BROWN GIBBONS LANG & COMPANY LLC 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2020 and 2019 (Compiled) and Year Ended December 31, 2020

NOTE A - DESCRIPTION OF PLAN

The following description of Brown Gibbons Lang & Company LLC 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Brown Gibbons Lang & Company LLC, BGL Real Estate Advisors LLC, BGL Healthcare Transaction Advisors LLC, and Brown, Gibbons & Company, Inc. (collectively the Company, Plan Sponsor, and Plan Administrator) who are not represented by collective bargaining agreement, nonresident aliens, independent contractors, leased employees, and employees hired on a temporary basis, including but not limited to, summer interns, seasonal help, and those hired for a special project of limited duration. Employees are immediately eligible to make elective deferrals upon employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) passed in December 2019 and delayed the commencement date for required minimum distributions. A written amendment to the Plan to reflect this operational change will be adopted at a later date in accordance with applicable laws and Internal Revenue Service (IRS) guidance.

Contributions

Participants may elect to defer up to 100% of their compensation as defined by the Plan on either a pre-tax or after-tax basis. The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the Plan year. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). The Plan provides for discretionary employer matching contributions, discretionary non-elective contributions, discretionary profit sharing contributions, and discretionary safe harbor matching contributions to participants who have completed one year of service and generally are employed on the last day of the Plan year. There were no discretionary employer matching or non-elective contributions made for the year ended December 31, 2020. The Plan Sponsor approved a discretionary profit sharing contribution of \$160,450 for the year ended December 31, 2020. The Plan Sponsor also approved a discretionary safe harbor matching contribution of \$449,697, which was equal to 100% up to 4% of a participant's elective deferrals. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, discretionary employer matching contributions, discretionary non-elective contributions, discretionary profit sharing contributions, and discretionary safe harbor matching contributions, as well as an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant account earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferral and rollover contributions and all discretionary Company contributions plus actual earnings thereon.

Notes Receivable from Participants

A participant may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by the excess of the participant's highest outstanding loan balance in the previous year over the outstanding loan balance on the day prior to the issuance of a new loan, subject to certain Department of Labor and IRS requirements. Notes receivable terms range from 1 - 5 years or longer for the purchase of a primary residence. Notes receivable are secured by the vested balances in the participants' accounts and bear interest at the prime rate plus 1%. Interest rates ranged from 4.25% to 6.50% at December 31, 2020. Principal and interest are paid ratably through bi-monthly payroll deductions. Participants may have up to two loans outstanding at a time.

Payment of Benefits

Upon attaining age 59½, termination of service, or permanent disability, a participant, or a participant's beneficiary in the event of death of the participant, may elect to receive a lump sum amount equal to the value of the participant's account. Participants still in-service who have been participants in the plan for at least five years may also submit a written request elect to receive distributions of their rollover contributions, matching contribution, and profit sharing contribution account balances. If the value of the vested benefits credited to the participant's account is \$1,000 or less at the time of the termination, the entire amount will be automatically distributed to the participant without the participant's consent. In the event of a mandatory distribution of amounts greater than \$1,000 but not exceeding \$5,000, the entire amount will be rolled over to an individual retirement account as designated by the Plan Administrator.

Active participants may make hardship withdrawals of their deferral and rollover account balances, subject to Plan provisions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian. See Note D for discussion of fair value measurements.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participant and employer contributions are recorded and credited to each participant's account when received by the custodian from the Company. Any contributions attributable to the Plan year but not received by the custodian by the last day of the Plan year are recorded as a receivable.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits.

BROWN GIBBONS LANG & COMPANY LLC 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2020 and 2019 (Compiled) and Year Ended December 31, 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Company adopted a defined contribution volume submitter profit sharing plan with a cash or deferred arrangement which received an opinion letter from the IRS dated March 31, 2014, stating that the Plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2021, the date which the financial statements were available to be issued.

NOTE C - CERTIFICATION

Notes receivable from participants and investment information disclosed in the accompanying financial statements and supplemental schedule, including notes receivable from participants and investments held at December 31, 2020 and 2019, and net appreciation in the fair value of investments, interest, and dividends for the year ended December 31, 2020 were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Ascensus, LLC (Ascensus), recordkeeper of the Plan, as agent for Ascensus Trust Company, the custodian of the Plan.

BROWN GIBBONS LANG & COMPANY LLC 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2020 and 2019 (Compiled) and Year Ended December 31, 2020

NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan's investments accounted for at fair value as of December 31, 2020 are summarized below:

	<u>Level 1</u>
Mutual funds	\$ 11,240,295
Money market funds	<u>197,147</u>
Total investments at fair value	<u><u>\$ 11,437,442</u></u>

Notes to Financial Statements

December 31, 2020 and 2019 (Compiled) and Year Ended December 31, 2020

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's investments accounted for at fair value as of December 31, 2019 are summarized below:

	<u>Level 1</u>
Mutual funds	\$ 8,038,601
Money market funds	<u>216,281</u>
Total investments at fair value	<u>\$ 8,254,882</u>

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2020 and 2019.

The mutual funds and money market funds are valued at the net asset values of shares held by the Plan at year end, as reported on the active markets in which the investments are traded.

The method described above may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumptions to determine the fair values of certain financial instruments could result in different fair value measurements as of the reporting date.

In the event of Plan termination, participants would become 100% vested in their total participant account balance.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest transactions include the investment in funds of the custodian and related dividend income, and the payment of administrative expenses by the Plan to the custodian and the Plan's investment advisor. Such transactions are exempt from being prohibited transactions.
