTS (CONT.):

NOTE D...UNAUDITED INFORMATION:

For 2020 and 2019, the financial information included in the Plan financial statements, except for contributions receivable, contributions, benefits paid to participants, and notes receivable from participants (after 10/25/19), has been derived from information certified as complete and accurate by Great-West Trust Company, LLC, in accordance with Section 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE E...PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contribution accounts.

NOTE F...TAX STATUS:

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress.

NOTE G...ESTIMATED BENEFITS PAID IN 2021:

The amount of estimated benefits applied for prior to December 31, 2020 and that are to be paid by December 31, 2021 is $0.

NOTE H...RISKS AND UNCERTAINTIES:

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for plan benefits.
