HURLBUT HEALTH CONSULTING, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

1. DESCRIPTION OF PLAN

The following brief description of Hurlbut Health Consulting, LLC 401(K) Plan, previously named the Rohm Services Group 401(K) Plan, (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan which covers all employees of Hurlbut Health Consulting, LLC (the Company) and affiliated companies who are eighteen years of age or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Beginning January 1, 2020, The Plan transferred sponsorship to Hurlbut Health Consulting and the name of the Plan was changed to the Hurlbut Health Consulting, LLC 401(k) Plan. The Plan had no material modifications other than the name change and transfer of sponsorship.

Contributions
Each year, participants may contribute up to 100% of their annual salary into the Plan as a qualified pre-tax contribution subject to maximum annual dollar contribution restrictions of ERISA and the Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make matching contributions equal to a discretionary percentage, to be determined by the Company, of the participant's salary deductions. The Company's discretionary matching contribution was equal to 7% of the employee's contribution and amounted to $89,659 and $87,846, for the years ended December 31, 2020 and 2019, respectively. All employer contributions are invested in the same allocation as participant contributions. All contributions are participant directed.

Participant Accounts
Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) plan earnings and losses. Allocations of the Company's contributions are based on participants' compensation for the year. Allocations of plan earnings and losses are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Direction
The Plan permits participants to direct their elective deferrals to investments, at their discretion, in any combination of funds prescribed by the plan trustees.

1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants
On February 1, 2016, the Plan permitted individuals who commenced employment with Latta Road Nursing Home East, LLC; Latta Road Nursing Home West, LLC; and/or Hamilton Manor Nursing Home, LLC to roll over to the Plan loan distributions from the Hamilton Manor & Latta Road Nursing Homes 401(k) Savings Plan; provided, however, that the Plan shall not accept a rollover of any loan from the Hamilton Manor & Latta Road Nursing Homes 401(k) Savings Plan that is in default. Any loan rolled over to the Plan shall be governed by the terms of the participant loan program as originated under the Hamilton Manor & Latta Road Nursing Homes 401(k) Savings Plan. Under the Hamilton Manor & Latta Road Nursing Homes 401(k) Savings Plan, participants could borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000.

The maximum loan term is 60 months unless the loan qualifies as a home loan for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions. The default of a loan is deemed a taxable distribution.

Per an amendment to the Plan, notes receivable from participants are no longer allowed within the Plan provisions and all notes receivable have been repaid as of December 31, 2020.

Vesting
Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after three consecutive years of 1,000 hours credited service.

Forfeitures
Any forfeitures arising under the Plan may be used to pay administrative expenses or to reduce the employer matching contributions. Forfeitures for the years ended December 31, 2020 and 2019 were $2,135 and $1,701, respectively. Forfeited amounts used to reduce administrative expenses for the years ended December 31, 2020 and 2019 were $2,106 and $10,773, respectively.

Benefits
Upon termination of service due to death, disability, or retirement, benefits may be paid in a lump sum amount or installment payments over a period not to exceed the joint life expectancy of the participant and spouse. Participants may withdraw any part of their vested account after reaching the age of 59 and one half.

Hardship Withdrawals
Hardship withdrawals from the Plan are permitted from participant accounts. All hardship withdrawals must comply with rules relating to hardships, which are uniformly applicable to all participants.

Expenses
Investment fees are paid by the Plan. Administrative expenses not paid by the Plan are paid by the Plan Sponsor.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Adoption of ASU 2018-13 Disclosure Requirements for Fair Value Measurement
In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-13, "*Fair Value Measurement (Topic 820): Disclosure Framework-Changes to the Disclosure Requirements for Fair Value Measurement.*" This ASU eliminates, adds and modifies certain disclosure requirements for fair value measurements. The standard is effective for all entities for financial statements issued for fiscal years beginning after December 15, 2019, and interim periods within those fiscal years. The Company has adopted this standard in 2020. The disclosure requirements are being applied on a retrospective approach. The adoption of this guidance had no impact on the statements of net assets available for benefits or the statements of changes in net assets available for benefits.

Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

As of December 31, 2020 and 2019, no allowance for credit losses has been recorded.

Investment Valuation and Income Recognition
The Plan's investments in registered investment companies are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's investments in Common/collective trusts (CCTs) are stated at net asset value (NAV) as a practical expedient to fair value as determined by the issuer of the fund. The primary investment objective of the CCTs is preservation of principal while providing interest income reasonably obtained under prevailing market conditions and rates.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The cost of investments used in determining realized and unrealized gains and losses is based upon average cost.

Changes in the current value of investments held during the year, including realized gains and losses on assets bought and sold during the year, are reflected in the statements of changes in net assets available for benefits as net appreciation or depreciation in the fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits
Following the enactment of the CARES Act, a CARES Act distribution allowed the Plan's participants to take a COVID-19 related distribution up to $100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The Plan allows benefit payments to participants in cases of hardships. Benefit payments are recorded when paid.

Risks and Uncertainties
The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The United States is presently in the midst of a pandemic related to a virus, commonly known as Novel Coronavirus (COVID-19). As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic and this could materially affect participants' account balances and the amounts reported in the financial statements. The duration of these uncertainties and the ultimate financial effects cannot be reasonable estimated at this time.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The Plan administrator has obtained certifications from the plan trustee, Newport Trust Company for the years ended December 31, 2020 and 2019, that the following information is complete and accurate as of and for the year ended December 31:

	2020	2019
Investments, at fair value	$ 16,925,331	$ 14,684,664
Non-interest bearing cash	$ 2,578	$ 56
Notes receivable from participants	$ -	$ 5,131
Interest and dividends	$ 591,924	$ 410,114
Net appreciation of investments	$ 1,428,815	$ 2,131,255
Interest on notes receivable from participants	$ 63	$ 444
Schedule of Assets Held at End of Year	Schedule I	

4. FAIR VALUE MEASUREMENT

ASC 820-10 establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds
Valued based on quoted market prices in active markets.

Common/Collective Trusts
Valued at the net asset value (NAV) of units of a collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31:

2020	Level 1	Level 2	Level 3	Total
Mutual funds	$ 16,230,345	$ -	$ -	$ 16,230,346
Common collective trust, measured using NAV as a practical expedient				694,985
Total investments				$ 16,925,331

2019	Level 1	Level 2	Level 3	Total
Mutual funds	$ 14,059,826	$ -	$ -	$ 14,059,826
Common collective trust, measured using NAV as a practical expedient				624,838
Total investments				$ 14,684,664

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth by ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

6. INCOME TAX STATUS

The Plan obtained its latest determination letter on October 29, 2003, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. PARTIES-IN-INTEREST

Certain Plan investments are managed by Newport Trust Company. Newport Trust Company is the trustee as defined by the Plan, therefore any transactions between Newport Trust Company and the Plan qualify as party-in-interest. Notes receivable from participants also qualify as party-in-interest transactions.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 12, 2021, which is the date the financial statements were available to be issued.
