MIKE'S BIKES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

1. THE PLAN

The following description of Headlands Ventures LLC dba Mike's Bikes (the Company) 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan originally established on July 1, 1999 for the benefit of all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's eligibility requirement permits all employees age 21 or older and who have been with the Company for more than 67 days to participate in the Plan. Effective January 1, 2019, the plan adopted new provisions surrounding hardship distributions as required by law.

Contributions – Participants are able to elect to defer 1% or more of their compensation each year (either pre-tax or after-tax) instead of receiving that amount in cash. The employee contributions are subject to the Internal Revenue Service (IRS) regulation limitations. Plan participants over age 50 are eligible to make catch-up contributions, subject to IRS limitations. Contributions made by highly compensated individuals are subject to certain limitations which essentially require them to be proportional to other participants. The amount by which a participant's contribution exceeds the required limit is refunded to the participant in the succeeding year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment (mutual funds and investment contract) options offered by the Plan. Employee contributions and the discretionary matching contributions are funded bi-weekly into the Plan.

The Company provided a discretionary matching contribution up to 50% of an employee's first 6% of wages contributed to the Plan. The Company may elect to make a discretionary contribution to the Plan. The participants direct the investment of their share of the employer contributions. For the year ended December 31, 2020, the Company made discretionary matching contributions totaling \$109,221. The Company made no other discretionary contributions to the Plan for the year ended December 31, 2020. Contributions are subject to certain IRS limitations.

Participant Accounts – Each participant's account is credited with the participant's contributions and the employer's respective matching contributions and earnings related to the investments in his/her account. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the provisions of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

DECEMBER 31, 2020 AND 2019

1. THE PLAN (continued)

Vesting – Participant contributions plus actual earnings thereon are immediately vested. A participant's interest in the Company's discretionary matching contributions vests as follows:

<u>Year of Employment</u>	<u>Vested Percentages</u>
less than 1	0%
1	25%
2	50%
3	75%
4	100%

Notes Receivable from Participants – Participants may borrow from their fund accounts up to three loans with each loan having a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. For loans taken during 2020, participants may borrow from their accounts a minimum of \$1,000 and up to the lesser of \$100,000 or 100% of the respective vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 2 percent above the prime rate, as defined. Loans are amortized over a term determined by the respective participant with a maximum of 5 years for general purpose loans and up to 30 years for home loans. Principal and interest are paid ratably through payroll deductions. The loans currently outstanding bear interest at a rate ranging from 5.25% to 7.25% per year.

Payment of Benefits – Distributions are payable upon retirement, termination, financial hardship, disability, death or if reached the age of 59 ½. Payments are distributed in a lump sum or partial withdrawals.

Forfeited Accounts – Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. As of December 31, 2020, there were forfeited accounts totaling \$1,003. In accordance with the provisions of the Plan, the forfeited amounts are available to be used to reduce future employer contributions to the plan or pay administrative expenses. For the year ended December 31, 2020, forfeitures of \$1,931 were used for employer contributions.

CARES Act – On March 27, 2020, the federal government signed into law the Coronavirus Aid, Relief, and Economic Security Act ("Cares Act"). The CARES act allows retirement plans to provide participants who are impacted by the coronavirus (as defined in the CARES Act) with greater access to their savings. California passed similar legislation. As permitted by the CARES Act, the Plan opted in to implement the following provisions:

MIKE'S BIKES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

- Through December 31, 2020, qualified individuals are permitted to take a distribution in an amount up to \$100,000 from the Plan. Any such distribution is not subject to the 10% early distribution penalty or the mandatory 20% federal income tax withholding rate.
- Participants who take a qualified distribution have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distributions within three years and not be subject to federal income tax as a result.
- Required minimum distributions for calendar year 2020 are waived for retired and retirement-aged individuals.

Basis of Accounting – The accompanying financial statements have been prepared using the modified cash basis, which is a comprehensive basis of accounting other than generally accepted accounting principles. Accordingly, income is recorded when received rather than when earned, and expenses are recorded when paid rather than when the obligation is incurred.

Investment Valuation and Income Recognition – Investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a settlement-date basis. Interest and dividends are recorded when received. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as the change in value of investments held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are paid. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

Excess Contributions – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded when paid, generally within three months of year end. The Plan was required to provide \$10,298 of such distributions in 2020.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – The Company pays certain expenses associated with the administration of the Plan, including audit fees and costs of communication with participants. Expenses that are paid by the Company are excluded from these financial statements. Cost for processing participant distributions are charged to the individual participant originating the transaction. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Total administrative fees paid by the Plan totaled \$13,901 for the year ended December 31, 2020. Investment related expenses are included in net appreciation in fair value of investments.

Use of Estimates – The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2020 and 2019, and investment income for the year ended December 31, 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Delaware Charter Guarantee & Trust Company dba Principal Trust Company and Principal Global Investors Trust Company, the custodians of the Plan. Principal Global Investors Trust Company provided the certifications related to the collective trust and its related income. Delaware Charter Guarantee & Trust Company dba Principal Trust Company provides the certifications for the mutual funds and the notes receivable from participants and their related income.

4. INVESTMENT – CONTRACT VALUE

The Plan holds one traditional fully benefit-responsive guaranteed investment contract which is invested in a common collective trust, Principal Stable Value Fund. The contract is included in the financial statements at contract value as reported to the Plan by Principal Global Investors Trust Company. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

MIKE'S BIKES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

4. INVESTMENT – CONTRACT VALUE

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the framework are described as follows:

MIKE'S BIKES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

5. FAIR VALUE MEASUREMENTS (continued)

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2: Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means;

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual Funds	\$ 3,492,557	\$ -	\$ -	\$ 3,492,557
Total	<u>\$ 3,492,557</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,492,557</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual Funds	\$ 2,908,251	\$ -	\$ -	\$ 2,908,251

DECEMBER 31, 2020 AND 2019

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan has various agreements with custodians, administrators, investment advisors and other service providers to the Plan (see Note 3 and 4). Such parties are parties-in-interest under the ERISA. Some fees incurred by the plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing and other indirect methods rather than a direct payment. The Plan paid Principal Trust Company \$13,901 in administrative fees during the year ended December 31, 2020.

7. PLAN TAX STATUS AND TERMINATION

The prototype plan under Principal has received a determination letter from the IRS dated March 31, 2014, stating that the form of the plan is acceptable under section 401 of the Internal Revenue Code (IRC). Although the prototype plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, the full value of each participant's account would become fully vested and non-forfeitable.

8. RISKS AND UNCERTAINTIES

The Plan offers its participants various investment options. Investment securities are exposed to various risks such as interest rate changes, significant market fluctuations, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The net assets available for benefits, contributions, and distributions reflected in the financial statements for the year ended December 31, 2020 agree to the amounts reported on Schedule H of Form 5500.

10. SUBSEQUENT EVENTS

Management of the Company has evaluated subsequent events and transactions subsequent to December 31, 2020, for potential recognition or disclosure in the financial statements. Subsequent events have been evaluated through October 12, 2021, the date financial statements were issued.
