LEADERSHIP + QUALITY

To the Administrative Committee of
Shaklee 401(k) Retirement Savings Plan

We have completed a Department of Labor (DOL) limited-scope audit of the financial statements and supplemental schedule of Shaklee 401(k) Retirement Savings Plan (the Plan) for the year ended December 31, 2020, and have issued our report thereon dated October 8, 2021. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C to those financial statements. Because of the significance of the information that we did not audit, we are unable to express, and have not expressed, an opinion on those financial statements and supplemental schedule taken as a whole.

Our Responsibility Under Auditing Standards Generally Accepted in the United States of America

As stated in our engagement letter dated April 21, 2021, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your responsibilities.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you on May 21, 2021.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2020. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a period different than when the transaction occurred.

Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. However, no such sensitive estimates were noted in these financial statements.

Financial Statement Disclosures

The disclosures in the financial statements are neutral, consistent and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

- Information prepared and certified by Reliance Trust Company, as discussed in Note C to the financial statements.
- Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, as discussed in Note D to the financial statements.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. No misstatements were detected as a result of audit procedures.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, which could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management, which are included in the management representation letter dated October 8, 2021.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention and during the engagement as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information, we made certain inquiries of management and evaluated the form, content and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Intended Use of this Letter

This report is intended for the information and use of the Plan Administrator, Administrative Committee, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Shaklee 401(k) Retirement Savings Plan

REPORT ON THE FINANCIAL STATEMENTS

We were engaged to audit the accompanying financial statements of Shaklee 401(k) Retirement Savings Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2020; the related statement of changes in net assets available for benefits for the year then ended; and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, which includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion.

BASIS FOR DISCLAIMER OF OPINION

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), as amended, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect

to the information summarized in Note C, which was certified by Reliance Trust Company (Reliance), the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the trustee as of and for the years ended December 31, 2020, that the information provided to the Plan Administrator by the trustee is complete and accurate.

DISCLAIMER OF OPINION

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2020 financial statements referred to in the first paragraph.

OTHER MATTER - SUPPLEMENTAL SCHEDULE

The supplemental schedule of assets held for investment purposes as of and for the year ended December 31, 2020, which is required by the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA, is presented for the purpose of additional analysis, and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we do not express an opinion on the supplemental schedule referred to above.

OTHER MATTER - 2019 FINANCIAL STATEMENTS

The financial statements of the Plan as of December 31, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Reliance, the trustee of the Plan. Their report, dated September 18, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by the Trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

REPORT ON FORM AND CONTENT IN COMPLIANCE WITH DOL'S RULES AND REGULATIONS

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF THE PLAN

The following description of the **Shaklee 401(k) Retirement Savings Plan** (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Effective May 27, 2004, Shaklee Corporation (Company) was sold by Yamanouchi Consumer Inc. to Silver Acquisition L.P. and the Plan was established effective July 1, 2004. Participants in the Yamanouchi Consumer Inc. 401(k) Retirement Savings Plan who continued in the employ of the Company following the sale rolled over their account balances and loans into this Plan. All employees of the Company are eligible to participate except for union employees, non-resident aliens, leased employees and employees on temporary status. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Trustee and Recordkeeper

Reliance Trust Company (Reliance) is the trustee of the Plan. J.P. Morgan Invest Holdings LLC is the recordkeeper of the Plan.

Participant's Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions

A participant may elect to defer up to 80% of his or her pre-tax compensation each payroll period subject to the limitations set by the Internal Revenue Code (Code). The deferral limit for participants under age 50 is $19,500 and $19,000 in 2020 and in 2019, respectively. The catch-up contributions for participants over age 50 is $6,500 and $6,000 for 2020 and 2019, respectively. The Company makes safe harbor matching contributions to the account of each eligible participant equal to the sum of 100% of the amount of participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of participant's elective deferrals that exceed 3% of participant's compensation but do not exceed 5% of participant's compensation. The safe harbor matching contribution is determined for the entire year. As such, a true-up calculation is performed at the end of the Plan year.

Vesting

Participants are vested in both employer and participant contributions and earnings immediately.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

A participant may borrow a minimum of $1,000 up to the lesser of 50% of his or her account balance or $50,000. The term of the loan is limited to not more than 5 years, except for residential loans which may be extended up to a longer term. The interest rate will be similar to the interest rate charged for similar types of loans by other lenders. Interest rates range from 4.25% to 6.50% for loans. Loan repayments are made through payroll deductions and are credited to the participant's account. A participant may only have one outstanding loan at any time.

Benefits Payments

A participant shall be entitled to receive all of his or her account upon reaching age 65, death, disability, or termination of employment. In-service withdrawals due to hardship or upon reaching age 59 ½ are permitted subject to the provisions of the Plan document.

COVID-19 Provisions

On May 6, 2020, in response to the COVID-19 pandemic, the Plan agreed to certain changes under the Coronavirus Aid, Relief, and Economic Security (CARES) Act. Specifically, the Plan adopted temporary emergency distribution provisions to allow Plan participants to access the money in their individual accounts. Participants must meet certain requirements to qualify for these emergency distribution provisions, which were available until December 30, 2020 (and until September 22, 2020, for loan requests).

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies of the Plan are summarized below:

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles (GAAP). Revenues are recognized as earned.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note D - Fair Value Measurements).

NOTE B - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on ex-dividend date. Management fees and operating expenses charged to the Plan for investments in mutual funds and common collective trust funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction in the net appreciation in fair value of investments.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments
Benefits to participants are recorded when paid.

Administrative Expenses
Plan expenses are paid by the Company, except for loan distribution and redemption fees which are borne by participant.

NOTE C - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

As of December 31, 2020 and 2019 and for the years then ended, the Plan Administrator elected the alternative method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified to by Reliance, the trustee, as complete and accurate except for comparing such information certified to by the trustee to the information included in the Plan's financial statements and supplemental schedule.

NOTE C - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (Continued)

The following table summarizes the unaudited information certified by Reliance as of December 31, 2020 and 2019.

	2020	2019
Investments in mutual funds and collective investment funds	$ 53,945,114	$ 46,526,162
Participant loans	405,450	460,219
Investment income:		
Net appreciation in fair value of investments	4,617,776	5,235,808
Interest and dividends	1,942,955	2,842,297
Interest on participant loans	22,251	26,598

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for investments measured at fair value:

- Mutual funds are valued at the net asset value of shares held by the Plan at year-end.
- Collective investment fund is valued based on units of participation held by the Plan at year-end as reported on the audited financial statements of the JPMCB Stable Asset Income Fund.

There have been no changes in the methodologies used as of December 31, 2020 and 2019.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019.

	Investments at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 46,361,233	$ -	$ -	$ 46,361,233
Collective investment fund		7,583,881	-	7,583,881
Total investments at fair value	$ 46,361,233	$ 7,583,881	$ -	$ 53,945,114

	Investments at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 39,479,934	$ -	$ -	$ 39,479,934
Collective investment fund		7,046,228	-	7,046,228
Total investments at fair value	$ 39,479,934	$ 7,046,228	$ -	$ 46,526,162

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Transfers Between Levels
The Plan recognizes any transfers between levels in the fair value hierarchy as of the end of the reporting period. There were no transfers between levels for the years ended December 31, 2020 and 2019.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. Should the Plan be terminated, the net assets are to be distributed to participants, the value of their adjusted accounts.

NOTE F - TAX STATUS

The Company adopted a Prototype Nonstandardized Profit Sharing Plan (Adoption Agreement) with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service (IRS) on March 31, 2014. Subsequent to the receipt of this opinion letter, the Adoption Agreement was amended. The plan administrator believes that the Plan as amended is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the plan administrator believes that the Plan, as amended, was qualified and tax-exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that would not meet the more likely than not standard and be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan's administrator believes the Plan is no longer subject to income tax examination prior to 2017.

NOTE G - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the recordkeeper. Transactions with the recordkeeper qualify as party-in-interest transactions.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I - PLAN OBLIGATIONS

In accordance with GAAP, benefits due to terminated participants are included in net assets available for benefits. There were no benefits due to terminated participants as of December 31, 2020 and 2019.

NOTE J - SUBSEQUENT EVENTS

Subsequent events were evaluated through the date on which the financial statements were available to be issued. This date is approximately the same as the independent auditors' report date.

NOTE K - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
