SAV-MORE DRUG, LLC 401(K) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Sav-More Drug, LLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all employees of Sav-More Drug, LLC, and its affiliated company M Chest Institutional Pharmacy Group, LLC (the "Company"). Employees of the Company are eligible to participate in the Plan on the next entry date after completing one year of service and attainment of age twenty-one (21). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Transfers to the Plan of $54,051 included in the accompanying financial statements consist of employee accounts transferred from a separate Company sponsored defined contribution plan. When participants of the other Company plan become eligible (as described above) to participate in the Plan, their accounts are transferred into the Plan.

During 2020, the Plan implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related distributions, suspend required minimum distributions and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

CONTRIBUTIONS

Participants may elect to contribute amounts from eligible compensation not to exceed the limits of the Internal Revenue Service ("IRS") Code Section 401(k). In addition, participants that reach age 50 before the close of the Plan year may make catch-up contributions. The Company makes a safe harbor matching contribution equal to 100% of the first 3% of compensation and 50% of the next 2% of compensation. The Company may also make a discretionary profit sharing contribution.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and the Company matching and profit sharing contributions. Allocations of plan earnings and administrative expenses are based on participant account balances as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions and the Company safe harbor matching contribution. Vesting of Company profit sharing contributions is as follows:

Vesting Schedule

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. Principal and interest are paid through payroll deductions.

NOTE 1 – DESCRIPTION OF PLAN – CONTINUED

PAYMENT OF BENEFITS

On termination of service, a participant may elect to receive their vested benefit in a lump sum payment either in cash or as a direct rollover to a qualified IRA or another tax-qualified plan.

FORFEITURES

Forfeitures may be used to reduce employer contributions. For the years ended December 31, 2020 and 2019, there were no forfeited non-vested account balances.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by investment advisors, the custodian and the insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

OPERATING EXPENSES

The administrative expenses (i.e., custodial fees, fund fees, loan fees, recordkeeping fees and other similar expenses) of the Plan are paid by the Plan and allocated to the participants' accounts. Investment related expenses are included in net appreciation in fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

NOTE 3 – FAIR VALUE MEASUREMENTS – CONTINUED

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2020 and 2019:

Mutual funds:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and have been valued using level 1 inputs at December 31, 2020 and 2019.

NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan maintains a fully benefit-responsive investment contract with Transamerica Life Insurance Company ("Transamerica"). Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. The investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Crediting interest rates are announced semi-annually and are guaranteed against change for a six-month period. The crediting interest rate and average yield was 1.20% and 1.25% as of December 31, 2020 and 2019, respectively.

Certain events limit the Plan's ability to transact at contract value with Transamerica. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuers consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. Since the contract is an obligation of Transamerica, the occurrence of an event that limits the ability of the investment to transact at contract value between Transamerica and a participant holding the investment is not probable.

NOTE 5 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been certified to as complete and accurate by the custodians, Reliance Trust Company and Transamerica Life Insurance Company as of December 31, 2020 and 2019, and for the year ended December 31, 2020.

	2020	2019
Investments at fair value	$ 7,186,560	$ 6,670,948
Investments at contract value	1,033,626	922,669
Notes receivable from participants	115,381	94,275
	$ 8,335,567	$ 7,687,892
Investment income (including interest income on notes receivable from participants)	$ 1,021,439	

NOTE 5 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN – CONTINUED

No auditing procedures were performed with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedule.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Reliance is the custodian as defined by the Plan, however, Plan investments are managed by Transamerica. Accordingly, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for asset charges and takeover fees totaled $37,056 for the year ended December 31, 2020.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 – TAX STATUS

The Plan Sponsor has adopted a prototype plan which received a favorable tax determination letter from the IRS that it qualifies under Section 401(a) of the Internal Revenue Code ("IRC") and is, therefore, not subject to tax under present income tax law. The Plan Administrator and tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investment securities are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – COVID-19 AND RECENT EVENTS

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act became effective on January 1, 2020, and required significant changes to plan administration and recordkeeping.

The COVID-19 outbreak in the United States caused business disruption through mandated and voluntary closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that included numerous employee benefit plan provisions to assist sponsors and participants.

NOTE 11 - SUBSEQUENT EVENTS

Subsequent to the Plan's year end an operational error was discovered related to participant deferrals. The Company is currently working with their third party administrator to evaluate the error and the voluntary correction needed, which is expected to be immaterial to the Plan. The correction will be made as soon as administratively feasible.

Subsequent events were evaluated through October 7, 2021, which is the date the financial statements were available to be issued.
