Independent Auditor's Report

To the Plan Administrator
Tangram Interiors Employees Retirement Plan
Santa Fe Springs, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2020 Financial Statement

We have performed an audit of the financial statements of Tangram Interiors Employees Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2020 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the certified investment information in the accompanying 2020 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2020 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2020 Supplemental Schedules Required by ERISA

The 2020 supplemental schedules, Form 5500 – Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2020, and Form 5500 – Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020 are presented for purposes of additional analysis and are not a required part of the 2020 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 financial statements or to the 2020 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2019 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2019. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated September 18, 2020, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2019 financial statements, and (b) the form and content of the information included in the 2019 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of Plan

The following description of the Tangram Interiors Employees Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement, as amended, for a more comprehensive description of the Plan's provisions.

General

New Tangram, LLC (the "Company") is a Michigan limited liability company doing business as Tangram Interiors. The Company and certain of its officers serve as the Plan Administrator. The Plan's trustee is Prudential Bank & Trust, FSB, and the Plan's custodian is Prudential Retirement Insurance and Annuity Company (collectively "Prudential"). Prudential holds the assets of the Plan and executes investment transactions, makes payments as directed by the Plan participants, and provides recordkeeping and other functions, as defined.

The Plan is a tax qualified defined contribution profit sharing and 401(k) savings plan covering all qualified full-time employees of the Company who have 60 days of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Eligible employees of the Company may elect to contribute either a specific dollar amount or whole percentages of pretax or after-tax ("Roth") compensation, subject to statutory limitations. The Plan allows participants age 50 and over to make additional salary deferrals (referred to as employee catch-up contributions), subject to statutory limitations.

The Plan provides for an automatic enrollment, whereby the Company will automatically withhold a specific percentage of each eligible employee's compensation and deposit the amount into the Plan as an employee elective deferral, as defined in the Plan documents. The eligible employees automatically enrolled in the Plan may then elect to either (a) not to have elective deferrals made to the Plan under automatic enrollment, or (b) to have elective deferrals made at a different percentage.

Participants may also contribute amounts representing distributions from other qualified plans, which are reflected as rollover contributions in the Statement of Changes in Net Assets Available for Plan Benefits.

The Board of Directors of the Company may elect to make a discretionary employer matching contribution, profit-sharing contribution and/or a discretionary 401(k) bonus contribution to the Plan. No discretionary employer matching, profit sharing or discretionary 401(k) bonus contributions were made during the 2020 plan year.

Participant Accounts

Each participant's account is credited with the participant's contributions, the discretionary employer match or discretionary profit-sharing contributions, if any, and allocations of the Plan's earnings. Participant accounts are charged with allocations of the Plan's losses and with administrative fees associated with loan requests and/or other participant requests, if any. Allocations are based on participant earnings or losses based on the specific investment options

selected. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in the amount of their contributions and actual earnings thereon.

Participants are vested in their discretionary employer matching contributions and profit-sharing contributions in accordance with the following schedule:

Years of Service	Vesting Percentage
Less than 1 year of service	0%
1 but less than 2	25%
2 but less than 3	50%
3 but less than 4	75%
4 or more	100%

Participants receive one year of vesting service upon completion of 1,000 hours of service for a 12-consecutive month period, ending on the last day of each plan year.

Forfeitures

Any participant who terminates his/her employment prior to the completion of the minimum number of applicable years forfeits his/her unvested employer contributions under the Plan. Forfeitures shall be used, first, to pay administrative expenses incurred by the Plan and, second, to restore previous forfeitures of participants' accounts. Any remaining forfeitures will, at the direction of the Company be allocated to participants or used to reduce employer matching or discretionary contributions. There were $4,075 and $384 forfeitures included in Plan assets at December 31, 2020 and 2019, respectively. During the year ended December 31, 2020, no forfeitures were used to pay administrative expenses, restore previous forfeitures of participants' accounts, or reduce employer contributions.

Investment Options

Upon enrollment in the Plan, eligible employees of the Company may direct participant and employer contributions in 1% increments among various Prudential investment options available in the Plan.

Cares Act

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security ("CARES") Act was enacted and signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to $100,000
- Increase in the available loan amount to the lesser of $100,000 or 100% of the participant's vested account balance

- Extend the period for loan repayments, if applicable, up to one year
- Suspend required minimum distributions for 2020

Notes Receivable from Participants

Notes receivable from participants consist of participant loans that are secured by the balance in the participant's account. Participants are permitted to borrow from their fund accounts a minimum of $500 up to a maximum of (1) 50% of the participant's vested account in the Plan, or (2) $50,000, reduced by the highest loan balance during the previous 12 months. The maximum number of Notes outstanding at any one time is two. Loans must be repaid within five years (unless loan proceeds are used to purchase a principal residence, which extends the repayment term up to 15 years), and must be repaid in scheduled payments through regular payroll deductions. The loans bear a reasonable rate of interest (1% above prime rate), as determined at the time of the loan by the Plan Administrator. The interest rate will be fixed for the duration of the loan, unless the participant chooses to refinance the loan, which is available under certain conditions. As of December 31, 2020, interest rates on outstanding notes receivable from participants ranged from 4.25% to 6.50%, maturing on various dates through November 2034.

Payment of Benefits

Upon termination of service due to death, disability, retirement, circumstances of financial hardship or separation, benefits of participants with a vested value in the Plan of more than $5,000 may be distributed in a single lump-sum payment at the end of the valuation date following termination of employment, or six months after the participant's 59th birthday, at the discretion of the participant. Benefits may be distributed to terminated participants prior to the participant's retirement date at the request of the participant.

Upon termination of service, participants with account balances not in excess of $1,000 will receive an automatic lump-sum payout. For participants with account balances in excess of $1,000, but not in excess of $5,000, participants may elect to (1) receive a lump-sum payout, or (2) rollover the account to another qualified plan or an Individual Retirement Account ("IRA"). If the participant does not make an election, the amount will be rolled over into an IRA selected by the Plan sponsor on behalf of the participant. For participants with account balances in excess of $5,000, no distribution will occur until a withdrawal request form is completed. A participant may elect to leave his or her account balance in the Plan, receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or rollover the account to another qualified plan or an IRA.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could materially differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value (Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by Prudential. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Management determines the collectability of notes receivable from participants on a periodic basis. There were no credit loses as of December 31, 2020 and 2019. This determination is made based on the terms of the Plan document and the related Plan policies and procedures. If notes receivable from participants are deemed to be uncollectible, they are written off and included as benefits paid to participants in the financial statements and deemed distributions in the Form 5500 for financial reporting purposes in the year the determination is made. Amounts recovered on notes receivable from participants previously deemed uncollectible are reported as a reduction of benefits paid to participants in the financial statements and the Form 5500 for financial reporting purposes in the year the recovery is made. During the year ended December 31, 2020, there were no amounts recovered on notes receivable from participants previously deemed uncollectible. During the year ended December 31, 2020, $13,702 of defaulted notes were recorded as deemed distributions and included in benefits paid to participants in the accompanying Statement of Changes in Net Assets Available for Plan Benefits.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Charges related to certain participant initiated transactions, including fees related to the administration of notes receivable from participants, are directly paid from each respective participant's account. Administrative expenses paid by the Plan totaled $5,817 for the year ended December 31, 2020. Investment related expenses are included in net appreciation of fair value of investments.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits. See Note 2, *Subsequent Events*, for additional information.

The Plan invests in various investment options that hold securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve. This pandemic has adversely affected global economic activity and contributed to volatility in financial markets. Since the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants prior to March 15, 2021.

Subsequent Events

The Plan has evaluated subsequent events from the date of the Statements of Net Assets Available for Plan Benefits through October 12, 2021, the date the accompanying financial statements were available to be issued.

3. Contracts with Insurance Company

The Plan invests in a fully benefit-responsive group annuity contract with Prudential, by investing in the Guaranteed Income Fund ("GIF") totaling $2,907,833 and $2,488,683 at December 31, 2020 and 2019, respectively. Prudential maintains the contributions in its general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. There are no reserves against contract value for credit risk of the issuer or otherwise.

The GIF specifies that generally there are not events that could limit the ability of the Plan to transact at contract value paid within 90 days or in rare circumstances, contract value paid over time. There are not events that allow the issuer to terminate the contract and which require the plan sponsor to settle at an amount different than contract value paid either within 90 days or over time. Currently,

management believes that the occurrence of an event that would cause the Plan to transact contract distributions at less than contract value is not probable.

The crediting interest rate of the contract is based on an agreed-upon formula with the custodian, as defined in the contract agreement, but cannot be less than 1.4%. Such interest rates are reviewed on a semiannual basis for resetting.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2, input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2020 and 2019. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net assets value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate account: The pooled separate account invests mainly in short term securities such as commercial paper. Units held in pooled separate account are stated at fair value using the NAV per share (or its equivalent) as a practical expedient as reported by the Prudential, based on pricing inputs, including quoted market prices for similar assets in active or non-active markets.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019:

December 31, 2020	**Level 1**	**Level 2**	**Level 3**	**Total**

Total investments at fair value	$ 20,981,305	$ -	$ -	$ 21,743,916

(1) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Plan Benefits.

5. Certified Investment Information

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Prudential, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the Statements of Net Assets Available for Plan Benefits as of December 31, 2020 and 2019;
- Investment activity, including the net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants, as reflected in the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2020;
- Investment values as of December 31, 2020 and 2019, as disclosed in Note 4; and
- Investments and notes receivable from participants, as reflected in Schedule I - Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020, as shown on the supplemental schedule.

The Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to this certified information, except for comparing such certified information with the related information included in the financial statements and supplemental schedules.

6. Tax Status

The Plan has adopted the Volume Submitter Profit Sharing Plan with CODA, which received a favorable opinion letter from the IRS dated March 31, 2014, which stated that the prototype plan is in compliance with applicable sections of the IRC. The Plan has since been amended. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for federal or state income taxes is reflected in the accompanying financial statements.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Plan Termination

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, affected participants will become 100% vested in all of their accounts. The Plan sponsor will facilitate the distribution of account balances in single lump sum payments to each participant in accordance with Plan provisions until all assets have been distributed by Prudential.

8. Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by Prudential, or affiliates of Prudential. Prudential is the trustee, custodian and record-keeper for the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined by ERISA. Notes receivable from participants also qualify as party-in-interest transactions. Administrative expenses paid by the Plan to the trustee, and its affiliates, also qualify as party-in-interest transactions.

Through an agreement with Prudential, the Plan maintains a Plan Expense Account included within net assets available for plan benefits, which represents an annual budget allowance provided by Prudential available for the payment of qualified Plan expenses. For the year ended December 31, 2020, $49,500 was used from the annual budget allowance to pay qualified expenses.

9. Delinquent Participant Contributions

During 2020 Plan year, the Company failed to remit certain participant contributions to the Plan within the time period prescribed by ERISA, as described in 29 CFR 2510.3-102. Late transmissions of participant contributions constitute a prohibited transaction under ERISA section 406, regardless of materiality. All contributions were subsequently remitted to the trust. The Company funded the 2020 lost earnings during the 2021 Plan year.

10. Reconciliation to Form 5500

A reconciliation of net assets available for benefits per the financial statements to the Form 5500 is as follows:

December 31,	**2020**	2019
Net assets available for Plan benefits per the financial statements	**$ 30,279,400**	$ 24,899,610
Adjustment for excess contributions payable	**4,513**	-
Receivables – Participant Contributions	**-**	(78,831)
Net assets available for Plan benefits per the Form 5500	**$ 30,283,913**	$ 24,820,779

The following is the 2020 reconciliation of the net decrease in the Statement of Changes in Net Assets Available for Plan Benefits per the financial statements to the Form 5500:

For the year ended December 31, 2020	
Net increase in net assets available for Plan benefits per the financial statements	$ 5,379,790
Adjustment for excess contributions payable for 2020 recorded on the financial statements as of December 31, 2020	4,513
Receivables – Participant Contributions as of December 31, 2019	78,831
Receivables – Participant Contributions as of December 31, 2020	-
Net income per the Form 5500	$ 5,463,134
