Culinary Misfit LLC 401(k) Profit Sharing Plan and Trust
Zionsville, Indiana

Report on the Financial Statements

We have audited the accompanying financial statements of the Culinary Misfit LLC 401(k) Profit Sharing Plan and Trust (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019 and the related statement of changes in net assets available for benefits for the year ended December 31, 2020 and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2020 and 2019 and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (Continued)

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2020 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2020, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

CULINARY MISFIT LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

NOTE 1 DESCRIPTION OF PLAN

The following description of the Culinary Misfit LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all employees of Culinary Misfit LLC (the Company), who are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions – Each year, participants may contribute up to the maximum allowed by the Internal Revenue Service (IRS) of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. The Company may make discretionary profit-sharing contributions. During 2020, the Company did not make any such contributions. Contributions are subject to certain IRS limitations.

Participant Accounts – Each participant's account is credited with the participant's contributions and allocations of any Company profit-sharing contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's profit-sharing portion of their accounts is based on years of continuous service. A participant begins to vest after two years of service (20%) and increases ratably until fully vested in year six.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 47.5% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined as loans are requested, is set at the prime rate plus 1.00%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits – Upon termination of service, a participant may elect to receive either a lump-sum distribution equal to the value of the participant's vested interest in his or her account, partial payments, installment payments, or purchase an annuity contract.

Forfeited Accounts – At December 31, 2020 and 2019, there were no forfeited nonvested accounts. These accounts may be used to pay administrative expenses, reduce future employer contributions, or may be allocated to eligible participants' accounts.

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed as they are incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Agreement. No notes have been issued under the Plan.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Certain expenses incurred for maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Recently Adopted Accounting Standards – In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-13, *Fair Value Measurement (Topic 820) Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. The primary focus of ASU 2018-13 is to improve the effectiveness of the disclosure requirements for fair value measurements. The amendments in ASU 2018-13 apply to all entities that are required, under existing U.S. GAAP, to make disclosures about recurring or nonrecurring fair value measurements. Certain of the disclosures that are required by the amendments in ASU 2018-13 are not required for nonpublic entities. ASU 2018-13 is effective for all entities for fiscal years beginning after December 15, 2019. ASU 2018-13 was adopted by the Plan on January 1, 2020 and did not have a material impact on the Plan's financial statements.

Subsequent Events – The Plan has evaluated subsequent events through October 7, 2021, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- a) Quoted prices for similar assets or liabilities in active markets
- b) Quoted prices for identical or similar assets or liabilities in inactive markets
- c) Inputs other than quoted prices that are observable for the asset or liability
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodology used at December 31, 2020 and 2019.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's mutual funds are Level 1 and comprise the Plan's assets at fair value as of December 31, 2020 and 2019. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. At December 31, 2020 and 2019, there are no assets measured using Level 2 or Level 3 inputs.

NOTE 4 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Mid Atlantic Trust Company (MATC). Therefore, these transactions qualify as party-in-interest transactions. MATC receives revenue from mutual fund providers for services MATC provides to the funds. This revenue is used to offset certain amounts owed to MATC for its administrative services to the Plan.

CULINARY MISFIT LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

NOTE 4 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (Continued)

If the revenue received by MATC from such mutual fund service providers exceeds the amounts owed, MATC remits the excess to the Plan. Such amounts may be used to pay plan expenses or allocated to the accounts of the participants. During 2020, there were no excess amounts. The Plan or Company may make a payment to MATC for administrative expenses not covered by revenue sharing.

During the year ended December 31, 2020, the Company failed to remit employee contributions of \$129 in a timely manner. Management is investigating the cause of this error with its payroll processing company so that corrections can be made to ensure all elective deferrals are included in the bi-weekly remittances to the Plan. The Company will take necessary corrective actions on these late remittances.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants could become 100% vested in their employer profit-sharing contributions.

NOTE 6 TAX STATUS

The Plan and trust has been formed utilizing the *Prototype Non-standardized Profit Sharing Plan with CODA* sponsored by Paychex Inc. (Paychex). The IRS has determined and informed the prototype plan sponsor, Paychex, by a letter dated April 10, 2014, that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC); however, such letter is only applicable to Paychex. The Plan administrator has adopted all plan provisions within the prototype document and believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Report on the Financial Statements

We have audited the accompanying financial statements of the Culinary Misfit LLC 401(k) Profit Sharing Plan and Trust (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019 and the related statement of changes in net assets available for benefits for the year ended December 31, 2020 and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2020 and 2019 and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (Continued)

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2020 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2020, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

CULINARY MISFIT LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

NOTE 1 DESCRIPTION OF PLAN

The following description of the Culinary Misfit LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all employees of Culinary Misfit LLC (the Company), who are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions – Each year, participants may contribute up to the maximum allowed by the Internal Revenue Service (IRS) of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. The Company may make discretionary profit-sharing contributions. During 2020, the Company did not make any such contributions. Contributions are subject to certain IRS limitations.

Participant Accounts – Each participant's account is credited with the participant's contributions and allocations of any Company profit-sharing contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's profit-sharing portion of their accounts is based on years of continuous service. A participant begins to vest after two years of service (20%) and increases ratably until fully vested in year six.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 47.5% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined as loans are requested, is set at the prime rate plus 1.00%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits – Upon termination of service, a participant may elect to receive either a lump-sum distribution equal to the value of the participant's vested interest in his or her account, partial payments, installment payments, or purchase an annuity contract.

Forfeited Accounts – At December 31, 2020 and 2019, there were no forfeited nonvested accounts. These accounts may be used to pay administrative expenses, reduce future employer contributions, or may be allocated to eligible participants' accounts.

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed as they are incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Agreement. No notes have been issued under the Plan.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Certain expenses incurred for maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Recently Adopted Accounting Standards – In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-13, *Fair Value Measurement (Topic 820) Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. The primary focus of ASU 2018-13 is to improve the effectiveness of the disclosure requirements for fair value measurements. The amendments in ASU 2018-13 apply to all entities that are required, under existing U.S. GAAP, to make disclosures about recurring or nonrecurring fair value measurements. Certain of the disclosures that are required by the amendments in ASU 2018-13 are not required for nonpublic entities. ASU 2018-13 is effective for all entities for fiscal years beginning after December 15, 2019. ASU 2018-13 was adopted by the Plan on January 1, 2020 and did not have a material impact on the Plan's financial statements.

Subsequent Events – The Plan has evaluated subsequent events through October 7, 2021, the date the financial statements were available to be issued.

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- a) Quoted prices for similar assets or liabilities in active markets
- b) Quoted prices for identical or similar assets or liabilities in inactive markets
- c) Inputs other than quoted prices that are observable for the asset or liability
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodology used at December 31, 2020 and 2019.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's mutual funds are Level 1 and comprise the Plan's assets at fair value as of December 31, 2020 and 2019. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. At December 31, 2020 and 2019, there are no assets measured using Level 2 or Level 3 inputs.

NOTE 4 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Mid Atlantic Trust Company (MATC). Therefore, these transactions qualify as party-in-interest transactions. MATC receives revenue from mutual fund providers for services MATC provides to the funds. This revenue is used to offset certain amounts owed to MATC for its administrative services to the Plan.

CULINARY MISFIT LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

NOTE 4 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (Continued)

If the revenue received by MATC from such mutual fund service providers exceeds the amounts owed, MATC remits the excess to the Plan. Such amounts may be used to pay plan expenses or allocated to the accounts of the participants. During 2020, there were no excess amounts. The Plan or Company may make a payment to MATC for administrative expenses not covered by revenue sharing.

During the year ended December 31, 2020, the Company failed to remit employee contributions of \$129 in a timely manner. Management is investigating the cause of this error with its payroll processing company so that corrections can be made to ensure all elective deferrals are included in the bi-weekly remittances to the Plan. The Company will take necessary corrective actions on these late remittances.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants could become 100% vested in their employer profit-sharing contributions.

NOTE 6 TAX STATUS

The Plan and trust has been formed utilizing the *Prototype Non-standardized Profit Sharing Plan with CODA* sponsored by Paychex Inc. (Paychex). The IRS has determined and informed the prototype plan sponsor, Paychex, by a letter dated April 10, 2014, that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC); however, such letter is only applicable to Paychex. The Plan administrator has adopted all plan provisions within the prototype document and believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
