The Plan, adopted in 2014 and restated in 2016, is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may currently contribute annually up to 90% of eligible compensation, as defined in the Plan document. The maximum participant contribution to the Plan allowed for participants under the age of 50 was $19,500 and $19,000 for 2020 and 2019, respectively, and for participants age 50 and over was $26,000 and $25,000 for 2020 and 2019, respectively. These limits are set forth by the Internal Revenue Service and may vary to reflect changes in the Consumer Price Index. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Effective January 7, 2019, the Plan also allows participants to make designated Roth contributions on an after-tax basis.

Legacy may contribute annually a discretionary matching contribution equal to a uniform percentage of a participant's contribution. Legacy elected to contribute 100% of a participant's contribution up to a maximum of $1,560 annually for 2020 and 2019. Effective October 1, 2016, Legacy added a discretionary profit sharing contribution provision to the Plan, covering eligible participants who are actively employed on the last day of the Plan year. There was no profit sharing contribution made for the years ended December 31, 2020 and 2019.

Participant Accounts

Participant accounts are credited with participant contributions, employer contributions, and earnings thereon, and are charged with an allocation of administrative expenses, unless paid by Legacy. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and earnings thereon. Employer contributions and earnings thereon are based on years of service. Participants are 100% vested after four years of service.

Investment Options

The Plan's investments are held by Fidelity Management Trust Company (Fidelity). Upon enrollment in the Plan, a participant may direct his or her account to be invested in various investment options offered by the Plan.

These investment options have been approved by the plan administrator. A participant may change his or her investment election for future contributions, or transfer existing balances, from one fund to another by following procedures established by Fidelity. Fidelity also maintains certain records for the Plan and participant accounts and provides certain other administrative services.

Notes Receivable from Participants

Participants may borrow an amount from $1,000 up to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the participant's vested account and bear interest at rates ranging from 4.25% to 6.50% and 4.50% to 6.50% as of December 31, 2020 and 2019, respectively as determined by Fidelity. Loan payments are made by bi-weekly payroll deductions over a term generally not exceeding five years. However, loans made for the purchase of a principal residence may exceed five years. The maximum permissible number of loans outstanding at any time is one per participant.

Notes receivable from participants, secured by participant account balances, are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan.

In March 2020, the Coronavirus Aid, Relief and Economic Security Act (the CARES Act) was enacted to provide economic relief to companies and individuals in response to the coronavirus (COVID-19) pandemic. Plans may voluntarily adopt these provisions and place them in operation without formally amending the plan as long as the plan administrator makes the required amendments to the plan document before the last day of the 2022 plan year.

The Plan adopted the loan provisions of the CARES Act during 2020 which permit retirement plans to expand the current loan limits for qualified individuals, as defined in the CARES Act, of up to 100% of the vested account balance (not to exceed $100,000). The Plan also allowed qualified individuals with an existing or new loan to suspend their loan payments due between March 27, 2020 and December 31, 2020 for a period of one year.

Benefit Payments

On termination of service for any reason, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or substantially equal installments over a period of time. The Plan also provides for hardship withdrawals to current employees under certain circumstances.

The Plan adopted the distribution provisions of the CARES Act during 2020 which permit a qualified individual to take a coronavirus-related distribution of up to $100,000 (not to exceed a participant's vested account balance) from his or her account on or before December 30, 2020, without a 10% early withdrawal penalty.

Forfeitures

Any forfeitures of employer contributions and earnings thereon due to a participant's withdrawal from the Plan prior to being 100% vested are applied first to pay any Plan administrative expenses and then to employer matching contributions that would otherwise be made to the Plan. Forfeited non-vested employer contributions were $39,044 and $14,211 for the years ended December 31, 2020 and 2019, respectively. Forfeitures applied to administrative expenses and employer contributions were $17,795 and $12,781 for the years ended December 31, 2020 and 2019, respectively.

Plan Termination

Although it has not expressed any intent to do so, Legacy has the right to discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in their employer contributions and earnings thereon.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements under the modified cash basis of accounting. Contributions and investment income are generally recorded when received rather than when earned, and benefits and administrative expenses are recognized when paid rather than when the obligation is incurred.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Under generally accepted accounting principles, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Generally accepted accounting principles establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to observable inputs (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy based on inputs are as follows:

Level 1 – Valuations are based on unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access and therefore do not entail a significant degree of judgment.

Level 2 – Valuations are based on significant inputs that are observable, either directly or indirectly, or quoted prices in markets that are not active, that is, markets in which there are few transactions, the prices are not current or price quotations vary substantially over time or among market makers.

Level 3 – Valuations are based on inputs that are unobservable and significant to the overall fair value measurement and therefore require more judgment.

There have been no changes in the methodologies used at December 31, 2020 and 2019. Following is a description of the valuation methodologies used for investments measured at fair value:

Registered Investment Companies (Mutual Funds):

The fair value of mutual funds is based on the net asset value per share of each fund held by the Plan at year-end. Such investments are categorized as Level 1 of the fair value hierarchy.

Collective Investment Trust:

Reliance Trust Company Stable Value Employee Benefit Investment Trust, Reliance Trust New York Life Anchor Account – Series I (the Trust) invests in New York Life Group Annuity Contract (the Contract), issued by New York Life Insurance Company (New York Life) to Reliance Trust Company (the Trustee). The Contract is the primary underlying investment for the Trust. The Contract is administered by New York Life and is managed by New York Life and the Trustee. The Plan's investment in the Trust consists of units that are valued at the net asset value of the respective units of the Trust. The net asset value is used as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in a different fair value measurement at the reporting date.

Net appreciation (depreciation) in fair value of investments reflect dividends and realized and unrealized gains and losses during the year.

Net asset value and fair value were equal for all investments held by the Plan at December 31, 2020 and 2019. Additionally, there were no unfunded commitments to purchase investments at December 31, 2020 and 2019. There were no imposed redemption restrictions on participants.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through October 4, 2021, the date on which the financial statements were available to be issued.

NOTE 3 – INVESTMENTS

As of December 31, 2020 and 2019, investments consist of shares of mutual funds and units of a collective investment trust. All investments are participant-directed.

The following presents by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019:

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE

The investments and notes receivable from participants included in the statements of net assets available for benefits – modified cash basis at December 31, 2020 and 2019, and the related investment income and interest on notes receivable from participants included in the statements of changes in net assets available for benefits – modified cash basis for the years ended December 31, 2020 and 2019, as well as the information provided in Note 3 and the supplemental Schedule of Assets (Held at End of Year), have been derived from information certified as complete and accurate by Fidelity, the trustee, in accordance with Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 5 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The following are parties-in-interest under ERISA and, as such, related transactions qualify as party-in-interest transactions:

Party-in-Interest	*Transaction Type*	2020	2019
Fidelity Investments Institutional Operations Company, Inc.	Recordkeeping fees	$ 52,219	$ 49,214
Lindquist von Husen & Joyce LLP	Audit fees	15,000	12,436
Global Retirement Partners, LLC	Consulting fees	17,500	10,500

Strategic Advisors, Inc.	Advisory fees	6,329	4,476
Total administrative expenses		$ 94,539	$ 87,126

NOTE 6 – TAX STATUS

Effective October 1, 2016, the Plan is a participant in the Fidelity Volume Submitter Defined Contribution Plan, approved as tax-exempt under Section 401 of the Internal Revenue Code (IRC) by the Internal Revenue Service pursuant to an advisory letter dated March 2014. Although the Plan has since been amended, the plan administrator believes that the Plan is designed and being currently operated in compliance with the applicable provisions of the IRC.

The plan administrator believes it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Plan's federal Form 5500 is subject to examination by regulatory agencies generally for three years after filing.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in mutual funds and a collective investment trust offered by Fidelity. Such investments are exposed to various risks such as interest rate, market, and credit risks. In addition, and as a result of the emergence and spread of COVID-19 during 2020, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties, and the ultimate financial effects, cannot be reasonably estimated at this time. Due to the level of risk associated, it is at least reasonably possible that changes in the values of investments will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits – modified cash basis.

NOTE 8 – VOLUNTARY COMPLIANCE

Certain errors were identified in 2019 and 2020 related to calculations of vested balances which resulted in excess distributions made to certain participants due to a system issue with Fidelity. The plan administrator resolved the issue in 2020.
