The Plan administrator obtained a certification from this entity as of December 31, 2020, and for the year then ended, stating that the certified information provided to the Plan administrator is complete and accurate.

Disclaimer of opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other matter

The Plan's statement of net assets available for benefits as of December 31, 2019 and statement of changes in net assets available for benefits for the year then ended (not presented herein) were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the certified information. Their report, dated September 3, 2020, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, they did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplementary information

The supplemental schedule of assets (held at end of year) as of December 31, 2020 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on form and content in compliance with DOL rules and regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the certified information described in Note D, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

NOTE A - DESCRIPTION OF THE PLAN

The following description of the A&B Process Systems Corp 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally effective May 1, 1990. The Plan has been amended throughout the years to comply with tax legislation and most recently amended effective November 1, 2016. The Plan excludes leased employees, nonresident aliens and employees covered by a collective bargaining agreement. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's trustee is Fidelity Management Trust Company (the Trustee).

The Coronavirus Aid, Relief and Economic Security (CARES) Act was signed into law on March 27, 2020. The following provisions were implemented by the Plan in response to the CARES Act:

- Participants were allowed to request penalty free distributions up to \$100,000 from their 401(k) account for reasons related to COVID-19, and
- Participants were allowed to take advantage of increased loan limits and participants with existing loans were able to suspend payments for the remainder of 2020.

Eligibility

Employees of A&B Process Systems Corp (the Company) are eligible to participate in the deferral and match components of the Plan on the first day of the Plan year and the first day of the fourth, seventh, and tenth months of each Plan Year.

Contributions

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) or Roth contributions to the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation, and their contributions invested in the designated default fund until changed by the participant. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company may, at its discretion, elect to make a qualified matching contribution profit sharing contribution to the Plan. For the years ended December 31, 2020 and 2019, the Company's matching contribution was 50% of the first 6% of eligible compensation deferred that a participant contributes to the Plan. There were no Company profit sharing contributions for the years ended December 31, 2020 and 2019.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

December 31, 2020 and 2019

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing contribution portion of participants' accounts, plus actual earnings thereon, is based on years of credited service. Participants vest at a rate of 20% per year beginning with the second year of service. A participant is 100% vested after six years of credited service. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

Benefit Payments

Upon termination of service, death, disability, or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump-sum distribution or installments. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

Forfeited Accounts

Forfeited nonvested accounts are used to reduce administrative expenses or future Company contributions. Forfeited nonvested accounts as of December 31, 2020 and 2019 totaled \$24,316 and \$31,783, respectively. There were \$97,842 used to reduce Company contributions for the year ended December 31, 2020. There were \$10,487 forfeitures used to reduce administrative expenses for the year ended December 31, 2020.

Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connections with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available from benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investment presented in the accompanying statement of changes in net assets available for benefits.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Plan and ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, an allocation of the Company's profit sharing contribution, and an allocation of Plan earnings or losses. Participant's accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The presentation of certain investment information in the 2019 statement of net assets available for benefits and certain investment disclosures have been revised to conform to the current year presentation.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Benefit Payments

Benefit distributions to participants are recorded when paid.

NOTE C - RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of funds managed by the Trustee.

A&B Process Systems Corp 401(k) Profit Sharing Plan and Trust

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2020 and 2019

The Company pays certain administrative costs of the Plan and provides certain administrative services to the Plan at a charge. The cost of providing these services constitutes exempt party-in-interest transactions under ERISA.

Notes receivable from participants also constitute exempt party-in-interest transactions.

NOTE D - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2020 and 2019.
- Investment income and interest income on notes receivables from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2020.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2020.

The Plan's independent accountants did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE E - FAIR VALUE MEASUREMENTS

The fair value framework requires the categorization of assets and liabilities into three levels based upon the assumptions (inputs) used to price the assets or liabilities. Level 1 provides the most reliable measure of fair value; whereas, Level 3 generally requires significant management judgment. The three levels are defined as follows:

Level 1 - Unadjusted quoted prices in active markets for identical assets and liabilities;

Level 2 - Observable inputs other than those included in Level 1. For example, quoted prices for similar assets or liabilities in active markets or quoted prices for identical assets or liabilities in inactive markets; and

Level 3 - Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Money market funds and mutual funds - Valued at the quoted net asset value (NAV) of shares held by the Plan at year end traded on an active market.

A&B Process Systems Corp 401(k) Profit Sharing Plan and Trust

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2020 and 2019

Collective trust funds - An investment formed from the pooling of investments by institutional investors. The Plan's interest in the collective trusts is valued by the trustee based on the NAV of shares held by the Plan at year end as practical expedient fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments of the collective trust fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of December 31:

	2020			
	Level 1	Level 2	Level 3	Total

NOTE F - TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2014 received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore not subject to tax under current income tax law. The prototype plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained

A&B Process Systems Corp 401(k) Profit Sharing Plan and Trust

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2020 and 2019

upon examination by the IRS or other applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

On March 11, 2020, the World Health Organization declared coronavirus (COVID-19) a global pandemic. This contagious disease, which has continued to spread, has adversely impacted workforces, economics and financial markets globally. The extent of the impact on the Plan's net assets available for benefits will depend on the duration and continued spread of the outbreak including any other further developments.

NOTE H - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 for the year ended:

	<u>2019</u>
Net assets available for benefits per financial statements	\$ 28,840,457
Adjustments for difference in carrying value of Common Collective Trust Fund	<u>4,450</u>
Net assets available for benefits, Form 5500	<u><u>\$ 28,844,907</u></u>

The following is a reconciliation of changes in net assets per the financial statements for the year ended December 31, 2020 to Form 5500:

Net increase as presented on Form 5500	<u><u>\$ 3,068,424</u></u>

NOTE I - SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events through October 7, 2021, the date the financial statements were available to be issued. The Plan administrator is not aware of any subsequent events that would require recognition or disclosure in the financial statements.
