Note 1: Plan Description

The following description of the PCCA Enhanced Co-op 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the provisions of the Plan.

Basis of Presentation. Plains Cotton Cooperative Association (PCCA, Plan Administrator, or Employer) maintains two 401(k) plans for the benefit of its employees. The PCCA Co-op 401(k) Plan (Standard 401(k) Plan) was designed to supplement the retirement benefits of those employees currently accruing benefits in PCCA's defined benefit plan.

The PCCA Enhanced Co-op 401(k) Plan (Enhanced 401(k) Plan) was established to provide retirement benefits for employees hired after September 30, 2008 and those employees who otherwise are not currently accruing benefits in PCCA's defined benefit plan. These financial statements present only the results of the Enhanced 401(k) Plan.

General. The Plan is a contributory defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Tax Status. The Internal Revenue Service (IRS) has issued an opinion letter determining that the Co-op 401(k) Plan non-standardized profit sharing plan and trust is acceptable under Section 401(a) of the Internal Revenue Code (IRC). It is not a ruling or determination as to whether the Plan itself is qualified; however, an employer adopting this plan will be considered to have a qualified plan.

Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. Although the Plan has been amended since receiving the opinion, the Plan Administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable authorities. There are currently no audits for any tax periods in progress. Generally, the Plan's tax returns are subject to examination for three years after they are filed.

Contributions. All new employees of PCCA are eligible to participate in the Plan upon attainment of age 21 and the completion of one year of service. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate. However, no amounts are withheld from the participant's pay until and unless they return an enrollment form to the Employer, electing to contribute to the Plan. Participants may contribute between 1% and 50% of their pretax compensation annually, not to exceed the amount deductible for federal income tax purposes. Employees are allowed to change their contribution percentages at any time, with the changes becoming effective as of the next payroll period.

PCCA makes contributions to the Plan equal to 4% of each participant's compensation (Employer Basic Contributions), regardless of the participant's elected contribution percentage. PCCA also makes matching contributions to the Plan. For 2020 and 2019, the matching contributions equal 100% of the first 3% of compensation that each participant contributes to the Plan, plus 50% of the next 2% of compensation contributed.

PCCA's contributions to the Plan totaled $610,894 and $533,936 in 2020 and 2019, respectively. Although PCCA may make additional discretionary profit-sharing contributions to the Plan, no such contributions were made in 2020 or 2019.

Note 1: Plan Description (continued)

Participant Accounts. Participants direct the investments for their individual accounts. Participants may allocate all of their contributions into any combination of seventeen funds, which include sixteen mutual funds and one money market fund, or one of five model portfolios available under the Plan. If the participant has not made an active investment election, his/her contributions will be invested in the moderate model portfolio. Participants may change their investment options at any time. The earnings of the Plan, including net appreciation (depreciation) in fair value of investments, are allocated based on the returns of the investments selected by the individual participant.

Vesting. Participant and employer matching contributions are fully vested at all times. Employer Basic Contributions and any profit sharing contributions made by PCCA plus earnings and losses thereon vest at the rate of 20% per year following two years of employment, such that the participant is fully vested in those balances following six years of employment.

Notes Receivable from Participants. Participants are allowed to borrow from their individual account limited to the lesser of $50,000 or 50% of the participant's vested account balance, with a minimum of $1,000. A participant may not have more than one loan outstanding at any time. Loans are repaid through payroll deductions and are credited to the participant's accounts with interest at a rate of prime plus 1%, as published in the Wall Street Journal on the day the loan is requested.

Participants are also allowed in-service withdrawals in instances of financial hardship, as defined by the plan document, requiring approval by the Plan Administrator. Participants are suspended from making pretax contributions to the Plan for at least six months following the date of making a hardship withdrawal.

Payment of Benefits. Upon retirement, death, disability, or termination of employment, the vested benefits, as defined, may be paid to the participant or their beneficiaries, either in a lump sum or other mode of settlement, at their election.

Forfeited Accounts. Forfeitures of terminated participants' non-vested accounts are generally used to reduce the required employer contributions. Forfeitures of approximately $24,000 and $17,000 were utilized for such purposes in 2020 and 2019, respectively. There were approximately $3,000 in unallocated forfeitures at December 31, 2020 and there were no unallocated forfeitures at December 31, 2019.

Amendment or Termination. Although it has no intent to do so, PCCA has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would automatically become fully vested in their Employer Basic Contributions and any profit sharing contributions plus earnings and losses thereon.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting. The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates. Financial statements prepared in conformity with GAAP require management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Values. At December 31, 2020 and 2019, the assets of the Plan were invested in money market, bond, and equity mutual funds. These investments are stated at fair value, based on quoted net asset values or estimates of the trustee. The net appreciation (depreciation) in fair value of investments includes realized gains and losses on sales of investments during the year and unrealized increases or decreases in the fair value of investments held at year end.

Note 2: Summary of Significant Accounting Policies (continued)

Administrative Costs. Certain administrative expenses of the Plan are paid by the Employer. Employees of PCCA also perform certain administrative functions with no compensation from the Plan. These expenses, which are allowed to be paid by the Plan, are not reflected in the accompanying financial statements.

Prohibited Transactions. A "party-in-interest" is a fiduciary or employee of the Plan, any person who provides services to the Plan, the Employer or an employee association whose members are covered by the Plan, a person who owns 50 percent or more of the Employer or such employee association or relatives of such person just listed. Under ERISA, a Plan fiduciary is prohibited from causing the Plan to engage in the following transactions with a party-in-interest, with certain conditional exemptions provided by ERISA:

- A sale, exchange, or lease of property;
- A loan or other extension of credit;
- The furnishing of goods, services, or facilities;
- A transfer of plan assets to a party-in-interest for the use or benefit of a party-in-interest; or
- An acquisition of employer securities or real property.

A fiduciary is also generally prohibited from using the Plan's assets for his or her own interest or account, acting in any Plan transactions on behalf of a party whose interests are adverse to those of the Plan or its participants and receiving consideration for his or her own account from a party dealing with the Plan in connection with a transaction involving the Plan's assets.

The Plan did not engage in any prohibited transactions for the years ended December 31, 2020 and 2019.

Note 3: Data Prepared and Certified by Trustee

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by Charles Schwab Bank.

	2020	2019
Mutual funds	$ 8,734,542	$ 7,244,872
Money market fund	913,286	523,097
Notes receivable from participants	183,604	121,730
Investments, at fair value	$ 9,831,432	$ 7,889,699

For the year ended December 31, 2020, the trustee has also certified the completeness and accuracy of net appreciation in fair value of the Plan's investments totaling $1,041,816, and interest and dividend income totaling $288,444. For the year ended December 31, 2019, the trustee has also certified the net appreciation in fair value of the Plan's investments totaling $1,076,634, and interest and dividend income totaling $228,616.

Note 4: Fair Value Measurements

Excluding notes receivable from participants, the following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019:

	2020		
	Level 1	**Level 2**	**Total**
Mutual funds	$ 8,734,542	$ –	$ 8,734,542
Money market fund	913,286	–	913,286
Total	$ 9,647,828	$ –	$ 9,647,828

	2019		
	Level 1	**Level 2**	**Total**
Mutual funds	$ 7,244,872	$ –	$ 7,244,872
Money market fund	523,097	–	523,097
Total	$ 7,767,969	$ –	$ 7,767,969

FASB ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair values of mutual funds and the money market fund are based on quoted net asset values of the shares held by the Plan at year end.

Note 5: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of those securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 6: Reconciliation of Financial Statements to Form 5500

The Form 5500 is a joint-agency form, developed by the IRS, the U.S. Department of Labor, and the Pension Benefit Guaranty Corporation, which may be used to satisfy the annual reporting requirements of the IRC and Titles I and IV of ERISA. The Plan is required to file a Form 5500 annually, with audited financial statements enclosed. There were no reconciling items between the Form 5500 and the accompanying financial statements for the years ended December 31, 2020 and 2019.

Note 7: Subsequent Events Evaluation

Management has evaluated subsequent events through October 12, 2021, the date which the financial statements were available to be issued. No material subsequent events have occurred during this time which would require recognition in the financial statements or footnotes as of and for the year ended December 31, 2020.
