GSW SPORTS LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the GSW Sports LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan which was established on January 1, 1987 to provide retirement benefits for employees of GSW Sports LLC and certain affiliated companies. Participating employers of the Plan include GSW Sports LLC and its affiliates: Golden State Warriors LLC, SC Warriors LLC, GSW Arena LLC, Warriors Community Foundation, GSW Real Estate LLC, GSW Master Retail LLC, GSW Real Estate Office Corp., ECOP Tower I Owner LLC, Event Center Office Partners LLC, GSW Arena Holdings LLC, GSW Sports Ventures LLC, and GSW eSports LLC (collectively, the "Company").

The Plan covers all eligible employees who are not leased employees, union employees, players, contractors, interns (paid or unpaid), employees eligible to participate in the Restated National Basketball Association Saving Plan for Coaches and Trainers, or employees who are employed by an affiliated employer which has not adopted this Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended, and certain provisions of the Internal Revenue Code ("IRC"). Employees become eligible to participate as of the first of the month immediately following the first date of employment with the Company, and must be at least 15 years of age to participate in the Plan. Effective January 6, 2020, the Plan was amended to allow eligible employees to participate immediately upon their hire date. The Trustees are responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustees.

The Plan provides for a plan administrator who is responsible for keeping accurate and complete records with regard to the Plan's operations, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and to government regulations, and providing participants with any reports and documents required by law. The Plan has appointed Fidelity Management Trust Company as its record-keeper and trustee ("Fidelity" or the "trustee").

In April, 2020, the Plan implemented provisions of the Coronavirus Aid, Relief, and Economic Security Act (the "CARES" Act) that was signed into law on March 27, 2020. These provisions were applicable for qualified Plan participants and included an increase in maximum loan amounts to the lesser of the participant's account balance or $100,000 for a loan issued through September 23, 2020; the ability of qualified participants who had Plan loan repayments due in 2020 to defer such repayments beyond December 31, 2020; and a new coronavirus-related distribution up to $100,000 in 2020. In addition, the CARES Act allowed any participant subject to a 2020 required minimum distribution ("RMD") to waive such distribution. In addition, effective January 1, 2020, the Plan implemented the delay of the commencement date for required minimum distributions pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act"). The Plan's administrator intends to incorporate these provisions under which the Plan is currently operating as necessary prior to the December 31, 2022 deadline.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Contributions – Participants may make pre-tax and post-tax (Roth) contributions to the Plan. A participant's combined annual pre-tax and Roth contributions to the Plan may not exceed 75% of the participant's annual compensation, limited to $19,500 for the year ended December 31, 2020. Additionally, participants who have attained 50 years of age before the end of the Plan year are eligible to make catch up contributions of up to $6,500 for 2020. Participants may also make "rollover" contributions representing distributions from other qualified retirement plans.

Once an employee satisfies the eligibility requirements to participate in the Plan, and if he or she does not make a deferral election within a reasonable period of time after he or she is hired, rehired or reclassified, or affirmatively opts out, 2% of the employee's eligible compensation automatically will be deferred and contributed to the Plan and that amount shall be deemed the employee's deferral election. Effective February 6, 2020, the automatic deferral election was increased from 2% to 4%. Furthermore, participants with a deferral rate greater than zero will automatically have their deferral increased annually by 1% until a deferral rate of 12% is reached, unless the participant has otherwise established a periodic deferral increase or has elected to forego such an increase. An employee may terminate their participation in the Plan at any time pursuant to the Plan's notification requirements.

Employer Contributions – The Company has the option to make matching contributions equal to a discretionary percentage, to be determined by the Company, of the participant's elective deferral. The Company may also make an annual discretionary profit sharing contribution at the option of the Company's board of directors, subject to limitations imposed by applicable provisions of the IRC. The Company may change this formula at any time. From January 1, 2020 to July 9, 2020, the Company elected to make matching contributions equal to 50% of each participant's contribution of up to the first 6% of the participant's eligible compensation, with a maximum matching contribution of $2,000 per year. From July 10, 2020 to December 31, 2020, the Company elected to make no matching contributions. Part time, temporary, and seasonal employees whose regularly scheduled service is less than 1,000 hours for the year are excluded from employer matching contributions, unless the excluded employee actually completes 1,000 hours of service.

Participant Accounts – The Plan maintains an account for each participant which is credited with the participant's contributions and Company matching contributions, if any, as well as allocations of profit sharing contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting – Participants are immediately vested in their voluntary contributions and rollover contributions plus actual earnings thereon. Vesting in the Company's discretionary profit sharing and matching contributions, if any, and earnings thereon is based on the number of years of service as presented in the following schedule:

Years of Service	Vested Percentage
Less than 1 year	0%
1	34%
2	67%
3 or more	100%

Investment Options – Upon enrollment in the Plan, a participant may direct the investment of their account balance into various funds offered by the Plan.

Notes Receivable from Participants – Participants may borrow from their vested account balance provided they meet the Plan's eligibility requirements. The minimum loan amount is $1,000 and the maximum amount is the lesser of one-half of the participant's vested account balance or $50,000. The term of the loan may not exceed five years, except for loans used to finance the purchase of a primary residence, for which longer repayment terms are permitted. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions and loans are due immediately upon termination of employment. Interest rates are determined by the plan administrator, based on the prime rate as published in the Wall Street Journal plus 1%, and remain fixed throughout the life of the loan.

As discussed above, pursuant to the CARES Act, the maximum loan amounts for qualified participants was increased for loans issued between March 27, 2020 and September 22, 2020. Additionally, qualified participants could request a delay of loan repayments for repayments that occurred between March 27, 2020 and December 31, 2020.

Payment of Benefits – Upon termination of service, death, disability or retirement, a participant may elect to receive a distribution in the form of a lump-sum payment, installment payments, or a combination of lump-sum and installment payments. If a terminated participant's account balance is between $1,000 and $5,000, and no instructions have been received from such participant, the amount will be rolled over to an individual retirement account as designated by the Plan administrator. Vested account balances of less than $1,000 are automatically cashed out as a single lump-sum distribution. A participant may also elect to receive a pre-retirement distribution if the participant is 100% vested in the amount being distributed, and has reached 59½ years of age.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits (Continued) – The age at which required minimum distributions must begin was increased from 70½ to 72 pursuant to the SECURE Act. In addition, pursuant to the CARES Act, participants who were currently receiving required minimum distributions could waive the 2020 required minimum distributions and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. Also, in accordance with the CARES Act, the Plan permitted qualified participants to take a coronavirus-related distribution up to $100,000 with an option to repay it over a three year period.

Forfeited Accounts – The non-vested portion of a terminated participant's account balance is forfeited. Forfeited accounts are applied to reduce employer contributions and fund administrative expenses. As of December 31, 2020 and 2019, forfeited non-vested accounts amount to $40,167 and $17,360, respectively. During the year ended December 31, 2020, forfeitures of $14,371 were used to reduce employer contributions and $3,513 were used to fund administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Investment Committee determines the Plan's valuation policies utilizing information provided by Fidelity and the Plan's investment advisors. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants – Notes receivable from participants represent loans that are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Loans which become delinquent are recorded as deemed distributions to participants, in the period they become delinquent, in accordance with the terms of the Plan.

Excess Contributions Payable – Participant contributions paid to the Plan in excess of amounts permitted under IRS nondiscrimination rules are reported as a liability with a corresponding reduction in participant contributions. These amounts were refunded to the affected participants in February 2020.

Payments of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of the fair value of investments.

Concentrations – As of December 31, 2020 and 2019, one and two investments accounted for approximately 12% and 23% of total investments, respectively.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level l measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used are required to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used by the Plan for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: Valued at cost which represents fair value.

Collective Trust Fund: Valued at the NAV of units of a common collective trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require twelve months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

These valuation methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments as of December 31, 2020 and 2019:

The following table sets forth additional disclosure of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as of December 31, 2020 and 2019. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

Fidelity Managed Income Portfolio Class I	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2020	$ 377,464	N/A	Daily	12 Months
December 31, 2019	$ 327,048	N/A	Daily	12 Months

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee of Plan assets, has certified to the completeness and accuracy of all investments and the notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits and in Note 3, as of December 31, 2020 and 2019, and the supplemental Schedule H, line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2020, and the related investment income and income on notes receivable from participants reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2020.

NOTE 5 – TAX STATUS

The Plan is a defined contribution plan designed to qualify as a tax-exempt plan under IRC. A favorable opinion letter from the IRS was issued on March 31, 2014 regarding the qualified status of the prototype plan on which the terms of the Plan are based. The Plan has not filed for a separate determination letter; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

NOTE 6 – RELATED PARTY TRANSACTIONS

Certain Plan assets are held and managed by an affiliate of Fidelity. Fidelity serves as the trustee of the Plan. Therefore, these transactions with its affiliate qualify as party-in-interest transactions.

Fees paid by the Plan for investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Fidelity provides certain administrative services to the Plan pursuant to a service agreement between the Company and Fidelity. Fidelity also receives revenue from certain investment service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan. If the revenue received by Fidelity from such investment service providers exceeds the amount owed under the service agreement, Fidelity remits the excess to the Plan. During 2020, the Plan received $7,173 of revenue sharing, substantially all of which was used to pay administrative expenses. The Plan or Plan sponsor are permitted to make payments to Fidelity for administration expenses not covered by revenue sharing.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination from among the funds offered through the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

On March 11, 2020, the World Health Organization declared a pandemic related to the rapidly spreading novel coronavirus ("COVID-19") outbreak, which has led to a global health emergency. The pandemic has caused volatility in financial markets and has affected, and may continue to affect, the market price of the Plan's investments. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain. Accordingly, the ultimate financial effects cannot be reasonably estimated at this time.

NOTE 9 – SUBSEQUENT EVENTS

Effective September 1, 2021, the Plan was amended so the period for calculating employer discretionary matching contributions is each Plan year rather than each payroll period.

The Plan's management has evaluated subsequent events through October 11, 2021, the date the financial statements were available to be issued.
