PREMIER OFFICE CENTER, LLC
DBA PREMIER BUSINESS CENTERS
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A – PLAN DESCRIPTION

1. General

The following description of the Premier Office Centers, LLC dba Premier Workspaces 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution Plan covering all eligible employees of the Premier Office Centers, LLC dba Premier Workspaces and Premier Commercial Real Estate (collectively the "Plan Sponsor" or "Company") who have one year of entry service and are age 21 or older. The Plan provides for retirement benefits for its participants. The Plan is designed to qualify under Section 401(k) of the Internal Revenue Code (the "Code"), as amended. The Plan is subject to provisions of the Employment Retirement Income Security Act ("ERISA").

2. Participation and Eligibility

Participation in the Plan is voluntary. An employee is eligible to participate in the Plan after the attainment of the minimum age and completion of a minimum number of hours of service as described in the Plan. An eligible employee may elect to participate following the satisfaction of the Plan's service requirement.

3. Contributions

Each year participants may contribute a percentage of pretax annual compensation subject to annual limitations imposed by the Internal Revenue Service ("IRS") regulations, as defined by the Plan. The participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan Sponsors may contribute to the Plan out of its current operating cash flow at the discretion of the Board of Directors.

4. Investment Options

The Plan maintains the retirement assets with an insurance company that provides a selection of pooled separate accounts and a guaranteed income option. This company serves as the Custodian of the Plan. Assets in the separate investment allocation account are held by the Custodian on behalf of the Plan in one or more of the Custodian's separate investment accounts. The participants direct their account balances between guaranteed income fund, stock funds, and bond funds, and may change their account distribution in accordance with the terms of the Trust agreement.

NOTE A – PLAN DESCRIPTION (CONTINUED)

5. Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Plan Sponsor's contribution, (b) Plan earnings, and (c) forfeitures of terminated participant's non-vested accounts, if any, and charged with an allocation of administrative expenses. Allocations are based on participant's earnings or account balance, as defined. The benefit which the participant is entitled is the benefit that can be provided from the participant's accumulated vested account.

6. Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan's contributions is based on years of service and cliff vest after three years. Additionally, in the event of death, disability, or normal retirement, as defined in the Plan document, participants become fully vested in their account balances.

7. Forfeitures

A participant's non-vested balance is forfeited at the time of termination of employment. Forfeitures are used to reduce future employer contributions or to pay administrative expenses of the Plan. Forfeited non-vested accounts amounted to $0 for 2020.

8. Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or may defer distribution until retirement, as defined by the Plan agreement. Employees who elect to defer their distribution can continue to participate in the Plan's net investment earnings or losses. Terminated employees with a Plan vested account balance less than $5,000 will be paid in a lump-sum amount equal to the value of their account, subject to the appropriate IRS income tax withholding regulations.

9. Withdrawals of Contributions

A participant demonstrating a financial hardship may withdraw any amount of their account value resulting from participant contribution.

NOTE A – PLAN DESCRIPTION (CONTINUED)

10. Distributions

Distribution request forms can be submitted to the Plan Administrator for review and approval. Upon approval, they are forwarded to the Custodian for processing. Participants can also directly request distributions from the Custodian by using the Custodian's website. As of December 31, 2020, $0 was payable to the Plan participants.

11. Notes Receivable from Participants

Participants may borrow from their fund account. A minimum of $1,000 up to a maximum equal to the lesser of 50% of the participant's vest account or $50,000. The loans are secured by the balance in the participant's account and bear interest at rates that range from 5.25% to 7.25%, which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through semi-monthly payroll deductions. Loans must be repaid over a period not to exceed five years, unless for the purchase of a residence and at termination of employment. Loans mature through May 15, 2043.

12. Administrative Expenses

Administrative expenses are paid by the Plan. Administrative expenses paid by the Plan during the year ended December 31, 2020, is disclosed in the statement of changes in net assets available for plan benefits. Administrative expenses paid by the Plan during the year ended December 31, 2020, amounted to $6,601.

13. ERISA Bonding Requirement

The Plan was in compliance with the fidelity bonding requirements of ERISA as of December 31, 2020.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

1. Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

NOTE B – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

2. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. Investments Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note E for discussion of fair value measurements.

Investments in fully benefit-responsive investment contracts are reported at contract value. Contract value, also referred to as book value, is equal to total contributions allocated to the investment, less withdrawals and expenses, plus accrued interest. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net realized and unrealized appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020.

5. Payment of Benefits

Benefits are recorded when paid.

6. Expenses

Certain expenses of the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE B – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

7. Subsequent Events

Plan management has evaluated subsequent events through the date that the financial statements were available to be issued on October 12, 2021.

NOTE C – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA, certain information prepared and certified by a Trustee or Custodian need not be audited or reported on by an independent certified public accountant. Pursuant to that regulation, the Plan has instructed the independent public accountants, Cambaliza McGee LLP, not to perform any auditing procedures with respect to information certified by the Custodian. This includes the cost and market values of the investments, the activity therein and the net realized and unrealized appreciation of investments. The Custodian has certified that this information is accurate and complete.

Assets available for Plan benefits at December 31, 2020:

Pooled separate accounts	$ 1,934,332
Investement contract	$ 64,798
Notes receivable from participants	$ 146,741
Additions to net assets:	
Interest and dividend income	$ 9,289
Net realized and unrealized gain (loss) on investments	$ 204,556

NOTE D – GUARANTEED INVESTMENT CONTRACT WITH PRINCIPAL LIFE INSURANCE COMPANY

The Plan entered a benefit-responsive guaranteed investment contract (Principal Fixed Income Option ("PFIO") with Principal Life. Principal Life maintains the contributions in a general account. The account is credited with earnings based on the specified crediting rate and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets

NOTE D – GUARANTEED INVESTMENT CONTRACT WITH PRINCIPAL LIFE INSURANCE COMPANY (CONTINUED)

available for plan benefits attributable to the guaranteed investment contract. As of December 31, 2020, the guaranteed investment contract is presented on the face of the statements of net assets available for plan benefits at fair value.

Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawals or transfer all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rates ranged from approximately 1.05% to 1.44% for 2020. The crediting interest rate is based on an agreed-upon formula with the issuer but cannot be less than zero. Such interest rates are reviewed on a quarterly basis for resetting.

NOTE E – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures* established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTE E – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2020.

- *Pooled Separate Accounts*: Valued at the NAV or equivalent based on units of the pooled separate accounts. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is general based on the fair value of the underlying investment held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled sperate account will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan presents in the statement of changes in net assets available for plan benefits the net depreciation/appreciation in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments. Purchases and sales of securities are recorded on trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is accrued when earned.

NOTE E – FAIR VALUE MEASUREMENTS (CONTINUED)

The following summarizes the classification of investments and method of valuation in accordance with requirements of FASB ASC 820:

		Fair Value Measurements at Reporting Date Using		
	2020	Quoted prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Pooled separate accounts	$ 1,934,332	$ -	$ 1,934,332	$ -
Total	$ 1,934,332	$ -	$ 1,934,332	$ -

NOTE F – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal Life Insurance Company. Principal Life Insurance Company is the Custodian and recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE G – PLAN TERMINATION

Although it has not expressed any intent do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

NOTE H – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

NOTE I – TAX STATUS

The Plan has received its determination letter from the Internal Revenue Service stating that the Plan, when designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Trustee believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax exempt as of the financial statement dates.

NOTE I – TAX STATUS (CONTINUED)

Accounting principles generally accepted in the Unites States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of aliability (or assets) or disclosure within the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there is currently no audit for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2017.

NOTE J – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the change in net assets available for plan benefits per the financial statements to the Form 5500 for the year ended December 31, 2020:

Changes in net assets for plan benefits per the financial statements	$ 294,919
