SUBJECT: For the Year Ended December 31, 2020

Auditing standards generally accepted in the United States of America (AU-C 260, *The Auditor's Communication with Those Charged with Governance)* require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities with Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter dated February 17, 2021. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in this letter.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We issued a separate communication dated February 17, 2021 regarding the planned scope and timing of our audit.

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

RSM US Alliance member firms are separate and independent businesses and legal entities that are responsible for their own acts and omissions, and each are separate and independent from RSM US LLP. RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. Following is a description of significant accounting policies or their application that were either initially selected or changed during the year.

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update No. 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework – Changes to Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements for fair value measurements by removing, modifying, or adding certain disclosures. ASU 2018-13 is effective for all entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The adoption of ASU 2018-13 did not have a material effect on the Plan's financial statements.

Significant or Unusual Transactions

We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Management's Judgments and Accounting Estimates

Management is responsible for estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

Assets were measured at fair value in accordance with the Fair Value Measurements and Disclosures Topic of the FASB ASC. Valuation methodologies have been consistently applied from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

Basis of Accounting

The financial statements were prepared on assumption that the Plan will continue as a going concern.

Audit Adjustments

There were no audit adjustments made to the original trial balance presented to us to begin our audit.

Uncorrected Misstatements

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Other Information in Documents Containing Audited Financial Statements

Our responsibility for other information in documents containing the Plan's audited financial statements is to read the information and consider whether its content or manner of its presentation is materially inconsistent with the financial information covered by our auditor's report or whether it contains a material misstatement of fact. We read the Plan's Form 5500 filing for consistency with information in the financial statements. We have provided our comments to management. We are not aware of other documents that contain the audited financial statements.

Supplemental Schedule

With respect to the supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the method of preparing it had not changed from the prior period, and the information is appropriate and complete in relation to the financial statements as a whole. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements, or to the financial statements themselves.

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultations with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed with Management

No significant issues arising from the audit were discussed with or the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Significant Written Communications Between Management and Our Firm

Copies of significant written communications between our Firm and the management of the Plan, including the representation letter provided to us by management, are attached to this letter.

This information is intended solely for the use of the Board of Directors, Plan administrator, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

SUBJECT: For the Years Ended December 31, 2020 and 2019

This representation letter is provided in connection with your audits of the financial statements of the Southern Illinois Bancorp, Inc. 401(k) Plan (Plan) which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

We have determined that the Plan Trustee, Capital Bank & Trust, qualifies to issue a certification of the Plan's asset activity under Section 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations. Therefore, as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to asset information certified or provided by Capital Bank & Trust, the Trustee, other than comparing that information with the related information included in the financial statements. Because of the significance of the information that you did not audit, we understand that you will not express an opinion on the financial statements as a whole.

We confirm, to the best of our knowledge and belief, that as of our signature date:

Financial Statements

2. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

4. We are responsible for making the accounting estimates included in the financial statements. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events and our assumptions about conditions we expect to exist and courses of action we expect to take.

   In that regard, we are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing

services, or other third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Our valuation methodology has been consistently applied from period to period. The method and assumption used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

5. All significant estimates and material concentrations known to management that are required to be disclosed in accordance with the *Risks and Uncertainties* Topic of the Financial Accounting Standards Board Accounting Standards Codification have been properly recorded and/or disclosed in the financial statements. Significant estimates are estimates at the statement of net assets available for benefits dates that could change materially, within the next year. Concentrations refer to nature and type of investments held by the Plan, or markets in which events could occur that would significantly disrupt normal finances, within the next year.

6. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.

7. Transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been properly accounted for and disclosed.

8. All events subsequent to the date of the financial statements, and for which U.S. GAAP requires adjustment or disclosure, have been adjusted or disclosed.

    c. The methods of measurement or presentation have not changed from those used in the prior period.

d. There are no underlying significant assumptions or interpretations regarding the measurement or presentation of such information.
