Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2020 and 2019, and for the year ended December 31, 2020, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2020 is required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

ENVIRONMENTAL SYSTEMS 401(K) PLAN

Notes to Financial Statements

December 31, 2020 and 2019

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Environmental System 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Environmental Systems 401(k) Plan is a defined contribution plan established on March 1, 1996, to provide retirement and other related profit-sharing benefits to the employees of Environmental Systems Corporations (the “Employer.”) The Plan was established for the exclusive benefit of participating employees and their beneficiaries. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and related rules and regulations.

Participant Contributions

Each year, participants may contribute a percentage of their annual pre-tax and after-tax compensation, as defined by the Plan. Participants may make these contributions up to the limits prescribed by the Internal Revenue Service (“IRS”), \$19,500 for the year ended December 31, 2020. The Plan also allows for participants who are 50 years old or older to make catch up contributions in the amount of \$6,500 for the year ended December 31, 2020.

Employer Contributions

Matching contributions equal 25% of employee contributions up to 2.5% of gross compensation. The Employer may make discretionary profit-sharing contributions or contributions to meet the Employer’s requirements under applicable prevailing wage statutes. Contributions made to meet requirement under applicable prevailing wage statutes are fully vested immediately.

Eligibility

All employees (other than excluded employees) become eligible to participate in the Plan on their date of hire.

To be eligible to receive an Employer profit sharing contribution, participants must have completed at least 1,000 hours of service during the plan year and be employed on the last day of the plan year.

Vesting

Vesting in discretionary employer profit-sharing contributions is based on the following schedule:

<u>Vesting Service (Whole Years)</u>	<u>Vesting Percentage</u>
Less than 1 year of service	0
1 year of service	20
2 years of service	40
3 years of service	60
4 years of service	80
5 or more years of service	100

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's contributions, and Plan earnings, and is reduced by Plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

The Plan allows participant loans, subject to the provisions as set forth in the Plan. The loan shall not exceed the lesser of \$50,000 or 50 percent of the sum of the participant's total vested balance and be no less than \$1,000. The interest rate on the loans will be a reasonable rate of interest for similar types of loans by other lenders. The loans are secured by the participant's account balance. A participant may not have more than two loans outstanding at any one time. Loans may not have a repayment term of greater than five years unless the loan is for the purchase of the participant's principal residence, in which case the loan may have a longer repayment term. Principal and interest are paid ratably through payroll deductions in every pay period.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic installments (at least annually) subject to the minimum distribution rules. For the termination of service for other reasons, a participant may receive the value of the vested amount in his or her account as a lump sum distribution.

Forfeitures

At December 31, 2020 and 2019, unutilized forfeitures totaled \$12,729 and \$3,298, respectively. These accounts will be used to reduce future Employer contributions or administrative expenses. For the year ended December 31, 2020, no forfeitures were used.

CARES and SECURE Acts - The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act").

Under the CARES Act, the Plan implemented: increased loan limits for participants impacted by COVID-19 (\$100,000 or 50% of participant account balance); provision for COVID-19-related withdrawals up to \$100,000 for participants impacted by COVID-19; suspension of loan repayments due between March 27, 2020 and December 31, 2020 for up to one year for participants impacted by COVID-19; and no minimum distribution requirement in 2020. The Plan has not yet been amended for these provisions.

Under the SECURE Act, The Plan implemented adopted the increase in age for Required Minimum Distributions from 70 1/2 years to 72 years for qualified retirement plans. The Plan has not yet been amended for this provision.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of the Plan's financial statements in conformity with generally accepted accounting principles in the United States of America requires management of the Plan to make certain estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expense during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by investment advisers and Great-West Trust Company LLC, the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Corrective Distributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2019 excess contributions to the applicable participants during 2020.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has monitored and evaluated any subsequent events for footnote disclosures or adjustments required in its financial statements for the year ended December 31, 2020 through October 8, 2021, the date on which financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, Fair Value Measurements, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;
- Level 2 Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Registered Investment Companies (Mutual Funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed Annuities: The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31,:

	2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 10,209,127	\$ -	\$ -	\$ 10,209,127
Fixed annuities	-	209,858	-	209,858
Total investments, at fair value	<u>\$ 10,209,127</u>	<u>\$ 209,858</u>	<u>\$ -</u>	<u>\$ 10,418,985</u>
	2019			
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 7,615,620	\$ -	\$ -	\$ 7,615,620
Fixed annuities	-	140,758	-	140,758
Total investments, at fair value	<u>\$ 7,615,620</u>	<u>\$ 140,758</u>	<u>\$ -</u>	<u>\$ 7,756,378</u>

NOTE 4 - TAX STATUS

The Internal Revenue Service has informed the volume submitter plan sponsor, by an opinion letter dated March 31, 2014, that the form of the plan is acceptable under the appropriate sections of the Internal Revenue Code ("IRC"). The Plan is designed to constitute a qualified tax-exempt plan under section 401(a) of the IRC. As such, the Plan is exempt from federal income tax, and amounts contributed by the Employer will not be taxed to the participant until the participant receives a qualifying distribution from the Plan. The Plan has been amended since the date of the opinion letter, however the Employer believes that the Plan is operating in accordance with the applicable sections of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - RELATED-PARTY TRANSACTIONS AND PARTIES-IN-INTEREST TRANSACTIONS

Great-West Trust Company LLC performs certain administrative functions for the Plan's investments. Great-West Trust Company LLC is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan also pays certain expenses related to Plan operations to various service providers. These transactions are party-in-interest transactions under ERISA. Fees paid by the Plan to the trustee and other service providers for Plan operations amounted to \$50,283 for the year ended December 31, 2020.

The Plan provides for participant loans. Transactions in such investments qualify as party-in-interest transactions as defined by ERISA.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options. The investments held by registered investment companies may include stocks, bonds, fixed income securities, and other investment securities. Such investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities in the near term could materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of Plan assets. The potential economic impact brought by, and the duration of COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100 percent vested in their Employer contributions.

NOTE 8 - CERTIFIED INFORMATION

Certain information related to investments, at fair value and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including total investments, at fair value and notes receivable from participants at December 31, 2020 and 2019, and net appreciation in fair value of investments, dividends and interest income and interest income on notes receivable from participants for the year ended December 31, 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Great-West Trust Company LLC.
